# ATTENDANCE

## REGULAR ATTENDANCE IS NECESSARY FOR THE MAXIMUM PROGRESS IN SCHOOL.

Parents are urged to do everything possible to keep students in school regularly. Poor attendance promotes poor scholastic performance and is the primary cause of school dropouts. Please read and discuss the Houston County Code of Conduct Attendance Policy with your child(ren). **This policy will be strictly enforced.**

### Truancy Procedures for Houston County Schools

1. 3<sup>rd</sup> Unexcused Absence-Notify Guardian (phone call or letter)
2. 4<sup>th</sup> Unexcused Absence-Meeting with Guardian (Telephone conference)
3. 5<sup>th</sup> Unexcused Absence-Local School refers the student directly to the "Houston County Truancy Prevention Project" provided by SpectraCare
4. 6<sup>th</sup> Unexcused Absence-Refer to Early Warning Court
5. 7<sup>th</sup> Unexcused Absence-File a complaint with Juvenile Court Services

A student absent (unexcused & excused) from any class for more than fifteen (15) days per semester, is considered to be a student with chronic absenteeism and may not receive credit for the course.

## CHECK-INS (Tardies)/CHECK-OUTS

For a student to have an excused school check-in (tardy), they must have a note from a doctor/dentist/funeral/court documenting the date and time. We expect the student to return to school unless indicated differently on the excuse. Dental cleanings and orthodontist appointments **WILL NOT** be excused for an entire day unless otherwise indicated by the doctor. **Students will be allowed only one excused parent note check-in (tardy) for car trouble and one excused parent note check-in (tardy) for sickness.** If a student check-outs of school before 11:30am, their absence will be considered as an all-day absence; however, the student will receive credit for being present in the classes that they attended. **Please do not allow your child(ren) to check-out of school during special events or assemblies. CHECK-OUTS DO COUNT AGAINST YOUR CHILD AND CAN PREVENT THEM FROM PASSING TO THE NEXT GRADE.** Any student being tardy six (6) times in one class during a term will be subject to disciplinary action as written in the Houston County Student Code of Conduct Handbook.

**\*\*\*ALL STUDENTS CHECKING OUT DUE TO ILLNESS, MUST GO THROUGH THE SCHOOL NURSE IN ORDER FOR THE CHECK-OUT TO BE EXCUSED.**

## School Matters!

**In compliance with the Houston County Student Code of Conduct, Wicksburg High School will follow the following guidelines for unexcused tardies/check-ins/check-outs to school:**

### **Grades K-12**

4<sup>th</sup> & 5<sup>th</sup> Unexcused Tardy ---- Tardy Letter and/or Phone Call

6<sup>th</sup> & 7<sup>th</sup> Unexcused Tardy ---- 1 Day Before/After School Detention

8<sup>th</sup> & 9<sup>th</sup> Unexcused Tardy ---- 2 Days Before/After School Detention

10<sup>th</sup> & 11<sup>th</sup> Unexcused Tardy ---- 1 Day Saturday School

12<sup>th</sup> Unexcused Tardy ---- 3 Days Alternative School

\*\*\*Additional unexcused tardies/check-ins/check-outs to school will result in additional days of Alternative School.

**\*\*\* Please do not call ahead and ask us to have your child waiting for you in the office to check out.** Your child will be released from class upon your arrival. **Also there will be no check-outs after 2:30pm without the approval of an administrator.**

## **PERFECT ATTENDANCE**

In order for a student to receive perfect attendance recognition, he/she must not have an unexcused tardy to school and/or must not have checked out of school early. Perfect attendance policy applies to students transferring into the Houston County School System if there is proof that the record was maintained prior to transfer and that no time was lost between schools during transfer. Students who have been suspended or sent to the Alternative School will lose their perfect attendance exemption privileges.

## **DISCIPLINE**

Wicksburg School recognizes fully the constitutional rights of students enrolled in school. We recognize equally, however, its obligation to establish policy related to student behavior and discipline, which assures that a proper atmosphere for learning, will be maintained at Wicksburg School. Therefore, we follow all rules, regulations, and policies outlined by the Houston County Board of Education. These policies and procedures are addressed within the Houston County Student Code of Conduct.

