Preface

The Hartselle City Board of Education is established under authority of state law for the purpose of exercising general supervision and administration of the public schools serving school age children who reside within the city limits of Hartselle, Alabama, and of promoting the interests of the Hartselle City Schools and the children they serve. Those responsibilities are met, in part, by the adoption and implementation of formal policies by which the principles that guide decisionmaking are established.

Policies are generally broad statements of principle and purpose, and are intended to serve as a framework for decisionmaking and administrative action rather than as a manual for day-to-day decisionmaking and action. Policies can nevertheless establish specific substantive standards and requirements, including standards of personal and professional conduct, the violation of which may result in disciplinary sanctions or other adverse consequences. However, policies do not restrict the ability of the Board or its employees to respond reasonably and flexibly to unexpected contingencies, emergencies, and other conditions that call for a response that is tailored to unique or special circumstances.

Policies should be construed as a whole and with reference to related policies and applicable law. Although policies are adopted partly for the purpose of meeting the requirements of pertinent law, they do not establish or create a legal right, claim, entitlement, or interest to or in any title, position, assignment, duty, work location, level or rate of compensation, benefit, or term of employment.

Any provision, feature, or aspect of Board policy that does not conform to governing law should be deemed void and superseded by such law. Editorial changes that do not affect the meaning, substance, or application of a policy may be made by the Board without advance public notice and comment. In general, the Board reserves the right to adopt, revise, interpret, amend, repeal, suspend, or apply policies according to its assessment of the needs and interests of the school system, subject only to such limitations on the exercise of such prerogatives as may be imposed by law.

- d. Assigned fund balances consist of amounts that are intended to be used by the school system for specific purposes. The Board authorizes the Superintendent or Chief School Finance Officer to make a determination of the assigned amounts of fund balance. Such assignments may not exceed the available (spendable, unrestricted, uncommitted) fund balance in any particular fund. Assigned fund balances require the same level of authority to remove the constraint.

Such membership lists will be corrected, updated, and returned to the organization no later than November 10 of each school year. Deductions will be based on the membership lists unless an employee revokes authorization for such deductions by providing written notice to the Board on or before September 15th of each school year. Upon termination of employment, any amounts owed under the terms of an employee authorization will be deducted from the employee's final pay. The Board will not be liable for any good faith error made in implementing a salary deduction that has been authorized by the employee.

3.21 *Uniform Guidance for Federal Programs - OMB Part 200*

3.21.1 Cash Management for Federal Funds –The Board will minimize the time between the receipt of federal funds from the United States Treasury, the Alabama Department of Education, or other pass-through entity, and the disbursement of those federal funds. Federal funds will only be requested to meet immediate cash needs for reimbursement not covered by prior receipts and anticipated disbursements that are generally fixed, such as monthly program salaries and benefits. Disbursements will be made within twenty business days after receipt of funds.

The Chief School Financial Officer will maintain financial records that account for the receipt, obligation, and expenditure of each federal program fund. Cash balances for each federal program fund and for the aggregate of all federal program funds will be monitored by the Chief School Financial Officer or designee.

Board procedures to minimize the cash balances in federal program funds are expected to prevent the aggregate cash balances of federal program funds from earning \$500 or more for the fiscal year if maintained in interest-bearing accounts. The federal program funds, with the exception of Child Nutrition Program funds, will not be maintained in an interest-bearing bank account if the Chief Financial Officer determines that banking requirements for minimum or average balances are so high that an interest-bearing account would not be feasible. Federal program funds will be maintained in insured checking accounts that are subject to the state requirements for public deposits under the SAFE program.

3.21.2 Determination of Allowable Costs –

- a. Before instituting a financial transaction that will require the expenditure of federal funds the federal program director and the Chief School Financial Officer or designee will determine that the proposed transaction meets the requirements for allowable costs for the federal program. Actions to determine allowable costs will assure that:
 1. The proposed expenditure is included in the federal program budget;
 2. The proposed expenditure is reasonable and necessary for the federal program;
 3. The proposed expenditure is consistent with procedures for financial transactions of the board including:

- A. Purchase order approval procedures;
- B. Contract review and approval procedures;
- C. Applicable competitive purchasing procedures; and
- D. Documentation supports allowability of transaction.

b. Before payments are made from federal funds the federal program director and the Chief School Financial Officer or designee will determine that the federal program expenditure complies with generally accepted accounting principles and complies with state, local, and federal laws, rules and regulations.

3.21.3 Travel Policy – Travel costs are the expenses for transportation, lodging, subsistence, and related items incurred by board employee who are in travel status on official business of the board. The board’s travel policy provides for reimbursement and payments for travel costs of employees paid from federal funds that is consistent with the travel costs for board employees paid from state or local funds.

3.21.4 Conflict of Interest Policy – Generally, a conflict of interest exists when a board member, board employee, or agent of the board participates in a matter that is likely to have a direct effect on his or her personal and financial interests. A financial interest may include, but not limited to, stock ownership, partnership, trustee relationship, employment, potential employment, or a business relationship with an applicant, vendor, or entity. A board member, board employee, or agent of the board may not participate in his or her official capacity in a matter that is likely to have a direct and predictable effect on his or her financial interests.

A board member, board employee, or agent of the board will abide by the federal and state laws and regulations that address conflict of interest standards. In general, the federal rules provide that:

No employee, officer, or agent of the board shall participate in selection, or in the award or administration of a contract supported by federal funds if he or she has a real or apparent conflict of interest. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs, or is about to employ any of the parties indicated herein, has a financial or other interest in a tangible personal benefit from the firm considered for a contract. The board’s officers, employees, or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to subcontractors.

The board’s conflict of interest policies include adherence to the Alabama Ethics Law, as it may be amended from time to time, which defines conflict of interest as:

A conflict on the part of a public official or public employee between his or her private interests and the official responsibilities inherent in an office of public trust. A conflict of interest involves any action, inaction, or decision by a public official or public employee in the discharge of his or her official duties which would materially affect his or her financial interest or those of his or her family members or any business with which the person is associated in a manner

different from the manner it affects the other members of the class to which he or she belongs.

A board member, board employee, or agent of the board may not review applications, proposals, or participate in the evaluation or selection process where his or her participation in the review process would create the appearance that he or she is: (a) giving preferential treatment; (b) losing independence and impartiality; (c) making decisions outside official and appropriate channels; or (d) harming the public's confidence in the integrity of the board.

Situations and circumstances presenting an actual conflict of interest or the appearance of a conflict of interest should be brought to the immediate attention of the Superintendent. A board employee, board members, or agent of the board who has knowledge of a possible conflict of interest should identify the conflict and notify the Superintendent. The Superintendent will document his or her actions related to the reported conflict of interest. Resolution can consist of disqualification, recusal, waiver, or other appropriate measures. Appropriate measures may include reporting a conflict of interest to the State Ethics Commission, the Alabama State Department of Education, or the appropriate federal agency.

- 3.21.5 Procurement Policy – The board will follow state laws for the procurement of property and services. The primary state procurement laws for Alabama school board are: Alabama Competitive Bid Laws (Chapter 13B of Title 16, Code of Alabama 1975); Joint Information Technology Purchasing Agreement (Chapter 13B of Title 16, Code of Alabama 1975); and Public Works Law (Title 39, Code of Alabama 1975).

To the extent allowed by state laws, the board will utilize state, local, regional, and national purchasing agreements where appropriate for the procurement or use of goods and services. All procurement transactions are subject to the board's Conflict of Interest Policy and the procurement decisions of the board will:

- a. Avoid acquisition of unnecessary or duplicative goods and services;
- b. Use the most economical and efficient approach for acquisitions;
- c. Award acquisitions contracts only to responsible contractors possessing the ability to perform successfully under the terms and conditions of the proposed procurement;
- d. Consider contractor integrity, compliance with public policy, record of past performance, and financial and technical resources prior to awarding procurement contracts;
- e. Maintain records sufficient to document the history of the procurement; and,
- f. Conduct procurement transactions in a manner that provides full and open competition.

Procurement transactions for federal programs and child nutrition programs that are not subject to the state procurement laws, but exceed the aggregate amount of the federal micro-purchase threshold, will be obtained by utilizing price or rate quotes from two or more qualified sources. State procurement laws include requirements that comply with the other Uniform Administrative Requirements for procurement of property and services.

The board will request proposals for those professional service contracts

(excluding architectural and engineering services) that are exempt under state procurement laws if the contracts exceed \$250,000 and will be paid from federal or child nutrition program funds. The board will utilize a team of three or more qualified individuals to conduct a technical evaluation of proposals received and for selecting recipients. As a part of the evaluation, the individuals on the evaluation team will sign an assurance that each of the individuals is in compliance with the board's conflict of interest policy.

[Reference: ALA. CODE §16-1-24.1, 25-5-330 (1975)]

- 4.2.7 Adoption of Statutory Penalties and Consequences – Persons who violate the Board’s prohibition of firearms, weapons, illegal drugs, or alcohol will be subject to all notification, referral, suspension, placement, re-admission, and other provisions set forth in ALA. CODE §16-1-24.1 and 24.3 (1975).

4.3 *Accreditation*

The Board will implement and adhere to such accreditation policies, principles, standards, and procedures as may be established or required by the AdvancED as a condition to receiving or maintaining accreditation.

4.4 *Use of Board Property*

- 4.4.1 Equipment, Supplies, Materials, Vehicles – Equipment, supplies, materials, vehicles, and other movable or consumable property owned by or under lease to the Board may not be used by or made available to persons or entities for private or personal use, benefit, or consumption, or for any non-Board related use or purpose, unless authorized by the Superintendent or his or her designee.

- 4.4.2 Use of Board Facilities – Schools and other Board owned or controlled facilities may be made available for use by sanctioned or generally recognized school support organizations if the use of the facility will not disrupt school operations or be inconsistent with the purpose and mission of the school system, and if adequate advance provision is made for security, supervision, maintenance, damage prevention, post-event clean-up, liability insurance, and other risk management measures appropriate to the proposed use. Use of Board facilities for non-school organizations may be approved if the foregoing conditions are satisfied and a rental contract (or the equivalent thereof) that includes a reasonable fee or rental charge and other appropriate terms and conditions is approved by the Board.

4.5 *Complaints and Grievances*

- 4.5.1 General Complaints (Grievances) – Subject to the limitations set forth below and elsewhere in this policy manual, any employee or member of the public may present to the Board a concern, complaint, grievance, or request for corrective action regarding any aspect of school system operations. Before requesting corrective action or relief from the Superintendent or the Board, persons with such complaints, grievances, or requests should present them for resolution to the employee, supervisor, or administrator at the lowest administrative level who has the authority and ability to address the problem or to implement the requested action. The Superintendent is authorized to develop specific procedures that will provide for fair consideration and orderly review of complaints and grievances.

Such procedures may not unreasonably burden or delay the presentation or processing of such matters, and will be subject to Board review, modification, and approval.

- 4.5.2 Limitations Regarding Availability and Application of General Complaint/ Grievance Policy – The general complaint/grievance policy and any procedures adopted thereunder do not apply to specific complaint or grievance policies and procedures that are established by Board policy or law for application to special factual or legal circumstances (e.g., sexual harassment grievance procedures; review of personnel matters under the Students First Act; “due process” hearings provided under the Individuals with Disabilities Education Act). In such instances, the specific statutory, regulatory, or policy-based process is the applicable procedure. The general complaint/grievance procedures that are authorized under the terms of this policy may not be invoked for the purpose of challenging or seeking review or reconsideration of adverse personnel decisions that have received final Board approval. A grievance may be based on an alleged misapplication of Board policies, regulations, or procedures, but may not be used to challenge the Board’s exercise of its discretion to adopt, approve, modify, or repeal a policy, regulation, or procedure or on its failure to exercise such discretion (e.g., adoption of a school calendar, compensation policies, etc.).
- 4.5.3 Student Complaints and Grievances – Complaints, grievances, and requests for corrective action may be brought to the attention of the Board by or on behalf of students with respect to academic, athletic, extracurricular, or other non-disciplinary matters, issues, and concerns only after reasonable efforts to resolve the matter at the school and administrative levels have been exhausted. The Superintendent is authorized to develop specific procedures that will provide for fair consideration and orderly review of such complaints and grievances. Such procedures will not unreasonably burden or delay the presentation or processing of the complaint or grievance and will be subject to review and approval by the Board. Administrative judgments concerning academic or curricular matters or participation in extracurricular activities may be set aside by the Board only upon a showing that the action or decision in question is arbitrary and capricious, fundamentally unfair, or that it violates Board policy or the student’s legal rights.
- 4.5.4 Student Disciplinary Matters – The Board may consider appeals of student disciplinary decisions or actions in accordance with standards and procedures specified in the Code of Student Conduct.
- 4.5.5 Americans with Disabilities Act Complaint Procedure –
- a. *Complaint Criteria* – Persons who believe that they have been discriminated against on the basis of disability in the provision of services, activities, programs, or benefits covered by Title II of the Americans with Disabilities Act may file a written complaint with the ADA Coordinator.
 - b. *Complaint Form* – The complaint should be in writing and contain information about the alleged discrimination including the name, address,

phone number of complaining party and location, date, and description of the problem. Alternative means of filing complaints, such as personal interviews or a tape recording of the complaint, will be made available for persons with disabilities upon request.

