Dear Harborfields School Community:

The New York State Education Department's Office of Special Education has initiated a Special Education Programs and Services Focused Review in the Harborfields Central School District during the 2016-2017 school year. The purpose of this review is to assess the district's compliance with selected federal and State laws and regulations governing the education of students with disabilities. This is a standard review process that all school districts in New York State participate in on a rotational basis.

The review will be conducted by the Special Education Quality Assurance (SEQA) Regional Office. This process will involve a review of school records of a representative sample of students with disabilities, classroom visitations, and surveys. In addition, meetings of the committee on special education will be observed.

Further information may be obtained by contacting the Interim Director of Pupil Personnel Services, Ms. Victoria Melone at 631-754-5320 ext. 416.

Thank you.

Sincerely,

Dr. Francesco Ianni
Superintendent of Schools