## **BUS / DISCIPLINE**

A system of pupil transportation is provided to students attending Houston County Schools. Since the bus is an extension of the classroom, students are required to observe all school rules while being transported to and from school. **A serious or continued violation of rules may result in revoked transportation privileges.** The Bus Discipline policies and guidelines can be found in the Houston County Student Code of Conduct Handbook.

Providing there is ample room to safely ride the school bus, we will allow one guest to ride home with a regular bus rider with the proper documentation (a note from the parent of the guest rider). ***If a child has two or more friends/family members going home with them, it is the responsibility of the parent to provide transportation. The students will not be able to ride the bus. A change of transportation will not be taken over the phone, email, or fax. This is a safety issue because we cannot confirm who is on the other line. In an extreme emergency, an administrator may make an exception when they deem necessary.***

## **FIELD TRIPS/ATHLETIC EVENTS**

All students/athletes are to ride to and from field trips/athletic events on the school buses. Parents wanting their child(ren) to ride with them in the car can do so if:

1. proper documentation is submitted to the office/classroom teacher/coach;
2. the student(s)/athlete(s) ride both ways with the parent. (We will not allow students to ride one way, unless, there is an extreme emergency, then it must be approved by an administrator or a designee; and
3. no other student(s)/athlete(s) may ride in the car with another parent unless their parent is also present in that car.

## **CORPORAL PUNISHMENT**

The Houston County Board of Education has no rule against reasonable and proper spanking/paddling of students for disciplinary reasons. Before corporal punishment is administered as a disciplinary method, the student will be given the reason for the punishment and an opportunity to explain his/her action. Corporal punishment must be administered by the administrator or by the teacher in the presence of a certified professional employee. The administrator and/or teacher will prepare a written report for each incident to be sent home on the day the corporal punishment (paddling) is administered. **Parent/guardian must notify school in writing annually if he/she prohibits the school from paddling his/her student/students (Note must be delivered in person by the parent by September 1 of each school year).**

## **CELL PHONE POLICY**

The Houston County Student Code of Conduct Handbook's Cell Phone Policy will be strictly followed at Wicksburg High School.

## **SMOKING/VAPING**

Smoking/Vaping is not allowed at Wicksburg High School. Offenses for smoking/vaping will be dealt with in accordance with the Houston County Code of Conduct.

## **INTERROGATIONS AND SEARCHES**

Inspection of students' person, lockers, automobiles, and their contents is a responsibility of local school administrators for maintenance reasons and when an administrator has reasonable belief that some material either illegal or seriously dangerous to the discipline of the school is present in aforementioned areas. If possible, the student will be contacted and the area searched in his/her presence. If the student cannot be reached, he/she will be informed of the search by an administrator. Any items, which are specifically prohibited by law, board policy, or local school regulations, may be impounded. The student can request a receipt for any items impounded by school administrators, and parents will be notified of any items impounded. It is the policy of the Board to cooperate with law enforcement agencies in the interest of the larger welfare of all citizens. At the same time, schools have the responsibility to parents for the welfare of the students while they are in the care of the school.

## PROCEDURES FOR MORNING CAR RIDERS

We are asking that all parents and guardians comply with the following procedures for morning drop-offs. **All students are to be dropped off in the car line, which is behind the school (see figure on page 16).** Our school officials are placed outside in the mornings for your safety as well as the safety of our students. Please be very attentive to the directions of these staff members, and move to other lanes as needed if directed to do so. We have the following procedures in place to make the traffic move more swiftly and safely. **Students dropped off at school before 7:20a.m will be unsupervised.**

Student(s) not eating breakfast will go directly to their classrooms. Students eating breakfast will go directly to the lunchroom.

