## Parent Assistance Needed!!

The purpose of this letter is to inform you that the Browning Springs Middle School Media Center houses Young Adult books. These items may contain material which has:

- \* mature subject matter
- \* language
- \* violence

As I purchase new books, or find them on the shelves, they are marked with an orange sticker with YA in the middle. This way, you and your child will know which books have this designation.

FYI – the following are some of the YA books that are popular with the students: The *Clique* series, *Ugly* series, *Private* series, *Twilight* series, *Cirque de Freak* series, *Maximum Ride* series, *Speak*, and *Poison*, just to list a few.

**Your signature is required** at the bottom of this notice if you wish to **allow** your child to read books labeled as Young Adult. Please have your child bring in the completed form or you may mail it at your convenience.

Since you are responsible for your child's reading selection, we urge you to become familiar with the Media Center's collection to assist your child in choosing appropriate materials. If you prefer that your child's borrowing privileges be restricted to the rest of the collection, then you do not need to do anything.

We appreciate your cooperation and look forward to serving your child in the library.

The staff of BSMS Media Center

I give my permission for \_\_\_\_\_ to check out Young Adult books from the Browning Springs Middle School Media Center. I understand that these items may contain material which has mature subject matter, language, and/or violence.
