The Official News Source of Harborfields Central School District

The Class of 2017

Anticipation and excitement filled the high school gymnasium as the Harborfields High School seniors each received their diploma on June 24. The celebration, which traditionally takes place outdoors, took place inside due to inclement weather but did not dampen the spirits of the proud graduates.

Family members, friends, staff, board members and administrators gathered for the momentous occasion which marked the end of an era for retiring Board President Nicholas Giuliano and a first for Harborfields High School Principal Timothy Russo and Superintendent of Schools Dr. Francesco Ianni.

The graduates made their entrance to "Pomp and Circumstance," performed by the high school band. The ceremony kicked off with the Pledge of Allegiance, a performance of "The Star-Spangled Banner" from the senior members of the high school choir and the Alma Mater.

Mr. Russo welcomed those in attendance and Dr. Ianni addressed the graduates. During his speech, he gave special recognition to Mr. Giuliano for his commitment to the Board of Education for the past 15 years.

"Mr. Giuliano, this is your class," he said. "The students that you see in front of you were in Washington Drive Primary School when you started and they were the direct recipients of the many decisions that you and the board made during your time at Harborfields. What you have in front of you is one of the best graduating classes that Harborfields has to offer."

Mr. Russo also commended him for his

consistent direction and support in the district. He proudly presented him with the first diploma of the

Salutatorian Ishaan Lohia addressed his fellow graduates and offered a humorous speech about his high school experience and what he learned over the years, while class president Sean Tully wished his classmates the best of luck in their future endeavors.

In addition, valedictorian Casandra Moisanu spoke to the Class of 2017, reflecting on their high school years, their outlook for the future and the strong connections made within the graduating

"I want everyone to remember that no matter where we end up, we are still an HF Family," she said."I know we would all like to see each other succeed and I trust that we will be there for each other in the future."

Voted on by the graduates; featured speaker and social studies teacher Daniel Greening offered his best wishes, while Mr. Russo shared praises and encouragement and gifted each of them with an evergreen tree to help them remember their roots.

One by one, board members presented diplomas to each graduate as their name was proudly announced and Mr. Russo shook their hands in congratulations. At the conclusion of the ceremony, green and white caps filled the air in unison as the high school band played the graduates out into the next chapter of their lives.

Congratulations to the Class of 2017!

# A Message from Superintendent of Schools

Dear Harborfields Residents,

I hope you are all enjoying your summer thus far. The 2016-17 school year concluded with many proud moments as we celebrated our students' successes and next steps. Congratulations to the Class of 2017 graduates, who accepted their diplomas on June 24 and ventured into new beginnings – we wish them luck as they pursue their future goals.

While most schedules slow down for summer, a great deal of behind-the-scenes work has been underway in order to complete capital projects included in the district's bond. We have been making efficient use of these quiet months as opportunities to carry out facilities improvements in each of the buildings.

Our administration and faculty members are working hard to prepare for the start of the 2017-18 school year and look forward to introducing and enhancing academic initiatives that support aspects of STEM learning. These initiatives include an expansion of the high school's science research class, in addition to a new computer coding class for sixth-grade students, as well as a continued roll-out of other districtwide technology opportunities.

We are excited about the positive changes you and your children will see when our doors reopen in September and the benefits they will bring to our programs. Thank you for your interest and involvement in our district. May the remainder of your summer bring happiness and enthusiasm for the bright school year ahead.

Sincerely,

Dr. Francesco Ianni Superintendent of Schools

# District News & Notes

# New Administrators Join the District

# SUSAN KENNY, THOMAS J. LAHEY ELEMENTARY SCHOOL PRINCIPAL

Susan Kenny received a warm welcome from the community on May 9, when she was officially appointed as the new principal of Thomas J. Lahey Elementary School during the district's Board of Education meeting.

Effective on July 1, Mrs. Kenny took over the role for Marguerite Greene who retired at the end of the 2016-17 school year after seven years of outstanding service in the district. Mrs. Kenny is an experienced administrator who served as an elementary assistant principal in the Garden City, Roslyn and Eastport-South Manor school districts and was a reading teacher in the West Babylon School District.

"Throughout the extensive interview process, it was clear that Mrs. Kenny's leadership skills combined with her strong background in literacy and passion for learning, fit well with our mission of providing our students with a world-class education, one child at a time," said Superintendent of Schools Dr. Francesco Ianni.

