

**STUDENT ACTIVITIES  
SOCIAL AFFAIRS**

The Gore Board of Education believes that students benefit from social activities sponsored and supervised by the school staff. Therefore, activities such as the annual junior-senior banquet, school dance, and an annual class party are permitted under the following conditions:

1. All dances will have a minimum of two sponsors (preferably one male and one female),
2. No students will be allowed outside the building during the hours of the dance.
3. No one is to be admitted except presently enrolled Gore students without prior approval.
4. All dances will be lighted to the extent that all students can be seen.
5. School dances may be held after all home games as long as there is no school on the following day