- c. *Complaint Process* – The complaint should be submitted to the ADA Coordinator as soon as possible, but no later than thirty (30) days after the alleged violation. The ADA Coordinator will meet with the complaining party to discuss the complaint and possible resolutions. Within fifteen (15) calendar days of the meeting, the ADA Coordinator will respond in writing, and where appropriate, in a format accessible to the complaining party, such as large print, Braille, or audio tape. The response will explain the position of the Board and offer options for substantive resolution of the complaint.
- d. *Appeal Procedure* – If the response by the ADA Coordinator does not satisfactorily resolve the issue, the complaining party may appeal the decision within fifteen (15) calendar days after receipt of the response to the Superintendent. Within fifteen (15) calendar days, the Superintendent will respond in writing, and where appropriate, in a format accessible to the complainant, with a final resolution of the complaint.
- e. *Records Retention* – All written complaints received by the ADA Coordinator, appeals to the Superintendent, and records relating thereto will be retained by the Board for at least three (3) years.
- f. *Additional Procedures Authorized* – The Superintendent is authorized to develop such procedures as are necessary to implement this policy.

4.6 Risk Management

The Board may obtain such liability and other forms of insurance or enter into such risk management agreements, pools, cooperatives, and like arrangements, agreements, or undertakings as it deems necessary and appropriate to meet legal requirements or to protect the Board, its employees, or its property from risk of loss.

4.7 School Calendar

The Board shall approve a school calendar as prepared by the Superintendent or his designee to be released to the various schools. The calendar shall include the opening and closing dates of all schools, legal holidays, reporting periods, etc. The Board has discretionary power to establish the holidays which will be observed during the school year.

[Reference: ALA. CODE §§16-8-10, 16-8-30, 16-11-9, 16-11-18]

4.8 Emergency Closing of Schools

- 4.8.1 Authority of Superintendent to Close Schools – The Superintendent is authorized to close schools if such action is warranted by weather conditions or other circumstances that pose a risk to the safety and welfare of students and employees, or that render meaningful instruction impossible (e.g., loss of power or other utility services).
- 4.8.2 Make-Up Time – To the extent not provided for in the school calendar, any instructional time lost by reasons of an emergency closing will be made up and a revised school calendar approved, if necessary, to reflect any extension or adjustment of the school year required by such action, unless approval to waive the instructional time is obtained in accordance with state law.

4.9 *Internet Safety and Use of Technology*

- 4.9.1 Access to Technology Resources – The Board permits restricted and conditional access to and use of its technology resources, including but not limited to computers, the “Internet,” network storage areas, and electronic mail. Such access and use is restricted to employees, students, and other persons who are engaged in *bona fide* educational and administrative activities that serve and are consistent with identified educational objectives or authorized support functions, and who, by signing an “Acceptable Use and Internet Safety Agreement,” agree to abide by all Board policies, rules, and regulations regarding technology use. The Acceptable Use Agreement will be developed by the Superintendent for approval by the Board.
- 4.9.2 Restriction or Loss of Technology Privileges – Persons who violate any Board policy, rule, or regulation regarding technology use may be denied use of the Board’s technology resources and may be subject to additional disciplinary action.
- 4.9.3 Ownership of Technology Resources and Data – All technology resources, including network and Internet resources, e-mail systems, and computers or other access devices owned, leased, or maintained by the Board are the sole property of the Board. Board personnel may, at any time and without prior notice, access, search, examine, inspect, collect, or retrieve information of any kind from the Board’s technology resources, including computer or related equipment, files, and data, to determine if a user is in violation of any of the Board’s policies, rules, and regulations regarding access to and use of technology resources, for or in connection with any other matter or reason related to the safe and efficient operation or administration of the school system, or for any other reason not prohibited by law. Users of school system technology resources have no personal right of privacy or confidentiality with respect to the use or content of such resources.
- 4.9.4 Adoption of Rules and Regulations – The Superintendent is authorized to develop for Board approval additional or more specific rules and regulations regarding access to and use of its technology resources and to require adherence to such rules and regulations through such means as the “Acceptable Use Agreement” and

application of appropriate disciplinary policies and procedures. Such rules and regulations will address or provide:

- a. Measures to block or filter Internet access to pictures that are obscene, that constitute child pornography, or that are harmful to minors;
- b. Restriction of access by minors to inappropriate material on the Internet;
- c. The safety and security of minors when they are using electronic mail, chat rooms, and other forms of direct electronic communications;
- d. Prevention of “hacking” and other forms of unauthorized use of or access to computer or Internet files, sites, databases or equipment; and
- e. Unauthorized disclosure, use, and dissemination of personal information regarding minors;
- f. Restriction of minors’ access to harmful material; and
- g. Educating minors about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms and cyberbullying awareness and response.

- 4.9.5 Limitation on Liability – The Board makes no warranties of any kind, either express or implied, that the functions or the services provided by or through the Board’s technology resources will be error-free or without defect. The Board will not be responsible for any damage users may suffer, including but not limited to loss of data or interruption of service.

[Reference: 47 U.S.C. §254(h) and (l)]

- 4.9.6 Cyberbullying – The Board of Education provides computers as tools to enhance our students’ education. The District’s computer network and the Internet, whether used on or off-campus, whether owned by the District or by the student or his/her family, whether accessed on campus or off campus, during or after school hours, may not be used for the purpose of harassment of any kind. All forms of harassment over the Internet, commonly referred to as cyberbullying, are unacceptable and viewed as a violation of this policy and the District’s acceptable computer use policy and procedures.

Malicious use of the District’s computer system is prohibited. Users are responsible for the appropriateness of the material they transmit over the system. Hate mail, harassment, discriminatory remarks, or other antisocial behaviors are expressly prohibited.

Cyberbullying includes, but is not limited to the following misuses of technology: harassing, teasing, intimidating, threatening, or terrorizing another person by sending or posting inappropriate and hurtful e-mail messages, instant messages, text messages, digital pictures or images, or Website postings, including blogs,

Facebook, MySpace, etc. It is also recognized that the author (poster or sender) of the inappropriate material is often disguised (logged on) as someone else.

Students and community members who believe they have been the victims of such misuses of technology, as described in this policy, should not erase the offending material from the system. A copy of the material should be printed and brought to the attention of the school administrator.

The administration shall fully investigate all reports of cyberbullying. In situations in which the cyberbullying originated from a non-school computer, but brought to the attention of school officials, any disciplinary action shall be based upon whether the conduct is determined to be substantially disruptive of the educational process so that it markedly interrupts or impedes the day-to-day operations of a school. In addition, such conduct must also be violative of another District policy. Such conduct includes, but is not limited to, sexual or racial harassment and threats made on or off school grounds, to kill or hurt a staff member or student.

Disciplinary action may include: the loss of computer privileges, detention, suspension, or expulsion for verified perpetrators of cyberbullying. In addition, when any kind of threat is communicated or when a hate crime is committed, the administration will report such crimes to local law enforcement officials.

- 4.9.7 Data Governance and Use - The Superintendent is authorized to establish. The Superintendent is authorized to establish, implement, and maintain procedures governing the quality, security, storage use, and sharing of data maintained digitally by the school system. Procedures to be established shall comply with applicable state and federal law and shall include establishing a data governance committee to define security controls, and maintain records regarding security access that shall include physical security and access. Nothing in this policy or in any procedures authorized hereunder creates or expands any entitlement to confidentiality of records beyond that which is established by law or specific Board policy.

This data governance and use policy and all procedures and measures established hereunder will apply to Board employees and all Board operations. Any unauthorized access, use, transfer, or distribution of Board data by any employee, student, or other individual, may result in disciplinary action that may include a recommendation for termination, expulsion, and/or other legal action.

4.10 Political Activity

Board employees may participate in political activities to the full extent permitted by the United States Constitution and federal and state laws securing the right to engage in such activities, subject to the following restrictions:

- a. Employees may not appropriate Board property or resources (including, but not limited to, e-mail addresses or the school system directory) for use in political campaigns, and may not engage in partisan political activities (including but not limited to the distribution of campaign material or literature) during regular school or duty hours or at Board sponsored or sanctioned events, functions, or at activities at which the employee is on duty or assigned official responsibilities;
- b. Employees may not represent their political beliefs or positions on political matters to be those of the Board or other Board officials, or to falsely assert or imply that their political activities or positions are endorsed by or undertaken in the name of the Board or other Board officials;
- c. Candidates and representatives of candidates for political office may not invite or allow announced candidates for political office to address student groups except when such candidates are participating in a forum or like format that is designed to provide all candidates the opportunity to participate. Such forums may be conducted only for appropriate age groups, and with the advance approval of the school principal and the Superintendent; and
- d. Political signs may not be placed on schools or school board property. Campaign literature and other material may not be distributed on Board property during the regular school or work day, and may not be distributed at school or Board sponsored events or activities in a manner that impedes the normal and safe movement of pedestrian or vehicular traffic, that creates any other safety hazard or risk, or that disturbs or disrupts the function, activity, or event.

4.11 Public Health Precautions and Infectious Disease Mitigation

4.11.1 *Authorization.*

The Board authorizes the Superintendent to develop public health precautions and infectious disease mitigation procedures for all schools and other Board properties and all school sponsored activities. The Superintendent, and his or her designees, will develop, and amend as necessary, these procedures based on current guidance from local and state government and health officials.

4.11.2 *Compliance with Applicable Law.*

The procedures developed in accordance with this policy must comply with the requirements of any current local, state, and/or federal law applicable to the Board, to include any regulation, rule, or order. Nothing in this policy should be interpreted to limit the Superintendent's ability to implement more restrictive procedures as may be necessary for the safe and appropriate operation of Hartselle City Schools as long as the more restrictive procedures do not otherwise violate any law or regulation applicable to the Board.

4.11.3 *Mandatory Compliance with Procedures.*

- a. Generally. All individuals, including all students, faculty, staff, family members, and other visitors to Board schools or properties, must comply with the procedures developed pursuant to this policy. Failure to do so will result in consequences including, but not limited to, temporary or permanent removal from the property.
- b. Students. As a condition to participating in any on campus instruction or attendance at any school sponsored event, students must adhere to the procedures developed pursuant to this procedure. Failure to do so may result in removal from in person instruction. If parents/guardians believe that their student will not be able to comply with the procedures, they should contact their student's school principal to discuss options.
- c. Employees. All employees must comply with any procedures developed pursuant to this policy. Failure to do so will result in disciplinary consequences up to and including recommendation for dismissal. If an employee has concerns about his or her ability to follow the procedures, the employee should raise that concern with his or her supervisor.

4.11.4 *Posting of Procedures.*

All procedures developed pursuant to this policy will be made publicly available and will be posted, at a minimum, on the Board's website. To the extent practicable, the Superintendent may also include or these procedures within other Board information documents such as Student Handbooks or other information available to parents and citizens.

4.11.5 *Communicable/Infectious Diseases or Conditions*

Students and/or employees having communicable diseases and/or conditions, including students wishing to enroll or potential employees, will be addressed on an individual basis. Administrators and supervisors shall observe current regulations for the control of communicable diseases in Hartselle City Schools as established by state law, local ordinance, or applicable proclamations, regulations, and orders issued by state and local health officers and public officials, Board policy and procedures promulgated by the Superintendent pursuant to Board policy. The system's nurse(s) will maintain liaison with the State Board of Health and support the processing of identified cases.

