

## Gore Public Schools – APR ESSER II

### Plan Use of Funds

Gore Schools has been meeting to address the needs of the district to best utilize the APR ESSER III funds over the next three years. We are focusing on now and the future to provide the best plan for the districts academic, technology, facility and faculty success. The following is a list of how the district is planning for the future.

20% of funds to provide, sustain and improve:

- Summer school programs
- Before/after school
- Elementary counselor
- School based worker

Remaining balance of funds spent over three years:

- SPED testing services, equipment needs, staffing
- Professional Development opportunities
- Technology (classroom, teacher, administrative, student)
- Curriculum
- SEL programs, Mental health service, support and staff
- Family outreach and support services
- Facility repairs and improvements
- School safety and security
- Salaries and stipends for new and existing staff
- Route Buses to replace old, outdated, current inventory

- Districtwide supplies for cleaning, sanitizing, and training of staff
- Student enrichment, attendance tracking, support for virtual students and their families
- Construction and remodel facilities to Respond and Reduce exposure to COVID 19.
