

**ACCIDENT INSURANCE
STUDENTS**

It is the policy of the Gore Board of Education to select a reputable insurance company through which patrons may purchase accident insurance for their children. A packet should be available for each student during the first week of classes. The purchase of such insurance is entirely within the discretion of parents, however, students playing seven through twelve football must provide evidence of insurance coverage. Proof of coverage may include government or Indian Health Services.

The public schools may not legally pay medical bills for student.

In making accident insurance available, the school district assumes no obligation or liability as agent or representative of any insurance company or agency.
