A student may request permission to possess a wireless telecommunications device by receiving written permission from the student’s parent or guardian and the superintendent or designee. Such permission will be granted for the current school year. Circumstances that will be considered include, but are not limited to:

1. Medical emergency;
2. The device is attached to an automobile as equipment or an accessory;
3. The device is turned off and is unable to receive in-coming communications while in the possession of the student;

Violation of any of these rules will be reason for disciplinary action. Wireless telecommunications devices will be confiscated if found to be in the possession of students who do not have current authorized permits. These devices will be released only to a parent or legal guardian.