We are confident that Mrs. Kenny will be an asset to our school community and we look forward to what is ahead under her guidance.

# THERESA MCGUIRE, DIRECTOR OF PUPIL PERSONNEL SERVICES

After an extensive search for a Director of Pupil Personnel Services, the Board of Education proudly appointed Theresa McGuire during the April 19 Board of Education meeting. While the district has been fortunate to have Victoria Melone serve in this role on an interim basis over the past year, this position will now provide stable, long-term leadership in this department under Ms. McGuire.

As an experienced administrator, Ms. McGuire has served as the director of special education in the Patchogue-Medford and Eastport-South Manor school districts and was an assistant director of student support services with the South Country School District.

Ms. McGuire started her new role in the district on July 1. We know her professional and personal accomplishments will serve the district well and look forward to a successful 2017-18 school year under her leadership.

# **DISTRICT HONORS RETIREES**

Prior to its regular business meeting on June 14, board members, staff, administrators and their families were invited to a special retiree reception where 16 faculty members and administrators were recognized for their exceptional years of service in the Harborfields Central School District

Superintendent of Schools Dr. Francesco Ianni opened the ceremony and praised the retirees for their hard work and dedication. In addition, he thanked his assistant Valerie Brosnan, for coordinating the event and making it a memorable evening for all.

The proud retirees included Thomas J. Lahey Elementary School Principal Marguerite Greene and staff members Gregory Adams, Donna Basile, Maria D'Amore, Patricia DeMarinis, Linda Espey, Claire Flynn, Phyllis Hoar, Sharon Kiefaber, Ellen Macrae, Nicholas Maravell, Dale Melchior, Loretta Motz, Bonnie Robertson, Kimberly Shineman and Rita Vita. Each were thanked by their school principal and personal stories were shared on how they played a significant role in the district.

To commemorate their years of service to the Harborfields school community, the retirees were presented with a plaque from Dr. Ianni.

# The Board of Education Welcomes NEW TRUS

During the July 11 Board of Education reorganization meeting, Christopher Kelly was sworn in as the newest trustee to the Board. In addition, David Steinberg took the oath of office for his three-year term and was unanimously elected to serve as president; and Suzie Lustig was elected unanimously by her fellow Board members to take on the role of vice president for the new school year.

# ShiningStudents

# STEPPING INTO FIRST PLACE WITH INNOVATIVE IDEA

Oldfield Middle School eighth-grader Danielle Barber earned first place and a grand prize of \$100 in the Master of Invention category of the 2017 Long Island Family and Consumer Sciences Challenge for her innovative Footsy Faces prototype. Her product, a line of face stickers that are placed in shoes to help children know the difference between the right and left foot, came about when Danielle assisted with swim classes at the local YMCA. She created a three-minute video as part of her submission for the contest which showcased her invention and featured her young cousin. She wanted to show a child actually using her product to demonstrate how it works. Danielle follows in her older sister Alissa's footsteps, who won the Master of Invention Award three years ago.

# **OFF TO ITALY**

Harborfields High School senior Matthew Katz received the Anthony Calia Foundation Scholarship at the Association of Italian American Educators 20th Anniversary Gala. The full scholarship will allow Matthew to study Italian language and culture in Pisa, Italy this summer. The enriching program titled

Programma Ponte, enables qualified Italian American students to take part in an intensive summer program of study designed to give them firsthand experience with Italy through coursework, visits to important Italian and European institutions and direct contact with the Italian citizens.

# **SAFETY FIRST**

Washington Drive Primary School first-grader Max Orza was honored by Legislator William R. Spencer, M.D. as the first place winner of the annual "Be Pool Smart" poster contest in the 18th Legislative District. The contest encourages pool safety by giving elementary school students the opportunity to create a poster showcasing how to stay safe when near the water. Max, who has a pool at his own home, created the poster with the words, "Be Pool Smart" and "Always Swim with a Buddy," in large letters. He also drew arrows, signs and illustrations to stress how to stay safe.

# HARBORFIELDS THEATRE COMPANY HONORED

The Harborfields High School Theatre Company received four outstanding awards at the 7th annual Hunting-Tony Awards, held at the John W. Engeman Theater. The Best Supporting Actress in a Musical award was presented to Nikki Balducci for her performance in "Guys and Dolls," while the Best Actor in a Play award was presented to Finn MacDevitt for his role in "Rumors." The high school also took home the award for Best Scenery in a Musical and the Best Musical award for their "Guys and Dolls" production.

