March 31, 2017

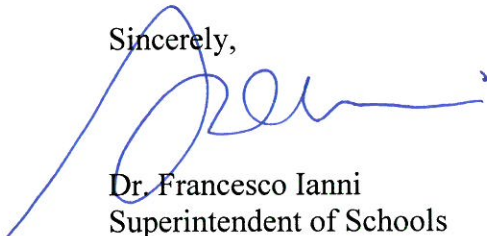

Dear Parents and Guardians:

The administration of 3–8 ELA assessments commenced on Tuesday, March 28th and concluded on Thursday, March 30th. In this regard, I would like to inform you as to the number of test refusals. As of today, approximately 34% of 3–8 students have refused the ELA assessment, which results in a participation percentage rate of 66%. It has been our mission to provide our students with a world class education and we recognize that State assessments are just one of several indicators of student performance.

As always, we will continue to provide our students with the best possible instruction in order to prepare them to become the most successful citizens of the 21st century.

Thank you.

Sincerely,

Dr. Francesco Ianni
Superintendent of Schools