The Superintendent shall have the authority to exclude a student and/or an employee from attendance when reliable evidence confirms he/she has a communicable/infectious disease or condition that is known to be spread by any form of casual contact and is considered a health threat to the school population. Such a student or employee shall be excluded from school for a period of time as may be prescribed by the local health department or physician. The Superintendent may require written documentation from health department officials and/or a physician to allow the student or employee to resume attendance.

Due process will be provided when reliable evidence or information from a qualified source confirms that a student or employee is known to have a communicable disease or infection that is known not to be spread by casual contact (i.e. HIV/AIDS, Hepatitis B, etc.).

4.11.6 *Infection Control*

All employees are always required to consistently follow infection control guidelines and procedures provided by the Superintendent under this policy in all settings and school property, including playgrounds and school buses. Schools will operate according to the standards promulgated by the U.S. Occupational Health and Safety Administration for the prevention of bloodborne infections. Equipment and supplies needed to apply the infection control guidelines will be maintained and kept reasonably accessible. The Superintendent's designee shall implement the precautions and investigate, correct, and report on instances of lapse.

4.11.7 *Public Health Precautions, Infectious Disease Mitigation and Exposure Control Plan*

The Superintendent will direct the preparation of public health precautions and infectious disease mitigation procedures as provided by this policy for processing cases and preparing an exposure control and mitigation plan. Procedures will incorporate appropriate considerations of confidentiality. Employee training and communication of school system procedures related to student health education, exposure control, communicable diseases and conditions, and standard precautions shall be implemented at the direction of the Superintendent.

4.11.8 *Confidentiality of Medical Information*

All persons privileged with any medical information that pertains to students or employees shall be required to treat all proceedings, discussions, and documents as confidential information. Before any medical information is shared with anyone in the school setting, a "need-to-know" review shall be made. Such a review committee shall include the parent/guardian of the affected student, the student if over age 18, the affected employee or his/her representative.

A teacher who has completed the certification process but has not received the certificate may be employed on tentative or temporary compensation pending verification of certification from the State Department of Education. Upon receipt of such verification, appropriate adjustments will be made to the teacher's salary. - 5.2.2 Qualifications – Applicants must meet the minimum qualifications of the position as provided in Board policy, the job description for the position, the posted advertisement for the position, or as may otherwise be established by the Board, applicable law, or regulation. Applicants must hold such degrees, licenses, certificates, and like credentials as may be necessary, appropriate, or customary for the position in question.

- 5.2.4 At-Will Employment – Except as may otherwise be provided or required by law, by contract, or by the specific terms of their appointment, all personnel are deemed “at-will” employees and may be terminated, demoted, reassigned,

5.2.5 Nepotism –

- a. *Supervisory Relationships* – No employee may be assigned to a work location or to a position in which the employee would report to, be evaluated by, or would work under the immediate supervision of another family member as defined in the Alabama Ethics Law. 5.4 ***Non-Teaching Supplemental Duties***

Compensation in the form of supplements may be paid for noninstructional supplemental duties in accordance with rates specified or established for such duties in the Board's official salary schedule. Such duties include coaching and sponsorship of athletic support organizations (e.g., cheerleaders, flag teams, drill teams) as well as scholastic support activities (e.g., yearbook, service clubs, academic honoraries). Such supplemental duties are considered additional nonteaching assignments to be made and approved on an annual basis or otherwise as the needs of the school require. Such supplemental duties are not considered to be a part of a teaching contract or appointment, and no tenure, continuing service status, non-probationary status, or contractual right to continued employment or compensation for such supplemental assignment will be recognized or implied in the absence of a separate written contract of employment providing for such rights. All supplements will be processed through District payroll.

5.5 ***Professional Development***

The Superintendent will develop and implement an ongoing program of professional training and development that is designed to enhance the competencies of professional and support staff. Employee attendance and participation in such training institutes, workshops, seminars, and programs may be made mandatory by the Superintendent. The unexcused failure of an employee to attend or participate in such professional

development activities may constitute grounds for termination of employment or other disciplinary action.

5.6 *Employee Conflicts of Interest*

Employees may not use their offices or positions for personal gain and must adhere to applicable provisions of the Alabama Ethics Law. Employees may only engage in outside employment under the following terms and conditions:

- a. Employees will not engage in outside business activities or render any service for another employer during such time as duties and responsibilities have been assigned by the Board;
- b. Employees will not accept outside employment that would interfere with or impair the ability of the employee to perform duties as a Board employee effectively;
- c. Employees may not accept work that could compromise the employee's independent judgment in the exercise of duties for the Board;
- d. Employees may not use or disclose confidential information acquired through Board employment for their personal gain or for the benefit of a third party, including but not limited to furnishing lists of students or parents to any commercial firm.
- e. Employees may not solicit or sell any goods or services on school property, except as may be approved by the local school principal or the Superintendent.

 - e. An opportunity for the employee to disagree (in writing) with the evaluation and to have the disagreement maintained with the evaluations.
- 5.8.3 Use of Evaluations in Connection with Employment Decisions – Unless prohibited by law (including applicable regulations) or the terms of the evaluation instrument, employment evaluations may be considered in making employment decisions, together with such other information and considerations as may reasonably bear upon the wisdom, necessity, or advisability of the employment decision. However, employment evaluations are intended to enhance the overall quality of the school system’s instructional program and are not intended to confer, constitute, or give rise to any individual right, entitlement, or enforceable expectation of continued employment or advancement. Accordingly, except as may be specifically provided otherwise in state law applicable to “contract principals,” employees do not acquire any employment right or right of legal action based on any actual or alleged failure on the part of the Board or the evaluator to follow specific evaluation policies, regulations, or procedures.
- 5.8.4 Special Evaluation Situations – The Superintendent will be evaluated as specified in the employment contract.
- 5.8.5 Exempt Personnel – Except when required by law or contract, temporary, substitute, and occasional employees, or employees appointed to supplemental positions (e.g., coaches, extracurricular activity sponsors) will not be formally evaluated in those roles.

5.9 *Personnel Records*

- 5.9.1 Content of Personnel Files – A central personnel file will be maintained for all regular employees. The personnel file may contain information regarding the employee’s current assignment, payroll status, and work history, including but not limited to job qualifications, certification, licenses, employment contract(s), evaluation data, disciplinary information, and such other documents, written materials, and data as may be reasonably deemed necessary and appropriate by the Board for sound and efficient personnel administration. Anonymous material and other matters that are prohibited by law, regulation, or Board policy from being maintained in personnel files may not be included therein. Employees may reasonably supplement or respond in writing to any material contained in the personnel file with which they disagree and such responses will also be included in the personnel file.
- 5.9.2 Alternate Data Storage – Personnel file data may be stored or maintained electronically or digitally.
- 5.9.3 Confidentiality – In general, the contents of an employee’s personnel file will be deemed confidential except for documents, information, and materials that are matters of public information or public record under applicable state or federal law.
- 5.9.4 Access to Personnel Files – Board members, the Superintendent, Board administrators (including principals), and other persons whose duties reasonably require access to personnel files are authorized to view, copy, and use the contents of personnel files for purposes that are required by or in keeping with their official duties on behalf of the Board.

5.10 *Employee Leave*

- 5.10.1 Work Attendance an Essential Job Function – Punctual, regular attendance is an essential job function of every job and position, and employees are expected to report to work when scheduled to work and to remain at work each working day.
- 5.10.2 Absences – Except as otherwise authorized under Board policy, employees may be absent from work only in the following circumstances:
- a. Illness, injury or other qualifying reason for sick leave or on-the-job injury leave under state law or the Family Medical Leave Act;
 - b. Personal leave;
 - c. Vacation leave;
 - d. Professional leave;
 - e. Military leave;

- f. Court leave;
- g. Other unpaid leave that is specifically approved by the Board upon a showing of substantial hardship or extraordinary circumstances.

Employees who know in advance that they will be absent from work must notify their supervisor of the expected absence in accordance with procedures specified by the Superintendent or the Board. In the event of an emergency or incapacity that makes advance notice impractical, employees must notify their supervisor of their absence as early as possible. Except as otherwise provided or permitted, an employee who is absent from work without approved leave will be considered absent without leave in violation of Board policy and subject to appropriate disciplinary measures. Employees who are approved for paid leave or absences will be paid at the regular daily rate of pay; however, a day of paid leave or absence will not be counted as a day worked for the purposes of computing overtime under the Fair Labor Standards Act. Pay will be reduced on a *pro rata* basis for leaves or absences not covered by sick, vacation, personal, or other appropriate form of paid leave. The continuation of benefits during an approved absence is subject to the provisions of the particular benefit policy or plan.

5.10.3 Paid Sick Leave –

- a. *Persons Eligible for Paid Sick Leave* – All regular full time employees are eligible for paid sick leave.
- b. *Earning and Accumulation of Paid Sick Leave* – All eligible employees earn sick leave days at the rate provided for in state law. Nine or ten month employees who work during summer school earn one sick day for the entire summer session. Eligible employees may accumulate sick leave as provided by state law.
- c. *Use of Sick Leave* – Eligible employees may only use paid sick leave for absences caused by the following:
 - 1. Personal illness;
 - 2. Incapacitating personal injury;
 - 3. Attendance upon an ill member of the employee’s immediate family, defined as a spouse, parent, child, sibling or any person with a close personal tie;
 - 4. Death of a family member, including a spouse, parent, child, sibling, mother or father-in-law, son or daughter-in-law, brother or sister-in-law, nephew or niece, grandparent, grandchild, aunt or uncle;

5. Death or care of an individual with whom unusually strong personal ties exist because of a relationship other than those listed above.
- d. *Certification* – Employees must certify that sick leave was used for one of the reasons provided in state law and specify the reason. If the employee’s principal or department head has probable cause to believe that an employee has abused or misused sick leave, a physician’s statement verifying the existence and nature of the illness or medical condition may be required by the Board. Abuse of sick leave may subject the employee to disciplinary action.

5.10.4 On-the-Job Injury Leave – On-the-job injury includes an accident or injury to an employee that occurs in the course of performing job duties for the Board or when the employee is directed or requested by the employer to be on the property of employer and which prevents the employee from working or returning to the job. Employees who are accidentally injured on the job may be approved for paid “on-the-job injury” leave without using sick days, provided that:

- a. The injured employee submits written medical certification from the attending licensed physician stating that the employee was injured and cannot return to work due to a specified injury, if there is a reasonable expectation that the employee will return to work and, if so, the expected date of that return. The Superintendent may require a second opinion from a specified physician, at Board expense.
- b. The employee submits a signed written account of the accident attested by a principal or department head within twenty-four (24) hours after the injury occurred. If the injured employee is not able to notify the Superintendent, another person reasonably knowledgeable about the employee’s condition and circumstances leading to the injury may provide the required notification.

Upon a determination that the employee has been injured on the job and cannot return to work, the Board may maintain the employee’s salary and benefits for the period of incapacity caused by the injury, not to exceed ninety (90) days. An employee who is injured on the job may file a request for unreimbursed medical expenses and costs with the State Board of Adjustment. The Board will provide such reasonable assistance to the employee in filing the Board of Adjustment claim as is required by law, but assumes and will have no responsibility or liability for processing the claim or directly reimbursing the employee any unreimbursed medical expenses and costs. On-the-job injury leave will be administered in accordance with and subject to the requirements and limitations imposed by state law regarding such leave.

[Reference: ALA. CODE §16-1-18.1 (1975)]

5.10.5 Personal Leave – Employees shall notify their immediate Supervisor in writing as far in advance as possible prior to taking personal leave so that adequate plans can be made to cover assigned responsibilities. No more than ten percent (10%) of a local school certified staff, nor ten percent (10%) of a local school support staff, may take personal leave concurrently. Requests will be approved on a first submitted basis. The Superintendent may, upon request, grant personal leave in excess of the ten percent (10%) limit. Absent Superintendent approval, personal leave may not be taken immediately before or after a school holiday or in the first or last ten (10) days of a school term. No employee, as a condition to receiving personal leave, shall be required to divulge reasons for requesting such leave.

a. *State-funded personal leave* – All regular, full-time employees are eligible for two (2) noncumulative personal leave days each scholastic year without loss of pay. All other unused state-funded personal leave days convert to sick leave at the end of the scholastic year.

b. *Additional personal leave* – All regular full-time employees are eligible for three (3) additional noncumulative personal leave days each scholastic year. Employees will be charged an amount equal to the daily rate of pay for a substitute, whether or not a substitute is required, as follows:

<i>Years of Service</i>	<i>Days Paid by Employee</i>
0 – 10	3
11 – 15	2
16 – 20	1
20 +	0

All unused additional personal leave days convert to sick leave at the end of the scholastic year.