# NEWS Around the Schools

# KINDERGARTNERS RECEIVE A

# Slice of Knowledge

Washington Drive Primary School students invited Superintendent of Schools Dr. Francesco lanni into their classroom to contribute to their "How-To" lesson. Kindergartners in Melissa Moccaldi's and Maria Semertzides' class and in Cari Sacks' and Melissa Ortiz's class worked on "How-To" stories in their Writing Workshops. As a culminating activity to their writing unit, the students wanted to learn how to make pizza and Dr. lanni did the honors.

Originally from Italy, Dr. Ianni worked in a pizzeria for several years when he first arrived in the U.S. During the lesson, he taught the students how to make pizza, while they followed along and created their own out of Play-Doh.

# Orchestra Program Soars

# at Thomas J. Lahey Elementary School

The third-grade string program was added back to Thomas J. Lahey Elementary School this year and proved to be successful under the direction of teachers Cathy Ferraro and Courtney Kassinger.

Fifth-grade orchestra members were assigned as mentors at the concert rehearsals, helping the third-graders get acclimated to the rehearsal routine, and playing along to model proper orchestra rehearsal behavior and technique.

In addition, third-graders, along with fourth-grade orchestra members, had the opportunity to attend "open rehearsals," where they could sit in on a fifth-grade orchestra rehearsal. Mrs. Ferraro asked them questions during the rehearsal to keep them engaged. She encouraged them to listen for and notice the differences between the

fifth-grade orchestra concert music and techniques, and that of their own. The students enjoyed taking part in the open rehearsal as it served as a great motivator for them to continue with their musical progress.

# Oldfield Middle School Gibes Back

In an effort to promote service learning, Oldfield Middle School students collected 1,700 food items to donate to the Harborfields Alliance for Community Outreach Food Pantry. The two classes that collected the most items had the opportunity to witness a Pay-It-Forward domino run in the school's library.

The three students who collected the most food cut the ribbon before the launch took place. Sixth-graders Ashton Sylvia, Nahrahel Louis and Ashley Vander Noot did the honors. Each domino represented an item that was donated throughout the month of April. Due to the hard work of the school's library staff, an elaborate marble rollercoaster was set up throughout the library. At the launch, the marble was released and the students watched as it traveled through different obstacles, knocking down the dominos and making its way to the finish line.

# Harborfields High School NAMED REWARD SCHOOL

Harborfields High School earned the title of a New York State Reward School for the 2017-18 school year by the New York State Education Department. The school was among 185 high schools from throughout the State who earned the prestigious recognition for demonstrating either high academic achievement or the most progress with minimal gaps in student achievement between certain populations of students.

Principal Timothy Russo was presented with a certificate in honor of the high school at the district's Board of Education meeting in June.

# ENHANCING OPPORTUNITIES

**Students & Community** 

HARBORFIELDS CENTRAL SCHOOL DISTRICT

# BOND PROJECT UPDATE

Throughout the summer, the district will complete Phase II of the Bond projects as they have received approval from the New York State Education Department and bids have been awarded.

At Thomas J. Lahey Elementary School, the multipurpose room will undergo renovations. This will include a refinish of the space, and replacement of the curtain and the risers. Oldfield Middle School will take on the renovations of five science classrooms and the main lobby bathrooms. Also,

the gymnasium's floor will be refinished and new bleachers will be installed.

The bulk of Phase II will focus on Harborfields High School where a number of projects will take place, including renovating three science classrooms and creating a multimedia production computer lab and studio, a wellness center, a wrestling room and an athletic storage building. Just like the middle school, the high school will have proper work done on the gymnasium, which includes renovating the floor and installing new bleachers.

# Valedictorian: Casandra Moisanu

College Attending: Cornell University

**Field of Study:** Environmental Science

Academic Awards & Honors: Outstanding Achievement in AP Physics, Outstanding Senior Science Student Award, Outstanding Achievement in AP Calculus, Outstanding Achievement in College Spanish, Top Scorer in the New York Mathematics League, AP Scholar With Distinction, Outstanding Achievement in Spanish 4 Honors, Outstanding Achievement in AP Environmental Science, Outstanding Achievement in AP World History, Outstanding Achievement in Algebra II/Trigonometry Honors, Outstanding Achievement in Spanish 2, Fine Art Award, Bausch and Lomb Honorary Science Award, National Honor Society Webstorian, National Spanish Honor Society
