

## Learning in ACTION

Lily Finn, a student at Washington Drive Primary School, was recently announced as the ADL New York/New Jersey Cynthia Marks Student Legacy Award winner. This award recognizes a student who has exhibited extraordinary leadership in the effort to make their school No Place for Hate.

Students at Thomas J. Leahy Elementary School raised over \$1,700 for Ollie's Angels Animal Rescue. The fundraiser was coordinated by student council advisors Stacy Kalish and Augustino Rettino and 18 fifth grade student government members. Ollie's Angels was started by a Harborfields resident six years ago and is a foster-based nonprofit dedicated to saving the lives of dogs across the country.

Students at Oldfield Middle School celebrated Military Appreciation Month by drawing words and pictures of gratitude with chalk on the school's sidewalks. The Military Chalk-Talk was organized by sixth grade co-advisors Taylor Soete and Jennifer Klein and involved all of the school's sixth grade classes.

## Harborfields Class of 2021 Looks Forward to Their Future

The Harborfields High School Class of 2021 was celebrated by family, friends, community members, faculty, staff, and administrators at the school's graduation ceremony on June 26<sup>th</sup>. As the graduates processed onto the field in classic Harborfields green and white, joined by Principal, Timothy Russo, Superintendent of Schools, Dr. Rory Manning, and members of the Board of Education, the crowd cheered enthusiastically.

To start off the ceremony, senior members of the high school choir performed "The Star-Spangled Banner" and the Harborfields alma mater. Then, Dr. Manning took the podium to kick off the speech portion of the ceremony. He welcomed attendees and congratulated the Class of 2021 and their families on making it to this point of celebration.

"Much in the same way your family has cared for you, we have also," Dr. Manning said. "The staff of Harborfields has been your second family for the last 13 years and we selfishly don't want you to go, and why would we? You proved to the world that you were capable of the unimaginable, and despite countless odds against you, you thrived."

Valedictorian, Evan Ackerman also commented on the high caliber of the Class of 2021 and reflected on what he and his classmates fought through together during the 2020-21 school year.

"To the class of 2021, our high school experience has been crazy to say the least," Evan said. "In all seriousness, our class has faced unprecedented times, and not only did we survive, but we excelled."

Salutatorian, Kaitlyn Waring addressed her fellow graduates and expressed that it had been an honor to grow together through an unprecedented school year. She cited Abraham Lincoln to express her sentiment.

"As Abraham Lincoln once said, 'The best way to predict the future is to create it,'" she said. "So,

go, remember what you have learned here at Harborfields, and use those lessons to create the future you want to be a part of."

Class President Melina Sandel addressed her fellow graduates with a humorous and upbeat speech. She spoke about her cherished memories of her time at Harborfields High School and how their final year was a challenge they all successfully faced together. Featured speaker Robert Franco, chosen specifically by the senior

# A Message from the Superintendent of Schools

Dear Harborfields Community,

The summer months provide an opportunity for reflection as we prepare for the coming school year. Key to our success this past year as One Harborfields Family was our commitment to Each Child. This vision does not end with the pandemic, but it will propel us forward as we seek new and innovative ways to support our students and our staff.

Despite the challenges, we witnessed our students carrying out their promise to the community to always make us proud. Our students flourished as evidenced in local and regional recognition they received across all areas, including academics, athletics, and volunteerism. Perhaps the most underrated achievements of our students and staff were the little things they had to do each day to learn and grow. I want to acknowledge our staff for their daily efforts to provide a safe, supportive, and productive learning environment. Each of them, no matter their role, made every adjustment necessary to ensure a welcoming school environment that provided every opportunity for student success. I am eternally grateful to belong to our outstanding learning organization.

The unwavering support of our community has certainly propelled us forward this year. Our parents and guardians are to be commended for their commitment to their children and their support for our schools. The strong home-school partnership that exists in our community has allowed us to accomplish what was previously unimaginable. We can remain confident that this same determination to succeed against all odds will elevate the standard of excellence that we have come to expect in the Harborfields Central School District to new levels.

If you have visited the schools within the past few weeks, you will notice many security and facilities enhancements underway as we continue the work approved by residents in the most recent bond referendum. This work will complement our academic programs to provide rich opportunities for our students in the future. We continue to encourage residents to visit our website for the most up-to-date information on our schools and programs.

I hope you enjoy the rest of your summer, and I look forward to seeing you at all of our school events during the 2021-2022 school year.

Sincerely,  
Rory J. Manning, Ed. D.  
Superintendent of Schools

class, expressed how honored he was to speak at graduation. He also relayed some of his own experiences to the students, stressing how life can take many different paths.

“Life is a journey, and each one of my experiences has helped mold me and contributed to who I am,” he said. “Everything we do on a daily basis shapes our path, and the little things we might take for granted help mold us into who we are.”

Principal Timothy Russo then initiated a very special tribute to Gabby Cava, a beloved member of the Class of 2021 who passed away in January 2020 from cancer. Gabby’s family was in attendance to accept the first diploma from Mr. Russo.

Before continuing the presentation of diplomas to the graduates, Mr. Russo took some time to commend the Class of 2021 for their perseverance and ability to succeed in the face of huge challenges.

“You are an incredible group who will be missed by many as you go on to achieve whatever greatness is coming your way,” he said. “Your enthusiasm, kindness and respect for Harborfields has led us through a challenging year, and I thank you for being the young men and women you are.”

Each graduate then received their diploma from a member of the Board of Education. After moving their tassels from the right to left, graduates tossed their caps into the air, officially marking them as Harborfields High School alumni.
