

**RESPONSIBILITY FOR SCHOOL PROPERTY:
LOCKERS**

It is the policy of this district that school lockers will be assigned to students on the first day of school or as soon as possible thereafter.

They are to be kept locked at all times. They are to be kept clean and never defaced in any manner. This applies to the inside as well as the outside. Locker mates are not changed without the principal's permission.

No liquids that do not have a no leak container shall be kept inside lockers. (disposable cups)

Locks shall not be rigged to stay open. No additions or modifications to the latch or locking device shall be made.

Any locker malfunction should be reported to the office. Students are cautioned not to keep money or other valuables in their lockers.

Students have no expectation of privacy concerning lockers, desks, or other school property. All student lockers, desks, and other school property are subject to periodic inspection. When such inspections are announced, each student shall open his or her locker and remain present during the inspection.

The superintendent will develop, or cause to be developed, rules and regulations for the issuance, use, and maintenance of the lockers.
