

How to Audition for the Musical?

To audition for the musical, you **MUST ATTEND AT LEAST 1** prep session. Those auditioning for **leads** *should* attend **2** prep sessions if possible.

If you auditioned for *The Election* or *Frozen Jr.* and quit or were removed from the cast, you MAY NOT audition for this show.

Note: There WILL be cuts this year. Every student is NOT guaranteed a part. But don't let that discourage you from trying! There are LOTS of parts to go around and I'd like to get as many of you involved as possible!

At prep sessions, I will teach you a song from the show (that you'll audition with). In addition, I will answer any questions you may have about the show, auditions, callbacks, etc. Additionally, I will post practice tracks of the audition song on this site to be practiced at home.
