- My favorite color is pink.
- My favorite food is pasta and sushi.
- My favorite drinks are Dr. Pepper, Diet Mtn Dew and coffee.
- I LOVE sweets.

EXPECTATIONS

This year 4th grade will be self contained, meaning they will not be changing classes for every subject. We will swap classes for reading and math and they will be taught science and Alabama history in their homeroom class. We are excited about this year and working together to make this year successful!

SCHEDULE

7:55-9:25	Math
9:25- 9:45	Snack/Recess
9:50-11:40	ELA
11:40-12:30	Science/AL History
12:30-12:55	Lunch
12:55- 1:30	Intervention
1:30-2:30	PE/Specials

Remind: 4th CES 22-23

COMMUNICATION

Communication will be done via Remind and Newsletter. Parents **MUST** sign up for the fourth grade Remind. Text @fab4ces to 81010.

The newsletter will be shared through Remind. Family time for teachers starts at 5:00 PM.

4TH GRADE PLANNERS

Each day your child will write in the planner that you purchase on MySchoolBucks. You can help to improve your child's personal responsibility by having them show you their planner daily. Most of your questions will be answered by checking your child's planner and reading the fourth grade newsletter.

LUNCH

4th grade lunch begins at 12:30. Breakfast and lunch will NOT be free this year. You can add money to their account through MySchoolBucks. Please send a snack everyday with your child to hold them over until lunch.

If you send a special treat for birthdays, please send enough for your homeroom class. This will be eaten during lunch.

WATER & SNACKS

Each student needs a refillable water bottle and snack at school. We have found it to be easier to send snacks for the week and they can store them in their lockers. We cannot provide cups and/or snacks for them.

DISMISSAL

Dismissal begins at 2:35. Transportation changes must be communicated to the teachers and office by 1:30. This is our time to check our email. If you send it after 1:30, we may not see the change and they will go home the way it is indicated on the transportation form in the office. We cannot take a child's word.

TOYS

Students are not allowed to bring any toys to school. This includes: pop-its, fidgets, trading cards, purses, make up, body spray/ perfume, etc. They are also not allowed to bring cell phones or wear smart watches to school.

HYGIENE

Each student needs to shower, use deodorant, brush their teeth and brush their hair daily. This is another way to improve their personal responsibility. We are letting you know that we will talk to all students about personal hygiene and the importance of staying clean.

DATING

Students are not allowed to date in fourth grade. We do not allow boys or girls to hold hands, hug or kiss.

SOCIAL MEDIA

It is up to you how much social media you allow your child to access. What goes in, will come out. They will learn noises, gestures, and vocabulary of sexual connotations that are not acceptable at school or on the bus. We want you to be prepared to have conversations with your child that you may or may not want to have. Unfortunately in the world we live in today, children are exposed to these things much earlier in age.

We are looking forward to having your child as a student! Parents, family members, and guardians are the driving force in their student's life and we are looking forward to partnering with you in your child's education this year!

WISH LIST

If you wish to help with extra supplies and games to keep our classroom running, it would be greatly appreciated. You do not know how much we appreciate every donation. Thank you for helping make this year GREAT!
