

Harborfields HIGHLIGHTS

Learning in ACTION

Three Washington Drive students were named Triple "C" Award winners by the State of New York Attorney General. This award is presented to students who convey character, courage and commitment on a daily basis – something they learn to emulate in the classroom every day.

Students who are a part of Thomas J. Lahey's LEAP Program got to put their book knowledge to the test with the Battle of the Books during the months of May and June. Battle of the Books is a nationwide reading incentive program for students, and TJL students who read at least eight to 12 books (depending on grade level) qualified to participate in the fierce competition!

OMS students gave back to the community by giving up portions of their homeroom and recess periods to create fleece blankets during the month of May to donate to Project Linus – an organization that gives homemade blankets to children in need. Students assembled more than 50 blankets!

A NEW BEGINNING

for Harborfields Class of 2018

The Harborfields High School Class of 2018 did not let a little rain put a damper on the joyous occasion that June 23 held — commencement. Graduates, proudly dressed in green and white caps and gowns, entered the high school gymnasium to "Pomp and Circumstance" performed by the high school band as loved ones beamed and waved. Senior members of the high school choir performed a gorgeous rendition of "The Star-Spangled Banner" and the Harborfields Alma Mater at the start of the ceremony.

Superintendent of Schools Dr. Francesco Ianni approached the podium with words of encouragement and life lessons for the sea of students that made up the Class of 2018. He spoke to the graduates about the importance of using time wisely and always acting with integrity – regardless of who's watching.

"Have character and determination in everything that you do," he urged them, "and it will open doors for you that you never imagined."

Salutatorian Sarah Katz also addressed her fellow graduates, calling the Class of 2018 a family, and

with reverence nodded to the greatness within each and every one of them. "Sitting within this crowd of students are great minds, leaders, soldiers, musicians, doctors, writers, dreamers and people who I believe can change the world," she said, "or at least light the spark that does."

In her valedictory address, Emma Johnston focused on the intricate web of lives that makes up the Harborfields family and fondly recounted how moving to the district changed her life in many ways. "I learned that Harborfields is truly a magical place – a place of support and mass synergy, a place where those from every walk of life can come together as a community to bring out the best in each other," she said.

Class President Christopher Burney spoke about his time in the district and wished his fellow graduates the best while encouraging them to take advantage of every opportunity that comes their way. Featured speaker Casey Sturm, a Harborfields High School English teacher, addressed the graduates, speaking about when he was in their shoes as a HHS student, and commended them for making it to the finish line. "I can't wait to see how you change the world," he said.

Principal Timothy Russo congratulated the graduates while offering words of advice as they embark on the next chapter of their lives. "Don't sit back and not take advantage of every opportunity because you are afraid of failure,"

A Message from the Superintendent of Schools

Dear Harborfields Community,

While we are already halfway through the summer months, I would again like to take this opportunity to thank the community for a successful 2017-18 school year. As I said in a letter posted to the district's website earlier this summer, our students are constantly raising the bar on our level of expectations. This is in part due to the unwavering dedication and support of their parents and our teaching staff, as well as the continued support of the greater community.

As we look ahead to the start of the 2018-19 academic year, we will continue the implementation of the district's 2.0 technology plan, as well as introduce a new K-12 coding initiative and an updated literacy curriculum. Furthermore, the high school science research program will be enhanced. These are just a few of the new resources that are on the horizon for our students.

If you visited our schools within the last few months of the year, you most certainly noticed an increase in security. In addition to hiring more security guards, visitors to our schools are now asked to present valid identification prior to being buzzed into the building. We are also in the process of installing a visitor management system that will be operational for the start of school in September.

As we continue to discuss additional ways to enhance security, I thank those residents who have taken the time to offer their input. As I have said before, the long-term security plan cannot only be defined by "more guards and gates." It must be a plan that encompasses mental health supports for our students – and I'm proud to say that for the new school year, the district's mental health support services will be enhanced. In order for our district to continue its tradition of excellence, we must educate, emphasize relationships, and be proactive and relentless in searching for what's best for our students. I appreciate and am grateful for the community's support of this sentiment.

I hope you enjoy the remainder of your summer and look forward to seeing you for what promises to be another successful school year ahead.

Sincerely,
Dr. Francesco Ianni
Superintendent of Schools

he said. "Embrace the opportunity and enjoy the moment." Russo also presented each graduate with an evergreen tree, symbolizing the foundation and roots of their support system. "Let this be a reminder to you of HF and what you've meant to us," he said.

Before the presentation of diplomas, Russo took a special moment to honor Maggie Schmidt. Maggie, a member of the Class of 2018 who touched the lives of every person she met, passed away in

June 2017 after her courageous battle with cancer. Her family was present to accept her diploma on her behalf.

Following Russo's heartfelt speech, the Board of Education presented each graduate with their diploma. After moving their tassels from right to left to commemorate their completion of high school, the graduates tossed their caps high in unison, officially marking their first moment as Harborfields High School alumni.

"Have character and determination in everything that you do and it will open doors for you that you never imagined."

-Superintendent of Schools Dr. Francesco Ianni

NEW ADMINISTRATORS JOIN THE DISTRICT

The district is pleased to announce four new administrators joining our district!

Ms. Allison Joyce, Harborfields High School Assistant Principal

Ms. Joyce joins the Harborfields district after over seven years of serving the Commack School District, where she was an accomplished secondary social studies teacher. Her role became effective on July 1.

