

**STUDENTS
FUND RAISING ACTIVITIES**

It is the policy of the Gore Board of Education that fund raising activities by students, as representatives of the school, will be permitted on or off school premises only when connected with specific school activities approved by the board of education.

District-wide fund raising activities by students may be done only with the consent of the board of education.

Four fund raising events per organization shall be permitted in the school year. Each request for a fund raising activity must meet the following guidelines:

1. Identify the purpose of the funds and the amount needed for the project.
2. Identify the method to be used and the time needed.
3. Plans for use of excess funds or alternative project if goal is not reached.
4. Accountability of funds raised.

Proceeds from all fund raising activities shall be deposited in the Student Activity Fund
Application for fund raiser activities must be submitted by October 1. The above items (1 through 4) must accompany the application.
