# How to Extract Bubble Info for Grade/Gmade from Infinite Campus

Expand Ad Hoc Reporting > Data Export.

Under the Saved Query Wizard Filters, expand Curriculum Coordinator > Bubble Info.

Pick Comma Separated Values (CSV) for the export format, and click Export.

Open the file with Microsoft Excel.

Click here to select the entire spreadsheet, and then put your mouse between the A and B column. Then double click your mouse. This will expand all columns so that you can see the entire contents of each cell.
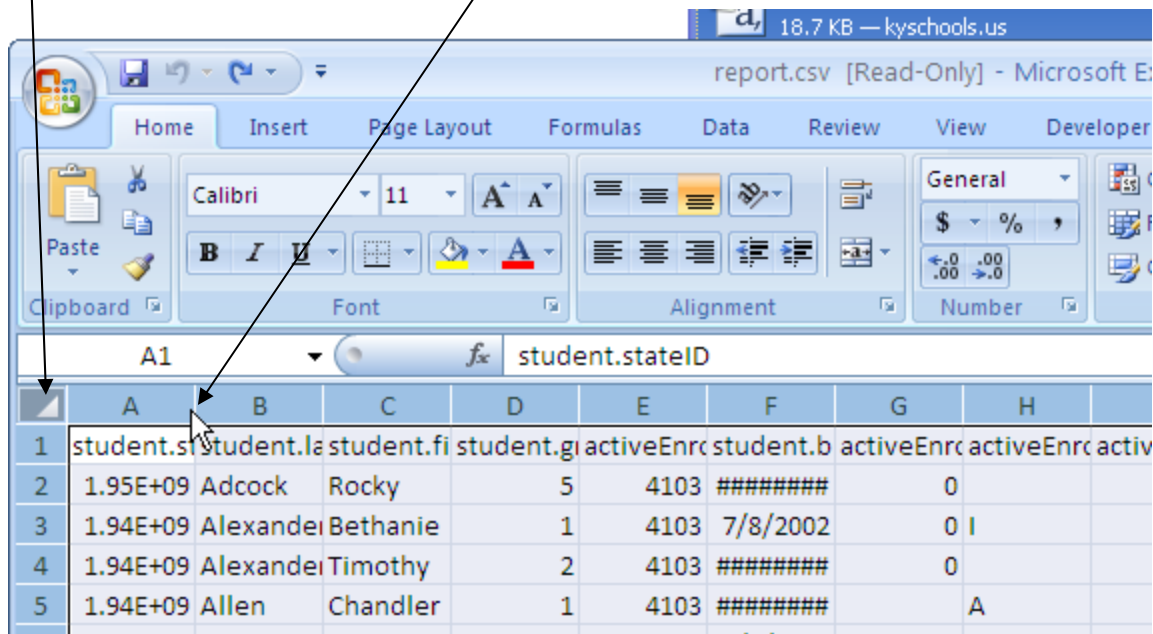

The following columns will give you the information needed for each of these fields:

| Information Needed | Column Name | What the codes mean |
|---|---|---|
| Free or Reduced Lunch | activeEnrollment.mealStatus | 4103 – Free<br>4198 – Paid<br>4104 – Reduced |
| Gifted & Talented | activeEnrollment.giftedTalented | A 1 means they are identified as GT |
| IEP | activeEnrollment.specialEdStatus | You are just looking for those with an A = Active<br><br>A: Active<br>AR: Active/Referred<br>ER: Eligible - Parents refused<br>I: Inactive<br>N: Not Eligible<br>PR: Pre-Referral<br>Z: Referred |
| 504 Plan | activeEnrollment.section504 | If there is a 1, they have a 504 plan. |
