Dr. Francesco Ianni
Superintendent of Schools

June 24, 2017

Dear Harborfields Community Members:

It is my hope that this letter finds you and your family well. It feels like yesterday that I was writing to you to introduce myself. Six months have passed since I assumed the role of Superintendent and it is important for us to take a moment and reflect on all our students' accomplishments and the fantastic work that our teachers, faculty, and staff have done to bring so much success to our district.

Our vision has been crystal clear since the beginning: we want to provide "Success for our HF Family" by "Giving our students a world-class education one child at a time".

Looking back at the 2016–2017 school year, it is impossible not to feel a sense of pride in knowing that Harborfields just graduated a tremendously accomplished class and students in every building and at every grade level have made significant academic and social progress. Our seniors will be moving on to some of the finest and most prestigious institutions in the country, many with scholarships in hand. We are so proud of all of their accomplishments.

The work our teachers, teaching assistants, custodians, nurses, monitors, and support staff do for their students daily, in and out of the classroom, is simply remarkable. Our administrators are genuine leaders who always find the most innovative ways to help all students flourish.

Alone, all this success would not be possible. It is also essential for us to recognize the importance of our partnership with our community. It is only together that we will be able to provide our students with the most effective support.

We have an amazing school district and I am so proud to be part of the HF Family. I know that the best has yet to come. I wish you all an enjoyable and peaceful summer and extend my heartfelt congratulations to the members of the Class of 2017!

Sincerely,

Dr. Francesco Ianni
Superintendent of Schools

Success for our HF Family
Giving our students a world-class education one child at a time
