

NY Philharmonic Field Trip

Dear Parents/Guardians of Senior Band and Senior Orchestra Students,

We are taking a field trip to hear one of the world's best orchestras, The New York Philharmonic! This performance is specifically geared toward students, providing an interactive format that includes curriculum for the teachers in advance to prepare the students for the music they will be hearing. This enhances the performance format that includes interaction with the musicians and conductor. There are also live cameras that provide several up-close views of the orchestra while they are performing. This year's theme is *Music as an Agent for Change*.

This trip will be taking place on **Wednesday, March 18, 2020**. The students will be leaving during block 1 and will be returning before the end of the school day, as long as the New York traffic cooperates. **The cost of the trip is \$32**. Checks payable to "GBMS" will be accepted. Please fill out, sign, and return the bottom portion of the permission slip with the payment for the trip. Should you have any questions, please contact either Mr. Sorensen (vsorensen@gbtps.org) or Mr. Alzaher (walzaher@gbtps.org).

We look forward to a positive and wonderful experience!

Sincerely,
Mr. Sorensen & Mr. Alzaher
