

RULES FOR TORC - CPSE

ODAP and TORC GUIDELINES

Fields required for calculating Time In Regular Classroom (TIRC) in the State Reporting Information section includes:

OADP (Occurs During Another Program), Freq, Period, Duration, and TORC options:

No = This service does not occur during the time allocated for any other program.

Yes, Regular Education = This service occurs during the time allocated for a Regular Early Childhood program

Yes, Special Education = This service occurs during the time allocated for a Special Education program.

N/A = Not Applicable.*

TORC (Time Outside Regular Class) options:

Yes = This service is provided in a non-integrated setting.

No = This service is provided in an integrated setting.

N/A = Not Applicable.*

*Note: **Select N/A** for Occurs During Another Program and TORC only when an entry should not be included in the TIRC (Time In Regular Classroom) calculation (i.e. Coordinator of Services, Parent Counseling and Training, etc).
