

DETENTION

A student in this district may be detained before or after school hours for disciplinary reasons if, in the judgement of a school administrator or the student's teacher, such disciplinary measures are warranted. If a student is to be detained, the parent must be notified of the planned detention and, in the case of bus students, arrangements made for the student's transportation home after detention. In those cases where transportation is required, twenty-four hour notice will be given so that transportation may be arranged.

Parents shall be asked to arrange for the transportation of the detained student. However, if the parent can not or will not provide transportation, an alternative disciplinary procedure must be substituted.

Students who are detained after school must not be left alone during their detention. Supervision of students in detention must be provided or arranged for by the teacher or administrator who detains them. Detention is limited to sixty minutes on anyone day.