All regular, full-time employees may be compensated for unused personal leave at the end of the scholastic year at the same daily rate of pay used for a substitute.

5.10.6 Vacation – Vacation leave is provided to employees assigned in 12-month positions. Employees who work less than 12 months are not eligible to receive vacation benefits.

Twelve-month employees shall be allowed vacation time annually according to the schedule below:

Less than 10 years - 10 days per contract year (July 1 - June 30)

More than 10 years continuous service - 15 days per contract year (July 1 - June 30)

Accrual Rate: Vacation time shall accrue at the rate of .833 days/6.66 hours per month for employees with less than 10 years of service and 1.25 days/8 hours per month for employees that have completed 10 or more years of service at the end of the preceding school year (June 30), with those 10 years of service all to be accumulated in positions with the Hartselle City School System.

In the event assignment to a 12-month position is made after the start of the contract year (July 1), or initial employment occurred after the start of the contract year (July 1), vacation will be prorated for that year.

Vacation time will begin to accrue on the first of the month following employment start date. However, vacation time may be applied for initially only after a 12-month employee has earned a minimum of five days of accrued time.

Accrued Vacation Time (Effective September 1, 2012): No employee of the Hartselle City School System may accrue more than a maximum of twenty (20) vacation days.

Payment for Accrued Vacation Time: Payment for accrued vacation time will be as follows:

- (1) Vacation time accrued prior to September 1, 2012. Employees with vacation time accrued prior to September 1, 2012 will be paid for all vacation time accrued at the employee's daily rate of pay as of August 31, 2012, subject to all applicable Federal and State deductions. Eligible employees may elect to be paid for such accrued vacation time as follows:
 - (a) One payment for all vacation accrued prior to September 1, 2012, which said payment will be made on or before September 30, 2012; or
 - (b) Three (3) installment payments of the total sum due for accrued vacation time as of August 31, 2012, payable on or before September 30, 2012, September 30, 2013 and September 30, 2014. Except that any employee electing to be paid for accrued vacation time in the three (3) installments and who separates for any reason from the Hartselle Public School System prior to September 30, 2014, will be paid the remaining balance due for vacation time accrued prior to September 1, 2012 upon separation. Payment for accrued vacation to the separating employee will be made as provided in paragraph (2) below.
- (2) Payment for vacation time accrued after September 1, 2012. Employees separating from the Hartselle City School System after September 1, 2012, will be paid for accrued vacation time up to a maximum of 20 days at the separating employee's daily rate of pay at the time of the separation. Payment for vacation time will be subject to all applicable Federal and

State deductions, and will be paid within 60 days of the employee's separation date.

- (3) Option for Employees Participating in Deferred Retirement Option Program (DROP). Employees participating in DROP will have the option to use vacation days accrued prior to September 1, 2012, as follows:
- (a) to receive payment for accrued vacation days as set forth in paragraph (1) above; or
 - (b) to use accrued vacation days until the termination date of the DROP program in which the employee is enrolled. Upon reaching said DROP termination date, the employee will be paid, within thirty (30) days, for the balance of vacation days accrued prior to September 1, 2012, if any, as set forth in paragraph (1) above.

Request for Vacation: Vacation time shall be approved by the Superintendent or his/her designee and may not be requested or used in less than one-half day increments nor more than 10 days consecutively, except in cases of emergency or extraordinary circumstances.

- 5.10.7 Professional Leave – The Superintendent is authorized to grant professional leave with pay to Board employees to engage in educational activities which, in the judgment of the Superintendent, serve the needs and interests of the school system. The number of days approved for such leave will be at the discretion of the Superintendent; provided, however, that any such leave exceeding five (5) days in a scholastic year must be approved by the Board.
- 5.10.8 Military Leave – Military leave is available to all eligible employees in accordance with state and federal law.
- 5.10.9 Court Leave – Permanent and full-time employees are entitled to regular compensation while performing jury duty (ALA. CODE §12-16-8) or when the employee is summoned under subpoena or other legal requirement to testify at trial in a court of law or in an administrative proceedings constituted under the statutory authority of the agency conducting the proceedings. Paid leave is not authorized for employees to meet with attorneys, to attend depositions, or to otherwise prepare for legal proceedings unless the presence of the employee is requested or required by the Board.
- 5.10.10 Unpaid Study Leave – Upon written application by the employee, the Board may provide an unpaid leave of absence for up to one year to pursue study or professional growth opportunities. Such leave is available to nonprobationary certified personnel only. Except as provided to the contrary by applicable law, the employee shall not be entitled to return to the same position held before the commencement of leave, and may be assigned to a different work location or position upon return from leave at the discretion of the Board.

5.11 *Family and Medical Leave Act (FMLA)*

5.11.1 Eligible Employees – The FMLA is applicable to all persons who have been employed for at least twelve (12) months and have worked a minimum of 1,250 hours during that twelve (12) month period.

5.11.2 Medical Leave Provided by the Act – Under the FMLA, eligible employees are entitled to twelve (12) weeks of unpaid leave during any twelve (12) month period for one or more of the following reasons:

- a. The birth and first year care of a newborn child;
- b. The placement of a foster child or adoption;
- c. The care of an immediate family member, defined as a spouse, child or parent, with a serious health condition;
- d. The taking of medical leave because of the employee’s own serious health condition.

For the birth, adoption, or foster placement of a child, the entitlement to leave for child care expires at the end of the twelve (12) month period beginning on the date of birth, adoption, or placement. Leave associated with the illness of a child will only be provided if the child is under eighteen (18) years of age or is incapable of self care due to physical or mental disability.

5.11.3 Serious Health Conditions – The term “serious health condition” means an illness, injury, impairment, or physical or mental condition that involves the following:

- a. Any period of incapacity in connection with or following inpatient care in a hospital, hospice, or residential medical care facility.
- b. Continuing treatment by a health-care provider, to include any period of incapacity due to:
 1. A health condition, including treatment and recovery, lasting more than three (3) consecutive days, and any subsequent treatment or period of incapacity relating to the same condition;
 2. Pregnancy or prenatal care;
 3. A chronic, serious health condition which continues over an extended period of time, requires periodic visits to a health care provider, and may involve episodes of incapacity (e.g., asthma and diabetes);

4. A permanent or long-term condition for which treatment may not be effective (e.g. Alzheimer's, severe stroke) and for which supervision of a health-care provider is required;
5. Multiple treatments for restorative surgery or for a condition which would likely result in a period of incapacity of more than three (3) days if not treated.

5.11.4 Military Family Leave Provided by the Act –

- a. *Qualifying Exigency Leave* – Under the FMLA, an eligible employee with a spouse, child, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may utilize the twelve (12) week medical leave entitlement to address qualifying exigencies resulting from that service.
- b. *Military Caregiver Leave* – An eligible employee, who is the spouse, child, parent, or next of kin of a covered service member, is entitled to take up to twenty-six (26) weeks (including any medical leave provided by the Act) of unpaid leave during any twelve (12) month period (beginning the first day of the leave) to care for an individual covered service member with a serious injury or illness incurred in the line of duty while on active duty that may render the service member medically unfit to perform the duties of the member's office, grade, rank, or rating. A covered service member is a member of the Armed Forces, including the National Guard and Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness incurred in the line of duty on active duty.

5.11.5 Spouse Employed by the Board – Spouses who are both employed by the Board are limited to a combined total of twelve (12) weeks of family leave for the birth and care of a newborn child, for the placement of a child for adoption or foster care, for the care of a parent who has a serious health condition, and for qualifying exigency leave. Spouses who are both employed by the Board are limited to a combined total of twenty-six (26) weeks for military caregiver leave.

5.11.6 Intermittent Leave – An employee may take leave intermittently or on a reduced leave schedule only when medically necessary to care for a spouse, parent, or child or to receive planned medical treatment. Intermittent leave should be scheduled to the extent practicable so as not to unduly disrupt the operations of the Board. Intermittent leave may be further limited for teachers in accordance with federal law.

5.11.7 Use of Vacation and Sick Leave – If an employee has available sick leave, vacation leave or other applicable paid leave, the employee must utilize those forms of leave before taking unpaid leave under the FMLA. In that instance, the

paid leave and the FMLA leave will run concurrently and the employee's twelve (12) weeks of unpaid FMLA leave will be reduced by the paid leave utilized, as long as the need for such leave results from one or more of the qualifying reasons under the FMLA.

5.11.8 Notice – Employees seeking leave under the FMLA must provide thirty (30) days advance notice of the need to take leave when the need is foreseeable. When the need for leave is unforeseeable, employees should notify their supervisors as soon as possible. Employees must also provide notice of the need for qualifying exigency leave as soon as practicable.

5.11.9 Certification for Medical or Military Caregiver Leave – Every request for FMLA leave based upon the serious health condition of the employee or employee's spouse, children, or parents, or leave as a military caregiver must be supported by medical certification issued by the appropriate health care provider on forms provided by the Board.

For leave based on a serious health condition of the employee or employee's spouse, child, or parent, the Board reserves the right to obtain a second opinion from an independent health-care provider designated by the Board. If the opinion received by the employee and the second opinion conflict, the Board and the employee must agree on a third provider to issue a binding opinion. Both the second and third opinions (if necessary) will be at the expense of the Board.

5.11.10 Certification for Qualifying Exigency Leave – Certification will be required by the Board for requests for qualifying exigency leave. Certification must be timely submitted on forms available from the Board. For the first such request, certification may include a copy of the military service member's duty orders or other military documentation.

5.11.11 Return to Work – The Board may require an employee who has taken leave due to the employee's own serious medical condition to provide the Board with a healthcare provider's certification in order to return to work. Any employee who takes leave under these provisions will be entitled to be restored to the original position held when the leave commenced or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment.

5.11.12 Maintenance of Benefits – Benefits accrued by the employee before leave is taken are not lost when approved FMLA leave is taken. Employees who are on approved FMLA leave will remain eligible to participate in benefit programs in which the employee was enrolled at the time of the leave, provided that the employee will continue to be responsible for payment of employee's portion of any cost, premium, or like payment that is required to maintain eligibility for the coverage or benefit. An employee that does not return to work after FMLA leave, will be required to reimburse the Board for the cost of benefits coverage extended to the employee during the leave, unless the reason for the employee's failure to return to work is (i) a continuing serious health condition suffered by either the

employee or a family member, or (ii) other circumstances beyond the employee's control.

- 5.11.13 Instructional Employees – Medical leave taken by eligible instructional employees is subject to further limitations and provisions established by the FMLA. The Superintendent or his designee is authorized to develop additional information and guidelines concerning Instructional Employees.

5.12 *Sick Leave Bank*

A “Sick Leave Bank” plan for full-time certified and classified employees is hereby established in accordance with applicable provisions of state law. A Sick Leave Bank Committee will be established to oversee the operations of the Sick Leave Bank in accordance with state law and the following provisions:

 2. *Participant Representatives* – The participant representatives will be selected by the sick leave bank members.
- b. *Procedures for Selecting Employee Representatives on Committee*
 1. *Nomination* – Before each election of participant representatives, the Board will hold an open nomination period. Any employee who is eligible to participate in the sick leave bank may be nominated for one of the participant representative positions. Nominations must be written and must be received in the Superintendent's office by the deadline specified in a notice to be provided by the Superintendent or his designee through Board publications and other means of communication that are generally used for such purposes.
 2. *Voting* – Each eligible nominee will be placed on the Sick Leave Bank Committee ballot. Voting will take place by ballot at Board facilities at the time specified or as may otherwise be provided by the Board. Supervision of voting will be by local facility personnel. Voting members will be required to verify their ballot by signing the Board's voter record. Votes will be forwarded to the Superintendent's office for final tabulation. The four candidates receiving the highest number of votes will serve as participant representatives on the Sick Leave Bank Committee.
- c. *Term of Committee Members* – Sick Leave Bank Committee members will serve for a term of one year and may not serve for more than five years.

