MISSION STATEMENT

The mission of the Harborfields Central School District is to provide an innovative and collaborative learning environment where all students are empowered to realize their unique potential while striving for academic excellence. We aim to prepare students for their future and to equip each child with the essential tools needed to become respectful, responsible, resilient, empathetic, self-assured adults. Harborfields is committed to developing life-long learners with the intellectual, social and emotional skills necessary to achieve success as active citizens within their local community and in an ever-changing diverse global society.
