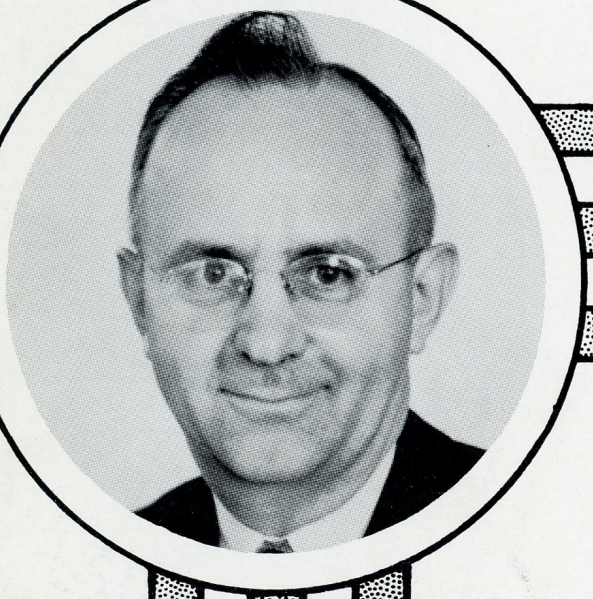
Principal's Message



To the students:

Our purpose in working with you at school has been to try to stimulate a desire to learn, to teach you how to live with others, and to help encourage in you strength of character, courage, and faith in God.

I want to congratulate the annual staff and their sponsor, Mr. Rowe, for the fine job on this annual. To the seniors I want to say it has been a pleasure working with you. May we wish for each of you a long and successful life and may God bless you along the way.

Sincerely,

J. C. Pettey
