Dear Harborfields School-Community:

At this point in the school year, the formulation of the 2014-2015 Budget will be addressed at monthly Board of Education meetings beginning with the January 15, 2014 meeting to be held at Harborfields High School, as depicted in the attached timeline. The monthly budget presentations will be posted to the district's website, harborfieldscsd.net, following each meeting. Additionally, this year several new meetings were added to the calendar titled, 'Conversations with the Superintendent'.

The tradition of excellence continues to remain the foundation of the success of Harborfields' students and staff. Within the past several years, Harborfields High School was ranked one of the best schools in the nation and identified as an Advanced Placement Honor School by the College Board. Additionally, Oldfield Middle School was named a National Blue Ribbon School of Excellence by the United States Department of Education.

We appreciate your commitment and support of our students and district, which has resulted in outstanding and notable accomplishments. As we begin the 2014-2015 budget process, we look forward to your input and seeing you at upcoming Board and Budget meetings.

I wish you and your families a wonderful holiday and bright New Year!

Thank you.

Sincerely,

Diana Todaro