1. All cars enter the campus off Highway 123 by the Band room to drop off students.
2. All vehicles must follow the car directly in front of them.
3. Anyone needing to park in order to come into the office, etc., needs to park on the Southside of the office building.
4. No one in their vehicle should exit the vehicle until instructed to do so by school personnel.
5. All unloading of vehicles will be done at the catwalk area behind the K-5<sup>th</sup> grade elementary buildings.
6. All drivers are to watch closely for children exiting vehicles. **Remember these are children.**
7. Please have your children ready to exit your vehicle when you come onto the campus. The longer it takes to unload, the longer those vehicles behind you have to wait.
8. **Please do not change lanes unless told to do so by school personnel.**
9. The school personnel will direct vehicles to leave campus when a lane is clear and vehicles are ready.

**Failure to follow these procedures will result in a conference with an administrator and further actions could be taken. Keeping our children safe is our top priority!**

# PROCEDURES FOR AFTERNOON CAR RIDERS

## Student Pick-up:

- 1<sup>st</sup> Bell (3:00pm)** – All students riding the bus should immediately report to their buses. Buses should be leaving the campus by 3:05pm.
- Car riders and high school students whom drive may leave. **Please note: All students who are car riders must be picked up at the back of the school only.** No students should be picked up anywhere else in or around the campus. High school students should go to their cars and immediately leave campus. **NO STUDENTS SHOULD BE PICKED UP IN THE GYM PARKING LOT or FRONT DRIVEWAY(unless given permission by the principal only)!**

1. A teacher will come by your car and call to the teachers remaining with the students, for students to come to the sidewalk loading zone.
2. The teacher calling students' names will signal cars to move onto the loading area.
3. Teachers and students will be stationed on the sidewalk loading zone.
4. After all cars have come to a stop, a teacher at the end of the line will signal students to load.
5. Unloaded cars must move into the grassy area or through the line again so as not to hold up the rest of the line.
6. A teacher at the beginning of the line will signal the cars to leave. Please do not move your car until a teacher has instructed you to leave.
7. Repeat procedure.
8. After all cars have departed, any children that have not yet been picked up will be taken to the Office. Parents (or contacts) must go into the office to pick up and sign out their child(ren). If an emergency arises, a parent should notify the school prior to pick-up, that he/she will be late.

A complete transcript will be sent to any college, business school, or other institution free of charge upon a written request for students currently enrolled in Wicksburg High School. Former students, with proper identification, will be charged a \$5.00 fee for each transcript.

## STUDENTS TRANSFERRING FROM OTHER SCHOOLS

Students transferring into our system during the last nine weeks of school will be promoted or retained based on their grades from the previous school. Students transferring into our system before the last nine weeks will be promoted or retained based on their grades and the teacher(s) and administrator's opinions as to whether or not the student can function adequately at the next grade level.

## WITHDRAWALS

Students transferring to another school must obtain withdrawal forms from the guidance office and have these forms filled out and signed. All personal belongings must be removed from the student's locker. All textbooks and library books must be turned in and all fees, and/or lunchroom charges must be paid before withdrawing.

## HOMEWORK

Purposes:

1. To encourage development of independent study habits, skills, and responsibilities.
2. To enrich, reinforce, and extend learning by providing additional educational opportunities outside the classroom.
3. To provide for advanced preparation for an upcoming classroom activity, discussion, unit of study, or test.
4. To provide an opportunity for parents to be familiar with and involved in Wicksburg's educational program and their own child's progress.

**Guidelines:** The amount and kind of homework will vary with each grade and subject being studied. For grades 6<sup>th</sup>-12<sup>th</sup>, students need to be responsible for their own learning and should make considerable effort in and out of class. Study times as well as time needed to complete assignments should be taken into consideration when assignments are made. Homework should be constructed so that it encourages students to think, present alternatives solutions, make decisions, see relationships, and be creative. Honor classes should require more rigorous homework assignments.

## TEXTBOOKS

All, textbooks, when available, are furnished to Houston County students free of charge. Any textbooks issued to students shall remain the property of Houston County Schools. The parents/guardians of a student to whom textbooks are issued will be held liable for any loss, abuse, or damage in excess of that which would result from normal use. The following guidelines will be used to make an assessment for lost or damaged textbooks:

2. Damage of a textbook two-years-old will be assessed at 75% of the original cost.
3. Damage of a textbook three-years-old or older will be assessed at 50% of the original cost.