- d. *Chairman of the Sick Leave Bank Committee* – The Sick Leave Bank Committee will elect a chairman from among its representatives at its first annual meeting. The chairman will be responsible for recording organizational minutes, for conducting meetings, and for organizing meetings as necessary.
- e. *Meetings* – The Sick Leave Bank Committee will meet at least annually following each enrollment period. The Committee will also meet as necessary in its discretion.
- f. *Sick Leave Bank Committee Duties* – The Sick Leave Bank’s guidelines shall include the regulations of the Alabama Education Laws, §16-22-9. Notwithstanding any other provision of the law to the contrary, it shall be the exclusive responsibility of the Sick Leave Bank Committee to write the guidelines and administrative procedures of the Sick Leave Bank, including catastrophic leave. The guidelines shall be approved by a secret ballot vote of the participating members of the Sick Leave Bank. It shall also be the Committee’s duty to develop all necessary forms for the orderly operation and administration of the Sick Leave Bank and catastrophic leave, including the transfer and acceptance of catastrophic sick leave days to/from other school systems. The accounting of the Sick Leave Bank shall be the responsibility of the Superintendent. Additional guidelines shall be adopted by the Sick Leave Bank Committee as may be deemed appropriate and beneficial; however, all guidelines must conform to all applicable laws and regulations.
- g. *Employee Participation* – Participation in the Sick Leave Bank is voluntary and open to all full-time employees of the Board. However, employee participation is subject to such rules and regulations regarding enrollment procedures, deposits, withdrawals, and participation as may be developed by the Committee.

5.13 Equal Employment Opportunity

- 5.13.1 Unlawful Discrimination Prohibited – The Board is an equal opportunity employer. Personnel actions and decisions will be made without regard to factors or considerations prohibited by federal or state law (as such laws may from time to time be amended), including but not limited to race, gender, age, disability, national origin, citizenship, and religious preference. The *Complaints and Grievances* policy in Section IV may be used to present any complaint alleging unlawful discrimination or harassment, subject to the limitations set forth therein.
- 5.13.2 Implementing Regulations Authorized – The Superintendent is authorized and directed to implement such rules, regulations, procedures, and directives as necessary and appropriate to implement and enforce this policy and any law prohibiting discrimination in the workplace, including the designation of one or more complaint/grievance investigators, officials, or coordinators, the development of complaint or grievance procedures for responding to allegations of unlawful discrimination, the provision of training or dissemination of

instructional materials and advisories to appropriate staff members, and the administration of corrective or remedial action in response to violations of the law and of this policy.

5.14 *Anti-Harassment*

The Board strictly prohibits harassment of any person or group of persons on the basis of a legally-protected characteristic or status. These include, but may not be limited to, race, color, religion, sex, pregnancy, national origin, citizenship, age, disability, genetic composition or background, FMLA activity, military service or veteran status, and participation in legally-protected activity. Every employee is expected to uphold this policy and is responsible for maintaining a respectful and professional educational and work environment. When proper notice is provided, the Board will immediately investigate allegations of Prohibited Harassment, as defined herein, and will take appropriate disciplinary action where warranted.

5.14.1 Definition of Prohibited Harassment – Prohibited Harassment is unwelcome verbal, physical, visual or other conduct directed against any person or group, based upon characteristics or activities protected by federal or state law that has the purpose or effect of unreasonably interfering with an individual's working environment or work performance or creating an offensive, demeaning, or intimidating environment for that person or group of persons. Harassment may not be unlawful by applicable legal standards unless it is severe or pervasive. However, any Prohibited Harassment shall constitute a violation of this policy and may result in appropriate disciplinary action.

5.14.2 Examples of Prohibited Harassment – The following are examples of conduct that may constitute discriminatory harassment:

- a. Verbal harassment may include but is not limited to epithets, derogatory comments or slurs based upon one of the characteristics or status listed above.
- b. Physical harassment may include but is not limited to assault, unwanted touching, impeding or blocking movement, or any physical interference with normal work or movement, when directed at an individual because of an individual's protected class or status.
- c. Visual forms of harassment may include but are not limited to derogatory posters, cartoons or drawings based upon an individual's protected characteristic.
- d. Sexual harassment, as one example of Prohibited Harassment, is defined as any unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature, because of an individual's sex, when: (1) submission to such conduct is an explicit or implicit

condition of employment; (2) submission to or rejection of such conduct is used as the basis for employment decisions; (3) or such conduct has the purpose or effect of unreasonably interfering with the individual's work performance or creating an intimidating, hostile, or offensive working environment.

5.14.3 Employee Complaint Resolution

- a. *Reporting* - When an employee feels that he or she has been subjected to Prohibited Harassment, or observes or is otherwise aware of an incident of Prohibited Harassment, the employee must report the matter immediately in the manner set out below.
- b. *Informal Reporting* – Under no circumstances should an employee pursue resolution of a potential Prohibited Harassment situation through informal reporting only. Although employees are encouraged to work together to resolve differences, and while reports to first-line supervisors may be helpful, the Board cannot properly oversee and investigate a situation without proper notice in the manner set out below. Informal complaints to co-workers and reports to first-line supervisors will not comply with this policy and cannot provide notice to the Board of the problem. Employees **MUST** follow the complaint procedure set out below.

5.14.4 Complaint Procedure

- a. *Persons Responsible for Receiving and Investigating Complaints* – The Superintendent is responsible for adjudicating complaints regarding Prohibited Harassment. The Superintendent designates the Assistant Superintendent as the person responsible for receiving reports of alleged Prohibited Harassment. All complaints should be voiced directly to the Assistant Superintendent. The Assistant Superintendent can be reached at (256) 773-5419. However, under no circumstances will an employee be required to present the complaint to the person who is the subject of the complaint, nor will the complaint be adjudicated by the person who is the subject of the complaint. Accordingly, if the complaint concerns the Assistant Superintendent, the complaint may be made directly to the Superintendent, or if the Superintendent is the subject of the complaint, directly to the President or Vice-President of the Board.
- b. *Complaint form, contents* – Complaints should be made in writing, signed by the complainant, and should fully describe the circumstances surrounding the alleged Prohibited Harassment. Harassment complaints that cannot be made in writing should be memorialized by the Assistant Superintendent or other appropriate recipient of the complaint.

- c. *Investigation* – The Assistant Superintendent and the Superintendent will promptly investigate the complaint, review the results of any investigation with legal counsel or other appropriate officials, make any findings that are supported by the investigation, and recommend appropriate action based on these findings. The complainant will be informed of any action that is taken as a result of the investigation.
 - d. *Review by the Superintendent and the Board* – A complaining party who is not satisfied with the investigation or resolution of the complaint may request that the Superintendent take additional or different action or present the complaint to the Board for its review and action. In such case, the Board will render a final decision as soon as practicable.
- 5.14.5 Confidentiality – To the greatest extent practicable, reports of Prohibited Harassment will be kept confidential; however, complete confidentiality cannot be guaranteed because it is critical that the Board conduct a full and fair investigation.
- 5.14.6 Retaliation Prohibited – No retaliation or adverse action may be imposed as a result of a good faith complaint or report of harassment. If any employee believes he or she has been subjected to retaliation or adverse action as a result of a complaint, the employee must raise that concern in the same manner as set out in this policy. If the employee feels that the person retaliating or otherwise taking adverse action against you is the same person to whom you are to report such matters, you may proceed directly to the Assistant Superintendent, the Superintendent, or the President or Vice-President of the Board, as the circumstances may require.
- 5.14.7 Penalties for Violation – Any employee who violates the terms of this policy or who impedes or unreasonably refuses to cooperate with a Board investigation regarding allegations of Prohibited Harassment will be subject to appropriate disciplinary action, up to and including termination.

Revised: May, 2015

5.15 *Reduction-In-Force*

5.15.1 Definition and Scope –

- a. This policy applies to reductions-in-force that are implemented by “layoffs” as contemplated by Ala. Code §16-1-33 (1975).
- b. A reduction-in-force may be declared by the Board of Education and layoffs approved thereunder if the Board determines that decreased student enrollment or a shortage of revenues requires a reduction in the work force (beyond normal attrition) in order to maintain effective

provision of educational services or to meet the Board's financial, legal, or operational obligations.

- c. A "layoff" within the meaning of this policy is a separation from employment with the Board of Education. However, employees who are laid off under authority of this policy are eligible for recall to employment as conditionally provided in this policy. *[Optional: Moreover, layoffs are not terminations within the meaning of the Students First Act of 2011 and are not subject to the procedural or substantive requirements thereof.]* Nor does the term "layoff" include or apply to the expiration of temporary, occasional, or "at-will" appointments or to decisions not to renew or extend employment beyond the expiration of annual or other specified terms of appointment.

5.15.2 Criteria for Implementing Layoffs –

- a. The order, priority, rank, or selection of individual employees who are to be laid off under authority of this policy shall be determined on the basis of objective criteria. However, nothing herein shall be deemed or construed to limit or abridge the Board's legislative discretion to identify areas, departments, groupings, or classifications for reductions (layoffs). (For example, the Board is not required to justify by objective criteria or otherwise a decision to implement layoffs in noninstructional categories or employees before doing so with instructional staff).
- b. The criterion or criteria on which the layoffs are to be based shall be announced or otherwise made known by the Board to employees affected by the layoff no later than the date notice of the layoff is provided to the employees.
- c. "Objective criteria" within the meaning of this policy may include any lawful selection standard (or combination of standards) that is verifiable, calculable, measurable, or otherwise determinable by means or methods other than the personal or subjective judgments or opinions of the person(s) applying the criteria, and that would be expected to produce the same result if applied to the same employees or group of employees by different persons. For purposes of this policy, objective criteria may include, but are not limited to:
1. Seniority, longevity, or time in service that will be more specifically described in the notice of layoff that is provided to affected employees
 2. Years of experience
 3. Degrees, certification, or licensure
 4. Job classification

5. Written or otherwise documented performance evaluations that can be fairly, accurately, and objectively compared to other similarly situated employees for the purpose of ordering or ranking, provided that such evaluations predate the RIF announcement or declaration by not less than thirty days

5.15.3 Recall – Employees who have been laid off under the terms of this policy will be given priority in filling positions as enrollment or financial circumstances warrant, provided that:

- a. The nature of the position and qualifications therefore have not materially changed;
- b. The laid-off employee remains properly qualified, licensed, or certified; and
- c. The laid-off employee confirms in writing his or her availability for and interest in re-employment to the Board’s Director of Human Resources in accordance with any directives that may be contained in or transmitted in conjunction with the notice of layoff.

Circumstances permitting, and to the extent practicable, the selection of employees for recall will be based on the criteria that were applied to the layoffs themselves if there are more employees eligible for recall than positions available to fill. When layoffs occur over a period of time, the Board will take relative length of separation from service into consideration in assigning recall priority, other factors being equal. In no case will any right to be recalled to employment extend beyond one year from the effective date of the employee’s layoff. Recalled employees will retain credit for the tenure, years of service, and the pay and benefit status they held on the effective date of their layoff. No pay, benefits, status, or additional rights will accrue or be credited to the recalled employee for the time he or she has been laid off.

5.15.4 Notice – Notification of layoff and recall shall be by United States certified or registered mail, hand delivery, or such other means as are reasonable under the circumstances. Upon receipt of notification of recall, a laid-off employee shall respond affirmatively to the notice of recall in accordance with such specific directions or instructions as may be contained therein. Any laid-off employee who does not so respond or who otherwise declines an offer of reemployment by the Board will be deemed to have waived any right to be recalled under the terms of this policy.

5.16 *Unauthorized Payments*

5.16.1 Notification to the Employee – Upon discovery of any unauthorized or erroneous payment or disbursement of funds to an employee, the Board will attempt in good faith to notify the employee of such unauthorized payment and to reach agreement

with the employee, if possible, regarding the amount and terms of repayment. Notification to the employee will consist of a letter mailed or delivered to the employee's last known address. The notice will specify the amount owed, the method by which the amount was calculated, a proposed schedule of repayment, an opportunity for the employee to review or examine any documents or other evidence supporting the claimed overpayment, and an opportunity for the employee to object in person or in writing to the amount or manner of the proposed withholding to provide an alternative plan of repayment. Unless the Board's ability to recover funds in question could be jeopardized by doing so, the Board will arrange a reasonable schedule of repayment so as to avoid undue hardship to the employee.