Ms. Maureen Raynor, Executive Director for Human Resources and Instructional Services

Ms. Raynor returns to Harborfields after serving as a high school assistant principal in the Kings Park School District from 2016-2018. Prior to this, she was part of the Harborfields community as a math teacher from 2007-2016. During that time, she also served as a teacher on special assignment in the District Office. Her role became effective July 16.

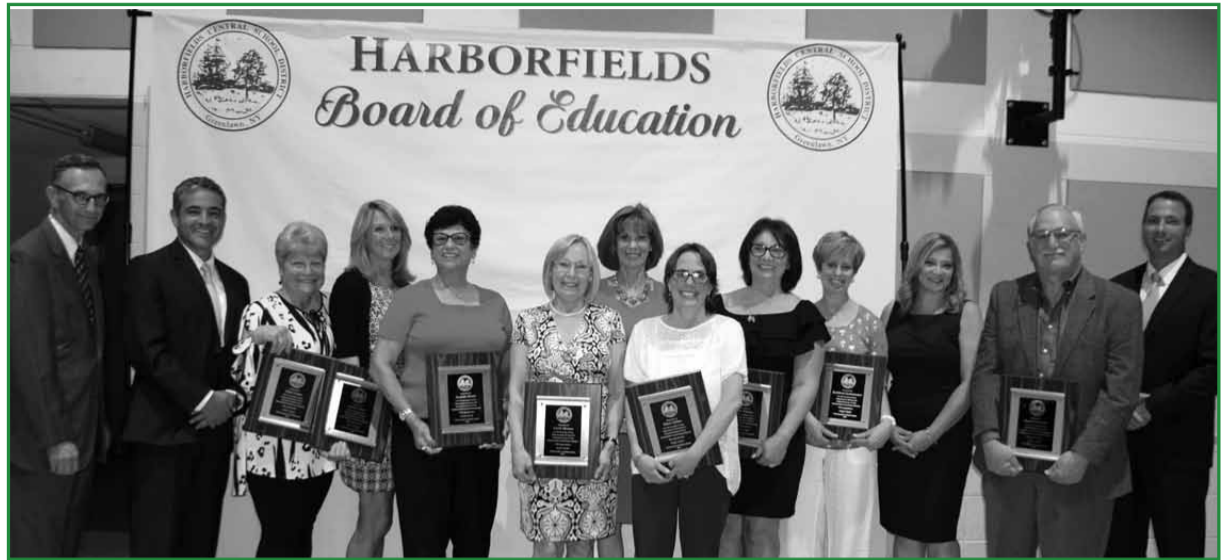

Ms. Rose Scammell, Special Education Chairperson

Ms. Scammell has served as the clinical administrator with ACLD-Children's Services for the past 13 years and has gained the invaluable experience needed to make her the perfect candidate for the position of special education chairperson. In addition, she served as a speech therapist and speech evaluator for ACLD. Her new role came into effect on July 1.

Ms. Robyn Tsiokos, Assistant Director for Pupil Personnel Services

Ms. Tsiokos comes to Harborfields after serving as a special education administrator in the Rocky Point School District. In addition to her experience there, she had extensive experience as a special education teacher in the Herricks School District. Her role became effective February 2018.

We look forward to the 2018-19 school year and beyond with these exceptional administrators as part of the Harborfields community!

BOE WELCOMES NEW MEMBERS

During the July 10 Board of Education reorganization meeting, Steve Engelmann and Joseph C. Savaglio were sworn in as new Board trustees. In addition, David Steinberg was re-elected to serve as president and Christopher Kelly was elected to take on the role of vice president for the new school year!

DISTRICT HONORS RETIREES

During the last Board of Education meeting of the 2017-18 school year, retiring members of the school community were recognized for their hard work and dedication to excellence throughout their years of service to the Harborfields Central School District.

Superintendent of Schools Dr. Francesco Ianni commended all of the retirees for dedicating themselves to the district. "This night marks the beginning of a new chapter, but we also want to recognize the passionate work you've put into our school system every step of the way, and we want *you* to recognize the true importance of all you've contributed," he said.

Principals and central administrators congratulated the retirees individually, recalling special moments throughout their careers, and commending them for all of their hard work.

The retirees are as follows: Carol Abrams, Oldfield Middle; Valerie Brosnan, District Office; Janice Cammer, Oldfield Middle; Susan

Curasi, Oldfield Middle; Ellen Gillies, District Office; Stuart Horowitz, Harborfields High School and Oldfield Middle; Ilene Kalmar, Washington Drive; Paul Keys, Harborfields High School; Dale Lerner, District Office; Aspasia Mally, Harborfields High School; Judith Russell, Harborfields High School; Kathleen Santomauro, Washington Drive; and Richard Stanfield, Washington Drive.

Each retiree was presented with a plaque as a token of gratitude for their years of service.

BOND PROJECT UPDATE

Over the summer months, the final phase of projects included in the capital improvement bond referendum are being completed. At the high school, improvements include renovations to the auditorium, orchestra room and a bathroom, in addition to field work. At Oldfield Middle School, the family and consumer sciences rooms are being refurbished, and a number of electrical upgrades are being made to the sewing room. The locker rooms at the middle school are also in the process of being renovated. At Thomas J. Lahey Elementary School, bathroom renovations are taking place over the summer months and a multisensory learning lab is being installed.

The district thanks the community once again for its support and patience during the renovations. We anticipate that all projects will be completed by the start of the 2018-19 academic year and look forward to students enjoying the newly renovated areas!
