

Dear Potential Sponsor:

Houston County Schools, Henry County Schools, and Dothan City Schools are having a collective teacher in-service on August 2, 2023 to celebrate the start of the new school year. Every teacher and staff member who work in those districts will attend this event. We want to show our love and support for the people who motivate and inspire the heartbeat of our community – the students!

We are seeking monetary donations, gift cards, and door prize gifts to elevate the experience for our attendees. As an active participant in this community, would your business be interested in supporting this event for our community educators?

Contributor's business logos will be displayed on screens throughout the event. They will also be publicly thanked during the event and on social media platforms for their heartfelt gift. Thank you for your time and consideration.
