Harborfields Community,

This notice is to inform you that on January 4, 2024, the District was notified that New York Therapy Placement Services (NYTPS), which provides third-party services to the District, experienced a recent cybersecurity incident in which some of our students' information was potentially breached. New York Therapy Placement Services informed us that a NYTPS individual's email containing potentially protected student information, was subject to unauthorized access between November 28, 2023, and November 29, 2023, and may have included names, addresses, phone numbers, parent(s) names, and dates of birth of Harborfields students. A certified letter was sent on January 5, 2024, to the families whose child may have been affected by the New York Therapy Placement Services cybersecurity breach. The District has been working with New York Therapy Placement Services and the New York State Department Privacy Office regarding the breach.

Student privacy is of the utmost importance to the Harborfields Central School District. If you would like additional information, please contact NYTPS Chief Officer and Chief Compliance Officer, John Johnson at 631-215-3608 or the District Technology Office by email at karpenskem@harborfieldscsd.org.

Sincerely,

Dr. Rory Manning