## STUDENTS WITH SPECIAL MEDICAL PROBLEMS

Parents of students with special medical problems, i.e., allergies, seizures, etc. are to notify the administration, teacher(s), and/or nurse of the problem(s). A letter from the doctor explaining the medical problem(s) and what steps to perform when the problem(s) arises should be on file with the office and the nurse. **Medical letters are good for a period of ONE YEAR from the date of the letter. After one year, please have your child's medical records updated in written form by the doctor.**

## HEAD LICE

This problem arises from time to time and needs immediate parental attention. To avoid head lice, be reminded that students should not exchange clothing, combs, brushes, caps, hats, etc. If the problem of head lice occurs and is detected at school, a letter and information will be sent home describing methods of control and/or elimination. The student will be sent home and will be asked not to return to school until **ALL** nits have been removed from the hair. Wicksburg allows **only two (2) days of excused absences a year due to head lice unless a doctor's note is presented.** All students must be checked and cleared by the school nurse, or designee, in order to return to the classroom. Please stay with your child until he/she has been cleared.

## DRESS CODE

School is a place of business and all school personnel and students should dress accordingly. Students are expected to maintain the highest possible standard of personal hygiene. This includes cleanliness (for example, daily bath and oral hygiene) as well as wearing neat and clean clothes. Students are also expected to choose their clothes in good taste, wearing only those clothes that are appropriate for an educational environment. All students are expected to comply with the Dress Code approved by the Houston County Board of Education. For compelling reasons such as medical requirements, the Principal or Superintendent, may, at their discretion, review an individual situation to determine whether a modification of a provision is required for the health and safety of a particular student or other compelling reasons. The School Administration will judge the appropriateness of any "fad" or questionable article of apparel. The dress code policy can be found in the Houston County Code of Conduct Handbook and will be strictly enforced at Wicksburg High School. **The Houston County School Board is simply trying to create an environment in all our schools that will promote optimum learning and productivity. We know that we can count on your cooperation and support.**

## ADDRESS/TELEPHONE NUMBER CHANGES

The guidance counselor, homeroom teacher, and office are to be advised of any address changes and/or changes in telephone numbers (cell phone numbers, emergency numbers, and/or work numbers), as soon as possible so that school records can be updated.

## EMERGENCY CONTACTS

Parents are required to update their child(ren)'s demographic profile sheet. Please provide at least two (2) emergency contacts and their phone numbers. Be aware that all parents, guardians, and emergency contacts listed will be allowed to check-out your child(ren). Please consider this when choosing your child's emergency contacts.

## TELEPHONES / FAX MACHINE

***The office telephone is for business use only.*** No student will be released from class to answer or return a phone call. If an emergency arises, parents/ guardians can contact the administration for assistance. **Students will not be allowed to use the office telephone without permission from the principal/principal's designee. Faxed check-out notes or homework will not be accepted or distributed without the approval from the principal.**

## RULES AND REGULATIONS OF STUDENT WELFARE

Student visitors and small children are not permitted to visit school or attend classes with students. Parents are allowed to eat lunch with their children after checking in through the school office and obtaining a visitor's pass. A parent that would like to observe in their child's classroom, must submit a written request to the principal at least two (2) days prior to the requested observation date.

Students are not to bring the following to school:

1. Any type of toy pistols or guns (this includes any water guns/pistols)
2. Shots, shells, paintballs, pistol caps, firecrackers
3. Knives
4. Rubber bands, slingshots, balloons
5. Marbles, trading cards, playing cards
6. Toys, unless approved by teacher
7. Animals, unless approved by teacher and administrator
8. Obscene pictures, or magazines
9. Pea shooters or other types of blow guns
10. Hats and caps (unless prior approval by an administrator)
11. Chains on belts or wallets
12. Any item not authorized for instruction

## PHYSICAL EDUCATION

All students (boys and girls) in 7<sup>th</sup>-12<sup>th</sup> grades will be required to dress out in decent shorts, a t-shirt, and tennis shoes in all PE classes. Sweatpants and sweatshirts may be worn in the cool weather. Failure to dress out and back in their appropriate school clothes, will result in points deducted from their grade.