- 5.16.2 Retention and Recovery Authorized – If no objection to the proposed withholding is received within a reasonable time (to be specified in the notification letter), monies may be retained in the manner and to the extent described in the notification. If the employee objects to the proposed withholding, the Superintendent or his designee may, upon consideration of the objection and information and argument (if any) submitted in connection therewith, take such action as may be warranted under the circumstances and inform the employee in writing of the decision. If the employee is dissatisfied, he may contest the decision through the Board's complaint procedure. Monies may be withheld by the Board pending completion of the grievance process, provided that, should the Board later pay over to the employee monies that have been retained under authority of this policy, such payment(s) will reflect all appropriate deductions and will include accrued interest from the date of withholding at the rate specified by the then-effective rate applicable to interest on unpaid judgments under Alabama law. If, after exhausting reasonable efforts to do so, the Board is unable to contact the employee in the first instance, the Board may retain or withhold from compensation or other payments due the employee an amount sufficient to satisfy the indebtedness; provided that any such retention or withholding will be subject to review and reconsideration at the request of the employee.
- 5.16.3 Repayment Required as a Condition of Reemployment – The Board reserves the right to require repayment of any outstanding indebtedness as a condition to reemployment of any former employee.
- 5.16.4 Procedures Not Exclusive – The provisions, procedures, and method of review specified herein are in addition to those that are otherwise available to the parties under law for the retention or recovery of funds, and for administrative or judicial review thereof.

5.17 Drug and Alcohol Testing of Safety Sensitive Employees

- 5.17.1 Scope – The Board will conduct employee drug and alcohol testing for employees in safety sensitive positions as required by and in accordance with federal law. Testing will be required for all employees holding a commercial drivers' license

(CDL) or who occupy a safety sensitive position as designated by the Board (“covered employees”).

5.17.2 Prohibited Alcohol and Controlled Substance-Related Conduct – In addition to activities identified in other policies, rules, and procedures, Board employees are prohibited from the following:

- a. Reporting for duty or remaining on duty to perform safety-sensitive functions while having an alcohol concentration in excess of the standard set by the Federal Highway Administration (FHWA);
- b. Being on duty or operating a vehicle while possessing alcohol
- c. Consuming alcohol while performing safety-sensitive functions;
- d. Consuming alcohol within eight hours following an accident for which a post-accident alcohol test is required, or prior to undergoing a post-accident alcohol test, whichever comes first;

- f. Consuming alcohol or being under the influence of alcohol within four (4) hours of going on duty, operating, or having physical control of a vehicle;
- g. Reporting for duty or remaining on duty when using any controlled substance, except when instructed by a physician who has advised the employee and the Board that the substance does not adversely impact the performance of any safety-sensitive duty;
- h. Reporting for duty, remaining on duty, or performing safety sensitive functions with controlled substances in the employee’s system.

In the event of a violation of this policy, the employee shall be removed immediately from safety-sensitive duties and shall be subject to such further actions, including disciplinary action up to and including termination, as deemed appropriate by the Superintendent and the Board.

5.17.3 Testing Program Authorized – The Superintendent is directed to establish a testing program whereby all covered employees will be tested for the presence of alcohol and controlled substances. The following tests may be conducted:

- a. *Pre-employment Testing* – Prior to the first time a covered employee performs a safety-sensitive function for the Board, the employee must undergo testing for alcohol and controlled substances.

- b. *Post-accident Testing* – Each surviving driver of an accident, as defined by the FHWA, will be tested for alcohol and controlled substances. In addition, covered employees who are involved in an accident involving injury to a person, or property damage in excess of five hundred dollars (\$500.00) will be subject to post-accident testing.
- c. *Random Testing* – The Board will conduct unannounced random alcohol and controlled substance testing of its covered employees.
- d. *Reasonable Suspicion Testing* – A covered employee must submit to alcohol or controlled substance testing whenever there is reasonable suspicion of alcohol misuse or the use of controlled substances based on specific, contemporaneous, and articulable observations concerning the appearance, behavior, speech, or bodily odors of the employee.
- e. *Return-to-Duty Testing* – A covered employee must submit to return-to-work alcohol and/or controlled substance test before being permitted to return to work following a positive alcohol or controlled substance test or other violation of this policy or federal regulations.
- f. *Follow-up Testing* – Any employee who continues performing safety-sensitive functions for the Board, following a determination that the employee requires assistance in resolving problems associated with alcohol misuse or the use of controlled substances, shall be subject to unannounced follow-up alcohol or controlled substance testing as directed by the Board’s substance abuse professional (SAP).

5.17.4 Administration of Program – The Superintendent or his designee is authorized to oversee the Board’s testing program, to contract with appropriate providers to implement the program, to develop guidelines, rules and regulations, to implement training programs, to develop and distribute educational materials and appropriate notices to covered employees, and to take such further action as may be required by federal law.

5.18 *Searches (Personnel)*

- a. *Board Property* – All school system property, facilities, and grounds may be entered, inspected, and searched for any lawful purpose by Board officials or their designees at any time, without prior notice and to the fullest extent permitted by law. The right to enter, inspect, and search includes and extends to (but is not limited to) Board owned or controlled offices, desks, file cabinets, lockers, storage areas, computers, files, documents, data, and devices however and wherever kept, stored, or maintained.
- b. *Employee Property* – The Board reserves the right to inspect employees’ vehicles, purses, files, and other personal property if a supervisor forms a reasonable individualized suspicion that the property contains evidence of a violation of Board

policy or contains any material, object, or substance that otherwise creates or presents a risk of harm or injury to the school, the workplace, or persons therein.

- c. *Use of Recovered Items* – Property, material, substances, information, or records that are obtained, discovered, or recovered as a result of a search may be retained and used for any lawful purpose.

5.19 Teachers' Bill of Rights

In accordance with the Teachers' Bill of Rights, enrolled as SB157, effective June 1, 2024, students may be excluded from the classroom by the teacher in limited circumstances if the teacher follows an approved classroom management plan and related procedures. The Superintendent is authorized to promulgate procedures and guidance, consistent with the Teachers' Bill of Rights, to provide an outline for development and approval of required classroom management plans, the standards applicable to the removal of a student from the classroom by a teacher, and an appeal process available to a teacher if a student is returned to the classroom by the principal.

- 6.1.1 Compulsory Attendance and Entrance Age – All persons between the age of six (6) and seventeen (17) years of age are required by state law to attend school for the minimum number of scholastic days prescribed by the State Board of Education unless the person holds a certificate of exemption issued by the Superintendent or is otherwise exempt under state law.

[Reference: ALA. CODE §16-28-3 (1975)]

6.1.2 Admission to Schools –

- a. *Resident Students* – School-age children who reside within the municipal limits of the City of Hartselle, Alabama, may be admitted to Hartselle City Schools. For purposes of this policy, the residence of the student will be the residence of the custodial parent or legal guardian. If custody of the child is shared, alternating, or unclear, or if the child does not reside with a custodial parent or legal guardian, the domicile or actual physical residence of the child will control, except when there is evidence that the claimed residence of the child is not his actual residence, or that the claimed residence is fraudulently given as a means of avoiding or violating admission, enrollment, attendance, and residency standards and requirements.
- b. *Non-resident Students* – The Board may permit students who do not reside within the Hartselle City School District to attend schools within the school system. The Board may establish criteria for admission of non-resident students, and may require the payment of tuition as a prerequisite to enrollment. No nonresident student will be enrolled in the District if the student has been expelled or suspended from another school system. The Board will not provide transportation to and from school or homebound instruction outside of the municipal limits of the City of Hartselle. Nonresident students may be immediately withdrawn or denied reenrollment if false information has been provided or if discipline issues arise.
- c. *Protected Class*
 - (i) *Enrollment.* Homeless students as defined by the McKinney-Vento Act, immigrant students, migrant students, and students who are classified as English language learners and students in Foster Care, will be permitted to enroll without regard to residency status and will not be denied services offered to other students in the school system. Homeless students may also be entitled to other

accommodations under federal law. Hartselle City Schools addresses barriers to enrollment.

Homeless students will continue in the school they attended before becoming homeless for the duration of their homelessness, or for the remainder of the academic year if the student becomes permanently housed during an academic year. Otherwise, a homeless student may be enrolled in any school in the system that non-homeless students who live in the attendance area in which the student is living are eligible to attend.

[Revised November 17, 2020]

- (ii) *Dispute Resolution.* When a dispute arises regarding school placement, the system will immediately enroll the homeless student in the school in which enrollment is sought by the parent, guardian, or unaccompanied youth, pending resolution of the dispute. The school will provide the parent, guardian, or unaccompanied youth with a written explanation of the decision, a statement of the right to appeal, and the procedure for appealing the placement decision. The principal of the school will notify the Board's Homeless Liaison of the dispute.

If the dispute has not been satisfactorily resolved at the district level, parents/guardians or unaccompanied youth should be informed of their right to appeal the decision to the Homeless Education Coordinator at the Alabama State Department of Education at 1-888-725-9321.

- (iii) The Homeless Liaison will expeditiously carry out the system's dispute resolution procedures as detailed in the Board's homeless student plan.
- d. *Students Expelled or Suspended from Other School Systems* – Any student who is under suspension or expulsion from another school system or a private, parochial, or other school will not be permitted to enroll until the student has satisfied the conditions for readmission set by the expelling or suspending board or authority in addition to generally applicable admission requirements established by the Board, which may include temporary attendance at the alternative school. No out-of-district students will be enrolled.
 - e. *Required Documentation* – Students entering the school system for the first time, regardless of grade level, will be required to submit a certified birth certificate, documentation or other proof of residency, and such other registration materials as school officials may reasonably require, including but not limited to a certificate of immunization or an exemption as prescribed by the Department of Health and signed by a private physician

or appropriate health department official. Suspected changes in residency will be investigated and enrollment may be denied. The Superintendent may accept alternate forms of evidence or modify otherwise applicable requirements as necessary and appropriate to accommodate migrant, immigrant, or homeless students.

f. *Placement of Students* – The Board will determine the placement of newly enrolled students in accordance with state law.

6.1.2 Class Assignment – Principals will assign students to classes in keeping with school accreditation standards and any procedures or criteria that may be established at the system or school level.

6.1.3 Absences and Excuses – Students are not permitted to be absent from school without a valid excuse. Absences will be designated as excused or unexcused. Excused absences will be permitted for the following reasons:

- Personal illness
- Hospitalization
- Emergency
- Death in immediate family
- Court subpoena
- Religious holidays
- Absences with prior principal approval

Documentation supporting an excused absence must be submitted in a timely manner or the absence will be deemed to be unexcused in accordance with standards and procedures specified in the Student Code of Conduct. Excessive unexcused absences may result in a loss of academic credit or referral of the matter to juvenile or other appropriate legal authorities for investigation.

6.1.4 Truancy – Parents or guardians are required to ensure that students under their care, custody or control attend school regularly. Habitual or excessive absence from school may require Board officials to refer the matter to juvenile authorities or to initiate truancy proceedings.

6.2 *Transfers and Withdrawals*

6.2.1 Transfers – The Board may permit transfers between schools within the school system for good cause. Transfer requests must be submitted in writing and must include detailed reasons for the request. The Superintendent may approve or deny a transfer request in light of the stated reasons for the request, the capacity and resources of the schools, the student’s record (including behavior, grades, attendance, and other factors), and the best interests of the student and of the school system. The existence or availability of a transfer process does not create

or give rise to any right to attend a particular school, and school assignment remains wholly with the discretion of the Board.

- 6.2.2 Withdrawals – No student of compulsory attendance age will be permitted to withdraw from school except in accordance with state law and any withdrawal procedures that may be developed by the Superintendent.

[Reference: Ala. Admin. Code 290-3-1-.02]

6.3 *Student Fees, Fines, and Charges*

Reasonable fees, fines, and charges not prohibited by law may be established by the Superintendent. All such fees, fines, and charges will be collected and accounted for in accordance with the procedures, rules, and regulations to be developed by the Chief School Financial Officer or as provided in the Board finance or local school finance manual(s).

6.4 *Extracurricular Activities*

- 6.4.1 General – Students may be offered an opportunity to participate in extracurricular activities and organizations. Extracurricular activities must meet the following criteria:

- a. The organization or activity must be approved by the school principal and must have an assigned faculty supervisor or sponsor;
- b. The organization or activity must promote or serve the intellectual, cultural, personal, or physical development of the student in a manner that is consistent with the purposes of public education, the Board’s legal mandate, mission statement, policies, and regulations, and with applicable requirements of state and federal law;
- c. The organization or activity must operate under and subject to general supervision of school officials; and
- d. The nature of the organization and its activities are not inconsistent with and do not interfere with instructional activities of requirements.

