

Board of Education

2014-2015 Goals

GOAL #1:

The Board of Education, in collaboration with the superintendent, will investigate components of Tax Freeze Legislation of 2014 to specifically address the development of an efficiency plan aligned with objectives specified in the legislation.

GOAL #2:

The Board of Education, in collaboration with the superintendent, will facilitate the work of two new Board of Education subcommittees, Capital Improvement and Educational Facility Planning.

GOAL #3:

The Board of Education, in collaboration with the superintendent and assistant superintendent for business, will investigate health care insurance providers to reduce health care insurance costs.

GOAL #4:

The superintendent, in collaboration with district and building administrators, will identify strategies to enhance school-to-home/community communication in order to continue to foster a welcoming and supportive environment in our schools.
