Gore Public Schools' Transfer Information for Parents

Thank you for visiting our website to learn more about our student transfer policy. We appreciate your interest in Gore Public Schools. We do our best to welcome additional students to our district whenever it is possible.

Gore Schools makes decisions about student transfers in accordance with district policy and state law. You can download our comprehensive district policy below; however, we are providing the following information for your convenience:

- The state Department of Education requires that a Request for Transfer form be completed to apply for a transfer: Parents who need access to technology to print or complete the form can visit our business office located at 1200 North Highway 10 in Gore during business hours. Paper copies of the form can also be picked up at this location or downloaded on our website at <https://www.gorepublicschools.org>.
- Decisions about transfers for the current or upcoming school year will be made by August 1 annually. We will contact parents directly about the approval status of their child's transfer.
- Mid-year transfer requests will be considered within 3 business days of the district receiving the application and the home district of the student has been contacted for your student's current records and status.
- New transfers are accepted on a first-come, first-served basis. Students who attended the district on a transfer during the 2021-22 school year will be automatically accepted pending approval from the district. The law also gives preference to children of active-duty military personnel.

- To accept a transfer, enrollment in the grade the parent requests must be under the district-established capacity. The district's capacity and vacancy numbers for each grade and school can be found below.
- Transfers may be denied based on capacity, attendance, and discipline issues.
- Transfers for siblings must be considered separately.
- If the grade a student requests is over capacity, he/she will be offered the opportunity to be placed on a waiting list.
- Transfer students must abide by eligibility requirements established by the Oklahoma Secondary Schools Activities Association (OSSAA) for OSSAA-sanctioned activities.
- Transfer decisions may be appealed by submitting a written request for an appeal of denial to the Gore Board of Education. Submit written appeal request to Gore Public Schools, office of the superintendent, 1200 North Highway 10, Gore Ok. 74435 or in person to the office of the superintendent during regular business hours at the same address.

If you have any questions about the transfer process, please contact the district superintendent at 918-489-5587.

See our district web site's home page for complete information including current class size capacity, transfer application, appeal process and waiting list information at <https://www.gorepublicschools.org>