Student participation or membership in such organization activities may be governed by the specific policies of the organization and is subject to review and approval by the principal.

- 6.4.2 Athletics – Participation in Board sanctioned athletic programs will be on such terms and conditions as may be approved by the Board and any athletic association of which the Board is a member. Schools may establish terms and conditions for participation in such programs as long as school eligibility criteria are not inconsistent with system-wide eligibility or participation criteria, rules, regulations, or standards established by any athletic association or organization of

which the Board is a member, or any rule, principle, or provision of applicable law.

6.4.3 Academic Ineligibility – The Board prescribes the following regulations for eligibility in this school system to participate in all extracurricular activities.

Students entering Grades 10 through 12 must, for the immediate preceding school year, have passing grades of at least a 70 composite numerical average and earn the appropriate number of credits in each of six (6) subjects that total six (6) Carnegie units of credit, including four (4) credits from the four (4) core subjects composed of English, science, social studies, and mathematics.

- a. Physical education may count as only one (1) unit per year.
- b. No more than two (2) Carnegie units may be made up during summer school. If a unit(s) or subject(s) is repeated in summer school, the higher numerical grade for the unit(s) or subject(s) may be used to compute the composite grade average.
- c. Eligibility will be determined on the first day of the local school year and will remain in effect for one (1) complete school year. Students ineligible at the beginning of an academic year may become eligible at the end of the first semester if they meet all academic requirements at that time. *Bona fide* transfers may be dealt with according to the rules of the Alabama High School Athletic Association for sports and rules to be developed by this Board of Education as they pertain to other extracurricular activities.
- d. Each eligible student involved in athletics must meet the definition of a regular student as defined by the Alabama High School Athletic Association.
- e. Any student who earns more than four (4) credits in the core curriculum in any given year or who accumulates a total in excess of the required four (4) per year may be exempt from earning the four (4) core courses in the succeeding year as long as that student remains on schedule for graduation with his/her class.

Students entering Grades 8 and 9 must, for the immediately preceding school year, have a passing grade in five (5) subjects with a composite numerical average of 70 with all other rules applying the same as to students in Grades 10 – 12.

Students promoted to the seventh grade for the first time are eligible.

For the purposes of this subsection, extracurricular activities associated with athletics are defined as those recognized and sanctioned by the Alabama High School Athletic Association, and other extracurricular activities are defined as those that are sanctioned by a public school that

are not related to a student's academic requirements or success in a course(s). Regular curricular activities are defined as those that are required for satisfactory course completion. School sponsors are required to submit a request for each curricular activity that occurs outside the regular school day and/or school to the principal, Superintendent, and the local Board of Education for approval. Each request for full participation by all students, regardless of academic standing, in a curricular activity will be granted if the principal, Superintendent, and the local Board of Education approve participation in the activity as an extension of a course(s) requirement(s) and it is an event sanctioned by a state/national subject matter association. Notwithstanding anything to the contrary in this policy, student participation in extracurricular activities offered by the school through math, science, band, choral, music, and other courses at events such as athletic events (pre-game, game, halftime, or other breaks), club conventions, parades, amusement park trips and competitions, trips by tour companies, performance at various meetings, etc. are extracurricular, and students academically ineligible under this policy will not be allowed to participate.

[Reference: Ala. Admin. Code 290-3-1-.02(19)]

6.5 *Off-Campus Events*

Student participation in and travel to off-campus events, concerts, functions, and activities, and the use of school buses or other transportation for such purposes may be authorized under and subject to the following terms and conditions:

- a. The destination is an activity, event, or function that services a *bona fide* educational or related extracurricular purpose, or is an athletic event or function sponsored or sanctioned by the school or the school system and the state athletic association;
- b. Adequate information regarding the trip (e.g., destination, duration, purpose, educational purpose, mode of transportation, nature and extent of student participation) has been provided to the principal, program director, and Superintendent.
- c. Adequate arrangements are made for supervision and other risk management considerations (e.g., parental permission, medical treatment authorization, special insurance requirements);
- d. Properly certified and qualified drivers have been selected and arrangements for the costs of the trip (e.g., salary, fuels, maintenance, lodging) have been made; and
- e. Board approval for out-of-state trips is required.

The Superintendent is authorized to develop additional specific requirements for participation in and travel to and from official events and activities that are consistent with the terms of this policy.

6.6 *Student Publications*

The Principal, with the approval of the Superintendent, is authorized to develop rules and regulations regarding student publications. Student publications are subject to and will be expected to meet standards associated with responsible journalism. The principal and student publication sponsor are responsible for the content of such publications.

6.7 *Student Employment (Work Release)*

Off school campus student employment during regular school hours may be authorized under and subject to the following terms and conditions:

- b. The employment does not conflict with the student's academic coursework;
- c. The employment is necessary for the student to continue in school;
- d. Written approval is obtained from the student's parent or legal guardian and the Superintendent or his designee;
- e. Other rules, regulations, and requirements, including those pertaining to early dismissal or checkout, are observed; and
- f. Other rules and regulations that may be developed by the Superintendent and approved by the Board.

No student will be unlawfully excluded from participation in, be denied the benefits of, or subjected to discrimination in any program or activity offered or sponsored by the Board on the basis of race, ethnicity, color, disability, creed, national origin, sex, immigrant or migrant status, non-English speaking ability, or homeless status.

6.9 *Title IX*

6.9.1 Prohibition – In accordance with Title IX (20 U.S.C. §1681, *et seq.*), the Board strictly prohibits discrimination on the basis of sex or gender in its programs or activities, including sexual harassment, as defined by law and Board policy. Sexual harassment complaints should be filed and reviewed under the Board's student sexual harassment policy. All other complaints under Title IX will be filed and reviewed according to the Board's general complaint and grievance procedures.

- 6.9.2 Title IX Coordinator – The Superintendent is authorized and directed to designate a Title IX Coordinator, whose duties will include but not be limited to receiving and responding to Title IX inquiries and complaints.

6.10 *Student Sexual Harassment*

- 6.10.1 Sexual Harassment Prohibited – Sexual harassment in any form that is directed toward students is prohibited. Persons who violate the policy will be subject to the full range of disciplinary consequences up to and including termination (for employees) and expulsion (for students) as dictated by the nature and severity of the violation and other relevant considerations. If appropriate, the circumstances constituting the violation may be reported to law enforcement agencies or child welfare agencies for further investigation and action.
- 6.10.2 Definition – For purposes of this policy, sexual harassment means unwelcome sexual advances, requests for sexual favors, other physical or verbal conduct or communications of a sexual nature, and any other gender-based harassment, whether initiated by students, school employees, or third parties, when:
- a. Submission to the conduct is made explicitly or implicitly a term or condition of the student’s education, including any aspect of the student’s participation in school-sponsored activities, or any other aspect of the student’s education;
 - b. Submission to or rejection of the conduct is used as the basis for decisions affecting the student’s academic performance, participation in school-sponsored activities, or any other aspect of the student’s education;
 - c. The conduct has the purpose and effect of unreasonably interfering with a student’s academic performance or participation in school-sponsored activities or creating an intimidating, hostile, or offensive education environment.

The following are examples of conduct that may constitute sexual harassment, depending on the circumstances:

- a. Verbal harassment or abuse of a sexual nature, including graphic comments, the display of sexually suggestive objects or pictures, and sexual propositions;
- b. Repeated unwelcome solicitations of sexual activity or sexual contact;
- c. Unwelcome, inappropriate sexual touchings;
- d. Demands for sexual favors accompanied by implied or overt promises of preferential treatment or threats with regard to the student’s educational status.

- 6.10.3 Sexual Harassment Complaint Procedures Authorized – The Superintendent is authorized and directed to establish, implement and revise more detailed sexual harassment complaint procedures that are designed to provide students who believe that they are victims of unlawful sexual harassment with a thorough, discreet, and prompt internal procedure for investigating and resolving sexual harassment complaints. The procedures will be drafted so as to facilitate the gathering of relevant facts and evidence, permit timely assessment of the merits of the complaint, provide an opportunity for informal resolution of complaint where appropriate, eliminate any harassment that is established by the investigation, and prevent any retaliation based upon the filing of the complaint. The procedures will reflect due regard for the legal rights and interests of all persons involved in the complaint, and will be drafted, explained, and implemented so as to be understandable and accessible to all student population groups and ages.
- 6.10.4 Initial Confrontation of Accused Harasser Not Required – A student who invokes the harassment complaint procedure will not be required to present the complaint to the accused or suspected harasser for resolution. Students will be permitted to report allegations of suspected harassment to any appropriate Board administrator, teacher, counselor, or employee, and such persons have a duty to promptly refer such allegations to the Superintendent or to take such action as may be required by the procedures established under “Sexual Harassment Complaint Procedures Authorized” (6.8.3) above. In no case will any employee who is the subject of a complaint be permitted to conduct, review, or otherwise exercise decisionmaking responsibility in connection with the processing of the complaint.
- 6.10.5 Notice of Policy to be Promulgated – The Superintendent or his designee will promulgate and disseminate this policy and the complaint procedures to the schools and will take such other steps and measures as may be reasonably available and expedient for informing the school community of the conduct prohibited by this policy and the recourse available to students who believe that they have been subjected to sexual harassment.

6.11 *Protection of Pupil Rights Amendment*

- 6.11.1 Consent – The Board will obtain parental consent before students are required to participate in a survey that concerns one or more of the following protected areas ("protected information survey") if the survey is funded in whole or in part by a program of the U.S. Department of Education (ED):

- b. Any non-emergency, invasive physical exam or screening that is required as a condition of attendance, that is administered by the school or its agent, and that is not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under state law; and
- c. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or for the purpose of selling or otherwise distributing the information to others.

6.12 *Student Records*

Educational records as defined by law or Board policy will be available for examination and review by authorized persons in the manner prescribed and to the extent required by law. Except where the context requires otherwise, the term “educational records” has the meaning given in 20 U.S.C. 1232g(a)(4). Copies of such records may likewise be provided to the extent required and under circumstances specified by applicable law or regulation. In cases of acute or contagious illnesses, parents or guardians may be notified and required to pick up the student. If a parent or guardian is not available, the principal or school nurse may contact the Department of Public Health. School officials are authorized to take reasonable and appropriate steps to provide or arrange for the provision of emergency medical services to students who require immediate medical attention. In case of illness or accidental injury not requiring immediate medical attention, standard first aid procedures may be followed. The Superintendent is authorized to develop and promulgate procedures, rules, and regulations concerning the taking, administration, and handling of medication, and the treatment of anaphylaxis at school consistent with state law and appropriate health standards.

6.13.2 Mental Health Services - Mental Health Services will be provided in accordance with the following policy:

- A. Parental Opt-in Requirement for Students under Fourteen Years of Age. As required by Alabama Act 2022-442, no student under the age of fourteen may participate in ongoing school counseling services including, but not limited to, mental health services, unless (1) the student’s parent or legal guardian has submitted a written opt-in granting permission for the student to participate or (2) there is an imminent threat to the health of the student or others.
- B. Mental Health Services Defined. For purposes of this policy, “mental health services” includes services, treatment, surveys, or assessments relating to mental health; however, it does not include instructional activities designed to educate students regarding topics related to mental health (1) contained in the school system’s approved curriculum or (2) otherwise required to be taught by law (*e.g.*, Erin’s Law; Jason Flatt Act).

