They will have several duties, which they will be expected to carry out all year, and they will often have to manage others in performance of their duties. **Officers will be expected to work towards improvement of the school by representing the student body and working cooperatively with the faculty and administration. Officers are also expected to maintain excellent conduct and academics, and to encourage the same from fellow students. They are official representatives of the school, and they will have to act with all the honor and respect due their office, both on and off campus.** Serving on the Student Council will ultimately provide a unique opportunity for growth and experience. The school requires the following signatures prior to launching a campaign. **Campaign requirements and recommendations:** During the campaign, do not give gifts, candies, etc. to your classmates.
