PARENT/GUARDIAN REQUEST: ADMINISTRATION OF PRESCRIPTION, DAILY or OTC MEDICATIONS

This form is not for asthma or epinephrine medications.

I. Administration of Medication Policy and Regulations:

1. As per Green Brook Board of Education policy # 5330, for the administration of any medication in the school's requires a completed Parent/Guardian and Health Care Practitioner's Request for Administration of Student Medication form.
2. Requests will be effective for the current school year and must be renewed for each subsequent school year.
3. These medications can only be given by the school nurse, substitute school nurse, school physician, or the student's parent/guardian as per N.J.A.C. 6A: 16-2.3.
4. Self administration of medication: epinephrine auto-injectors or asthma rescue inhalers are the only self-administered medications that students may carry and self-administer. This is not the permission form for those medications.
5. Asthma, Diabetes and Anaphylaxis medications require a special medication form. (see GBTPS.org web-site.)
6. All medications must be transported to the Health Office by an adult and in their original pharmacy labeled container.
7. Any medications that remain in the Health Office after 2 weeks from the last day of the school year will be discarded.
8. If the duties of the school nurse (or substitute) require his/her presence at another location at the time the medication is needed, the ultimate responsibility for medication administration will remain with the parent/guardian.

There are two options for the administration of the OTC medications listed in the chart below:

- Have your child's **health care provider and you** complete this form's sections and return the form to the school.
- Give permission for school district's Medical Inspector, Dr. Frank to authorize the school nurses or substitute nurses to administer the medications listed below as per manufacture's recommendations.