- C. Limits to Applicability of Policy. This policy is not applicable to any school counseling services or “mental health services” contained in a student’s PST, IEP, or §504 plan. Consent for those services will be obtained in accordance the specific procedures required by federal and/or state law, and information regarding any mental health services will be provided in the pertinent plan. The opt-in requirement under this policy is not applicable to students who are fourteen years of age or older.
- D. Notification Requirement. At least annually, the school system shall provide parents and legal guardians a written notification regarding school provided or sponsored mental health services. The notification will include the purpose and general description of each of the mental health services available; information regarding ways parents may review materials to be used in guidance and counseling programs available to students; and information regarding ways parents may allow, limit, or prevent their student’s participation in the programs.
- E. Opt-In Policies and Procedures.
1. *General Requirement* – For a student under the age of fourteen to participate in mental health services, written permission by the student’s parent or legal guardian is required annually. The written permission must be specific as to any treatment and not broad in nature. Parents and legal guardians will be provided the opportunity to opt-in electronically during online enrollment, in connection with annual acknowledgment of receipt of the Code of Student Conduct, or by such other means and methods as may be customarily used for such purposes.
 2. *Rescinding Permission* – A parent or guardian may rescind permission for a student under the age of fourteen to participate in mental health services at any time by providing written notice to the school principal.
 3. *Requests for Opt-In and Referrals Authorized* – If a parent or legal guardian does not initially opt-in to mental health services, school officials may contact the parent or legal guardian to (a) *attempt* to obtain permission for the student to participate in mental health services if the school official believes that the student would benefit from services, or if circumstance arise for which services could be beneficial; and/or (b) provide a parent or legal guardian with a referral or information regarding mental health services that may be available to a student through other agencies or providers.
 4. *Exception for Imminent Threat* – If a parent or legal guardian has not opted-in to mental health services, a student may be provided mental health services if there is an imminent threat to the health of the student or others. School employees may determine in their discretion whether such an imminent threat exists and provide any mental health services they deem necessary under the circumstances.

5. *Information for Parents/Legal Guardians* – If a student’s parent or legal guardian elects to opt-in to mental health services, the counselor providing services shall keep the parent fully informed regarding any diagnosis and any recommendations for additional counseling or treatments beyond the services for which the parent or legal guardian has already opted in. The parent shall have the authority to make final decisions regarding any such recommended counseling and *treatments*.

F. Recordkeeping – Written records maintained by the school system and directly related to a student’s mental health services will be treated in the same manner as health care records and are subject to the confidentiality protections applicable to education record generally. Such records will be available for examination and review by authorized persons in the manner prescribed and to the extent required by federal and/or state law. Records pertaining to a student’s mental health services will be kept separately from academic records unless including such record(s) in the student’s academic record is necessary to implement a state and/or federal law (*e.g.*, special education referral process).

6.14 *Student Conduct*

The Superintendent will prepare and present to the Board for adoption and periodic revision a Code of Student Conduct (“CSC”), with input from teachers, school personnel, students, parents and guardians, and other members of the education community and, as appropriate, the community at large. The CSC will comprehensively describe the rules and standards of conduct and discipline that will be maintained and enforced within Hartselle City Schools. The CSC will set forth the specific grounds for disciplinary action, the penalties, sanctions, or consequences that may be imposed for a violation of the CSC, the methods and procedures by which violations of the CSC will be determined, and any appeal or review procedures that are available to students. The CSC will incorporate applicable statutory and regulatory requirements, and the hearing and appeal procedures specified in the CSC will conform to applicable statutory and constitutional standards and requirements. The CSC may be incorporated in a student handbook and will be made available to all teachers, school personnel, students, parents and guardians at the beginning of each school year. The CSC will be deemed an extension of Board policy and will have the force and effect thereof.

6.15 *Searches (Students)*

a. *Board Property* – All school system property, facilities, and grounds may be entered, inspected, and searched for any lawful purpose by Board officials or their designees at any time, without prior notice and to the fullest extent permitted by law. The right to enter, inspect, and search includes and extends to (but is not

limited to) Board owned or controlled offices, desks, file cabinets, lockers, computers, files, documents, data, and devices however and wherever kept, stored, or maintained.

- b. *Personal Property* – Personal property, including but not limited to vehicles, purses, wallets, gym bags, book bags, cell phones, computers, and “personal digital assistant” (PDA) devices may be searched by authorized school officials, including school principals or their designees, when reasonable suspicion exists that the property contains prohibited materials, illegal substances, weapons, communications, or other items that are reasonably deemed to present a risk or threat to the safety or welfare of the school community.
- c. *Personal Searches* – Students may be searched whenever reasonable suspicion exists that the student possesses prohibited materials, illegal substances, weapons, communications, or other items that are reasonably deemed to present a risk or threat to the safety and welfare of the school community. Student searches must be conducted by a school administrator in the presence of another certified school employee and may include a private pat down of the student, a search of personal items and clothing. Refusal to submit to a search or to cooperate in a search as provided in this policy may be grounds for disciplinary action.
- d. *Use of Recovered Items* – Property, material, substances, information, or records that are obtained, discovered, or recovered as a result of a search may be retained and used for any lawful purpose.

6.16 *Corporal Punishment*

The Board allows reasonable corporal punishment of students under the following terms and conditions. Corporal punishment will be administered only as a disciplinary measure, with due regard for the age and physical condition of the student, and without excessive force. Corporal punishment will be administered by the school principal or his representative in the presence of another adult professional school system employee. 6.18 *Student Suspension (including Students with Disabilities)*

In order to maintain order, minimize the risk of potential personal injury, property damage or disruption, or to permit an orderly investigation and evaluation of a suspected violation of school or school system rules, standards, or policies, principals may temporarily suspend a student pending a conference with the parent or guardian of the student and a final disciplinary decision. Suspension may also be imposed as a disciplinary measure as provided in the Code of Student Conduct. Suspensions will be counted as unexcused absences. Make up work will be permitted for such absences unless permitting such work under the circumstances would be impractical or impossible, would serve no purpose, would place school personnel at risk of harm, or would be unreasonable in light of the grounds for the suspension. Suspension of students with disabilities will be subject to applicable limitations and requirements imposed by the Individuals with Disabilities Education Act (“IDEA”) and its implementing regulations.

6.19 *Student Expulsion (including Students with Disabilities)*

Students may be expelled from school for offenses serious enough to warrant such action as provided in Code of Student Conduct or other Board disciplinary policies. Students who are recommended for expulsion may be suspended until such time as the Board meets to consider the recommendation for expulsion. Reasonable notice of the proposed action, the reasons therefore, and an opportunity to be heard will be afforded to the student and the student’s parent or guardian prior to a final decision by the Board regarding expulsion. The Superintendent will notify the student or the student’s parent or guardian, in writing, of any action taken by the Board. The term of an expulsion may extend to the maximum permitted by law. The Board may impose such reasonable limitations on the student’s right to re-enroll in the school system following expiration of expulsion as may be permitted by law. A student who withdraws from school prior to the Board’s consideration of a proposed expulsion may not re-enroll in the school system until the Board holds a hearing or other appropriate proceedings regarding the recommended expulsion. Expulsion of students with disabilities will be subject to applicable limitations and requirements imposed by the Individuals with Disabilities Education Act (“IDEA”) and its implementing regulations.

6.20 *Electronic Communication Devices*

The use of wireless communication devices may be allowed for educational purposes at the discretion of the principal in all Hartselle City Schools.

- a. *Elementary and Middle School Students* – The use of personal, wireless communication devices by students is prohibited on school grounds or while students are being transported on a school bus, except as provided for herein. Students are permitted to keep personal wireless devices only in lockers, the school office, or other locations approved by the principal or his designee. The Board assumes no responsibility for theft, loss, or damage to

any personal/wireless communication device. The principal or his designee may approve the use of such devices during medical emergencies, natural disasters, after regular school hours, at events or under circumstances in which the use of the devices serves safety and convenience without disrupting academic or school operations. Principals or their designees will also have the authority to further restrict or deny the use of personal/wireless communication devices by any student to prevent the misuse, abuse, or violation of school rules regarding the use of such devices. School officials may read, examine, or inspect the contents of any such device upon reasonable suspicion that the device contains evidence of a violation of Board policy, the Code of Student Conduct, or other school rules.

- b. High School Students* – The use of personal, wireless communication devices by high school students is prohibited on school grounds or while students are being transported on a school bus, except as provided for herein. 6.21 *Drivers License*

6.21.1 Drivers License – Unless exempted from the requirement by Board policy, a person under the age of 19 years may not under state law obtain a driver’s license or a learner’s permit without being enrolled in school or meeting alternative criteria established by law. Additionally, a driver’s license may be suspended or revoked if a student withdraws or fails to attend school. Students may be exempted or excused from otherwise applicable statutory requirements if their withdrawal or nonattendance is caused by circumstances beyond the control of the student. Circumstances beyond the control of the student may be found with respect to:

- a. Students who are mentally or physically unable to attend school;
- b. Students who are regularly and legally employed in compliance with the provisions of the Child Labor Law; and
- c. Students who, because of the lack of public transportation, are compelled to walk more than two miles to attend a public school.

Students who are denied a driver's license by virtue of their nonenrollment may appeal a decision affecting the student's eligibility for a driver's license to the Superintendent. The appeal should be in writing and filed with the school principal within 15 days of the decision from which the appeal is taken, and should set forth the reasons on which the appeal is based. An appeal should be promptly forwarded to the Superintendent for review and final decision.

6.22 *Student Parking Privileges – Substance Abuse Policy*

In order to promote the safety and welfare of students and others who work on or visit school campuses, to encourage the development of safe and responsible driving practices, and to serve the general purposes of maintaining a drug and alcohol free school environment, students will be granted the privilege of driving and parking on school property only if they are free of the effects of alcohol or other illegal or controlled substances. Accordingly, any student who desires to drive a vehicle on school property or park on school property may be required to submit to periodically or randomly administered sobriety or drug tests as a condition to issuance of a permit authorizing the operation or parking of a motor vehicle on school grounds. Principals may impose reasonable additional conditions or requirements for the privilege of driving or parking a vehicle on school property including, for example, conditions relating to maintenance of academic and attendance standards and the payment of fees. Principals may also establish priorities for issuance and assignment of parking permits. The Board reserves the right to require that sobriety or drug tests or screenings be passed as a condition to maintaining parking or vehicle permits, or privileges relating to use of a motor vehicle. Such testing or screening may also be performed whenever a school official observes or is made aware of circumstances that provide reasonable suspicion or belief that the student has used alcohol, illegal drugs, or other substances in violation of the Board's substance abuse policies. All such testing or screening will be performed in accordance with local, state and federal laws, and procedures that are developed by the Superintendent for approval by the Board.

6.23 *Student Competitive Extracurricular Activity Substance Abuse Policy*

In order to promote the safety and welfare of students who participate in competitive extracurricular activities, to insure that such participation is neither impaired nor any risk of injury exacerbated, to provide incentives to students to maintain safe and healthful practices, and to promote a school environment that is free of alcohol and illegal drugs or controlled substances, the Board reserves the right to require any student who participates in extracurricular competitive programs or activities to submit to sobriety tests or screening for illegal drugs or controlled substances prior to, during, or following a competitive event, practice, competition, or at any other time while the student is under the supervision of the school system.

When there are observable circumstances which provide reasonable suspicion to believe a student who participates in extracurricular activities has used tobacco, alcohol, and/or other drugs, that student may be required to submit to drug testing at a Board approved laboratory. Determination that reasonable suspicion exists must be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech or body odors of the student.

The school official requiring testing shall complete and sign written documents explaining the circumstances and evidence upon which he/she relied within 24 hours of the testing, or before the results of the test are released, whichever is earlier. While a certified employee may recommend a reasonable suspicion test, he/she should, when possible, obtain a second school official's opinion as a witness.

All such testing or screening will be performed in accordance with local, state and federal laws, and standards and procedures specified in the Student Code of Conduct.

6.24 *Harassment, Violence, and Threats of Violence Prohibited*

6.24.1 Prohibition - No student shall engage in or be subject to harassment, violence, threats of violence, or intimidation by any other student that is based on any of the specific characteristics that have been identified by the Board in this policy. The complaint must be signed by the student alleging the violation or by the student's parent or legal guardian and delivered to the principal or the principal's designee either by mail or personal delivery. At the request of the complaining student or the student's parent or legal guardian, incidental or minor violations of the policy may be presented and resolved informally.

Upon receipt of the complaint, the principal or the principal's designee will, in their sole discretion, determine if the complaint alleges a serious violation of this policy. If the principal or the principal's designee determines that the complaint alleges a serious violation, the principal or the principal's designee will undertake an investigation of the complaint. The investigation will entail the gathering of relevant facts and evidence and will be conducted in a reasonably prompt time period taking into account the circumstances of the complaint. If the investigation establishes a violation, appropriate disciplinary sanctions will be imposed on the offending student(s). Other measures that are reasonably calculated to prevent a recurrence of the violation(s) may also be imposed by the principal or the school system.