## LUNCHROOM

The lunchroom is a definite part of the school program. Each student is responsible for returning to class on time after the lunch period. The classroom teacher will escort and assist in enforcing the following procedures and policies:

1. Students have the option of paying for lunches on a daily or weekly basis.
2. The lunchroom will be using the ProLunch system. Each child will be issued an ID number, which they will enter into the ProLunch computer at the cash register. The student must remember their number.
3. **No soft drinks, canned or bottled, nor any food from any food establishments will be allowed in the lunchroom. PARENTS, PLEASE DO NOT BRING YOUR CHILD(REN) FOOD FROM ANY OUTSIDE FOOD ESTABLISHMENTS.**

### Offer vs. Serve

Five items will be offered to comprise a lunch. A student may choose three (3) out of the five (5) items for a reimbursable lunch. A reimbursement lunch is one in which the government pays all or a portion of cost of one lunch per person per day. For example: Should a student choose a hamburger (meat and bread) and French fries (vegetable), he/she has selected three (3) food items and must pay the full price for the meal. If the student is served the other vegetable, fruit and/or milk, the price remains the same. A student must pay for a second portion of any one item at Ala Carte prices that will be posted.

### Breakfast & Lunch Prices

<u>Breakfast</u>		<u>Lunches</u>	
Reduced Breakfast	\$0.30	Reduced Lunch	\$0.40
Paid Breakfast	\$1.25	<b>Paid Lunch</b>	<b>\$2.50</b>
Adults	\$1.75	Adults/Employee	\$3.25
Visitors	\$2.25	Visitors	\$3.50

Ala Carte consists of individually priced items. These prices will be posted.

**Note: Proper forms for free or reduced breakfast and lunch can be obtained from the lunchroom manager or front office. This process can also be completed online. The link can be found at [hcboe.us](http://hcboe.us) under parent resources, then go to child nutrition, next click on 2020-2021 Online Meal Application.**

## **CHILD NUTRITION PROGRAM POLICY ON CHARGED LUNCHES**

State regulations prohibit CNP charging meals to anyone. All meals and extra items must be paid for at the point of service. We encourage parents to pay for their child's lunch in advance, weekly, monthly, yearly, or on a nine-week basis to ensure that there will be adequate money in the child's account. The lunchroom manager/SchoolCast will notify the parent when his/her account becomes low. Under no circumstances are adults allowed to charge lunches or extra items. The decision to allow a child to charge meals is solely the principal's decision. If a principal allows meals to be charged, it is the responsibility of the principal to reimburse the Child Nutrition Program for meal revenues lost due to charges. It is also the responsibility of the principal to collect all monies from parents for meals charged.

## **ACCEPTABLE USE (AUP) AND INTERNET SAFETY POLICY**

Houston County Schools will be offering access to the computers, computer networks, and the Internet. To gain access, each student must obtain parental permission as verified by the signatures on the acknowledgement form. The District implements an electronic communications system comprised of computers, networks, and the Internet that allows opportunities for students, staff, and patrons to communicate, learn, access, and publish information. The School System believes that the resources available through this network and the skills that users will develop in using it are of significant value in the learning process and their success in the future. These opportunities also pose many challenges including, but not limited to, access for all users, age level appropriateness of material, security, and cost of maintaining even more elaborate systems. The school system will endeavor to ensure that these concerns are appropriately addressed but cannot ensure that problems will not arise. By providing these opportunities, the school system intends only to provide a means for educational activities and does not intend to create a first amendment forum for free expression purposes. The school system dedicates the property comprising these resources, and grants access to them by users, only for the educational activities authorized under this policy and procedures and under the specific limitations contained therein. The complete Acceptable Use (AUP) and Internet Safety Policy for Students can be found in the Houston County Code of Conduct Handbook. All policies in the Acceptable Use (AUP) and Internet Safety Policy will be upheld at Wicksburg High School.

