

TEACHER ASSISTANTS PARAPROFESSIONALS

It is the policy of the Gore Board of Education that ~~paraprofessionals~~ ~~teacher assistants~~ are support employees entitled to due process prior to nonrenewal or termination of employment. Applicants must possess the required level of requisite skills as prescribed in the appropriate State Department of Education regulation except that a ~~paraprofessional teacher's assistant~~ or a volunteer will be used for each class of kindergarten through second grade which has more than 20 students and in which twenty percent of the students are eligible to participate in the National Child Nutrition Act.

Teacher assistants are paraprofessionals within the school district. All paraprofessionals must have earned a high school diploma or its equivalent. Individuals hired to be paraprofessionals must meet requirements established by state and federal laws to be authorize to serve as paraprofessionals in Title I schools and in special education settings. ~~Paraprofessionals hired after January 7, 2002, to work with identified Title I students must have completed at least two years of study at an institution of higher education; obtained at least an associate's degree; or met a rigorous standard of quality and can demonstrate through a formal state or local academic assessment the knowledge of and ability to assist in the instruction of reading, writing, or mathematics or the instruction of readiness of these subjects. Paraprofessionals working with identified Title I students who were hired before January 8, 2002, have until the end of the 2005-2006 school year to meet these standards. The district will not hire Title I paraprofessionals who do not meet these standards. If the district [is/becomes] a school wide Title I school district, all paraprofessionals in the district must meet these standards.~~

~~Exception to these requirements may be made with regard to paraprofessionals who act as translators or who coordinate parent involvement activities.~~

Individuals seeking a paraprofessional credential from the State Department of Education shall submit an application and all required supporting documentation to the State Department of Education Office of Certification.

Paraprofessionals ~~Teacher assistants~~ are employed so that the professional teachers may direct their energies to the students' education. The basic objectives for the use of teacher assistants are:

1. To make it possible for teachers to use more variety in structuring classroom activities which will result in more meaningful education for students.
2. To enable the teacher to do more creative teaching, and to use a greater variety of instructional media.
3. To enable the teacher to develop effective programs focusing upon the individual needs of each student.
4. To provide increased time for individualizing instruction, evaluating learning situations, student counseling and guidance for other instructional activities that will improve educational opportunities for students.

The principal and supervising teacher are jointly responsible for making final decisions related to the duties and responsibilities to be assigned to a paraprofessional ~~an assistant~~. Paraprofessionals ~~Assistants~~ are not to discipline children. Classroom discipline shall be left to the certified teacher or building principal.
