Describe fundraiser

FFA selling gore ffa apparel, chairs, ect

Robotics team will do STEM activities from 4:30 to 10:00pm for 4th, 5th, 6th, 7th, and 8th graders here at the High School. The cost is \$5.00. We will have support from Ms. James at the Elementary and STEM teachers here at the high school. Hot-dogs, chips, cookies and a drink will be served. The robotic team promotes science, technology, engineering and math to younger students for science inspiration to participate in robotic activities.

Students will be taking donations at a chance to win Kendra Scott jewelry

Students will sell tickets for \$1 or an arm's length for \$20. Winner of the drawing will win half of money raised. Gifted and Talented seniors will receive other half of money they individually raised.

Raffle of a set of Mical/Lynn Scrunchies

Sell cotton candy at basketball games

Students will have picture taken with Santa during the week of December 11-15. Pictures will be on display at the Winter Program for parents to purchase.

We will sell window clings and Pirate license plates that are left over from a previously approved fundraiser at all home basketball games.

Cookie dough orders

Each Student will get sponsors to pay that student for each point they shoot during a school wide archery shoot. 300 is the max score