# LIBRARY REGULATIONS

The library provides resources to help meet the educational goals of our school, as well as for the pleasure of the students. The purpose of the following regulations is to safeguard the rights of all individuals using the library. **Any parent who does not want their child to check books out of the library will need to notify the librarian in writing each year. By signing this handbook, you are agreeing to abide by these rules.**

1. The library is open Monday through Friday from 7:45a.m. to 2:30p.m.
2. Books are checked out for a two-week period. If a student wishes to keep for a longer period, they must return the book and then recheck it out. Students are limited to four (4) books checked out at one time. Kindergarten students will be able to check out one (1) book starting in January. A note will be sent home at that time.
3. If a student has an overdue book, that student will not be allowed to check out additional books. If a book is lost, that student must pay to replace the book.
4. All library books must be returned or paid for before you withdraw from WHS.
5. Students should have a pass come to the library unless it is during break.
6. Black and white printing done in the library is \$0.15 per sheet. Color printing is \$0.75 per sheet. This includes any class or school work. Copies cannot be made in the library.
7. Reference books, magazines, and newspapers are available for use in the library. These items cannot be checked out.
8. Equipment and videos are for classroom use only and must be checked out by the teacher.
9. No food or drinks are allowed in the library.
10. Noise must be kept to the very minimum. Please remember that a library is a working room and that we all need to be respectful of others.
11. Students may **not** check e-mail, download material, or play games on the computers in the library.
12. To save any material on the computer you must use a jump-drive; you may not save any materials onto the computers in the library.

Computers are for school use only and anyone using the computers must follow the Acceptable Use (AUP) and Internet Safety Policy.

## INFORMATION FOR CLOSING SCHOOL EARLY IN THE EVENT OF BAD WEATHER

It sometimes becomes necessary, usually because of inclement weather, to close school early. This decision is made after consulting with agencies such as the Emergency Management Agency (formerly civil defense), the police department, State Trooper Office, and/or weather officials. While most authorities agree that children are usually safer in school buildings than elsewhere, we are sometimes requested to close early to prevent traffic problems caused by blocked streets, slick road surfaces, or congestion.

When the decision is made to close schools, we immediately contact the local radio and TV stations and ask them to begin making announcements. We also begin contacting bus drivers to get buses operating as soon as possible. A sufficient number of school employees remain on duty at the school to provide supervision of students until all are safely departed.

There are certain things that you, as a parent or guardian, are requested to do.

1. **Plan ahead!!!** Please instruct your child as to what he/she should do if schools close early. For example, he/she should know if he/she is to wait to be picked up or if he/she should catch a school bus.
2. If no one is likely to be at home, be sure your child and bus driver knows where he/she should go, whether to a neighbor's house, to stay with a relative, etc., otherwise the bus driver will notify an administrator and bring the child back to school.
3. If your child does not ride a bus, or drive, please make arrangements to have him/her picked up immediately if schools close early.
4. Do not depend on a telephone call to the school to give him/her instructions when school closes early. The schools' telephone lines are flooded with calls, and it is very difficult to get through. Also, telephones are sometimes out of order due to weather.

Normally we do not close schools because of severe thunderstorms or tornado alerts. We do, however, follow procedures recommended by the Emergency Management Agency. It is recommended that parents **do not** pickup children during these alerts.

It is strongly encouraged that students be allowed to remain at school. However, if a parent comes to the school and asks for his/her child, we will release him/her if possible. Please be prepared to show identification. We can assure you that we will do everything possible to provide for the safety of your child. Your cooperation in carrying out the suggestions listed above will help us greatly.

# ATHLETICS

Wicksburg High School will abide by all rules and regulations of the Alabama High School Athletic Association, State Department of Education, and the Houston County Board of Education policies.

## *Wicksburg High School's Alma Mater*

*Wicksburg High School, Mother dear  
To thee, we make a vow.  
That we will love thee evermore  
As we do love thee now.*

*The black and gold of high school days,  
Shine out for truth and worth.  
So Alma Mater, we will sing thy praise  
O'er all the earth.*

*Long may she bind our mother kind,  
The hearts of her children true,  
By love's own tie, that ne'er shall die,  
But live the long years through.*

*May we one and all, with love recall,  
In years that are to be,  
The memories of the golden days,  
At Dear Old Wicksburg School.*

*Composed by: Ibys Flowers  
Class of '43*
