HOUSTON COUNTY BOARD OF EDUCATION STUDENT CODE OF CONDUCT 2022-2023

INTRODUCTION

The Houston County Board of Education recognizes fully the constitutional rights of students enrolled in its schools. The board recognizes equally, however, its obligation to establish policy related to student behavior and discipline which assures that a proper atmosphere for learning will be maintained within every school serving the Houston County School System.

VISION STATEMENT

Houston County Schools, in partnership with our stakeholders, will prepare students to lead productive lives and meet the high expectations of a competitive global society. In this pursuit, we will strive to become innovative, exemplary, and technology-rich centers for learning. We will inspire, challenge, and empower students to become responsible citizens and lifelong learners who are excited by the challenges of tomorrow.

By implementing high-quality, research-based education strategies in a safe, secure, and nurturing environment, we will ensure the success of our students to compete in the twenty-first century. While sharing this vision, we will shape the future through perseverance, dedication, and teamwork.

“Sharing the Vision, Shaping the Future.”

EQUAL EDUCATION OPPORTUNITY STATEMENT

It is the policy of the Houston County Board of Education that no student will be excluded from participation in, be denied the benefits of, or be subjected to discrimination in any program or activity on the basis of sex, race, religion, belief, national origin, ethnic group, disability, or age.

HOUSTON COUNTY SCHOOLS ENROLLMENT POLICY

Pursuant to the requirements of the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act, Plyer vs. Doe, 457 U.S. 202, Title VI of the Civil Rights of 1961, and the McKinney-Vento Homeless Education Act of 2001, ***all homeless, migrant, immigrant, foster care, and English Learners*** must have equal access to the same free appropriate education, including public preschool education, provided to other children and youth. This shall be the policy of the Houston County School System. Such children will be provided the opportunity to meet the same challenging state content and state student performance standards to which all students are held without being stigmatized or isolated.

Houston County Schools understands that the use of technology has become an integral part of today's society, however, it is also imperative that students develop and use their social and verbal communication skills. For this reason, cell phones and other digital devices^ **will not** be permissible during the school day – from the first bell to the final bell [of school] unless it is authorized by the school administration for instructional purposes.

NOTE: The HCBOE and/or local school is not responsible for any lost, damaged, or stolen devices. The school will not investigate these incidences; therefore, students bring their personal device at their own risk.

Cell Phone Consequences:

- **1st-** Administrative warning and parent/guardian must pick up the device
- **2nd-** Parent must pick up the device and 1 day ISS or Saturday School
- **3rd-** Parent must pick up the device and 3 days Alternative School
- **4th-** Parent must pick up at Central Office and 5 days Alternative School
- **5th-** Student referred to Superintendent and/or Board of Education

Students using a digital device to video and/or record on campus will result in automatic Alternative School (reference page 32)

Students whose actions violate State and/or Federal laws (sexting, pornography, etc.) will be turned over to law enforcement agencies and may be prosecuted in addition to school punishment.

^Digital Devices – including but not limited to cell phones, smart watches, MP3 players, cameras, or any other telecommunication devices capable of capturing or relaying information.

**USE OF DIGITAL DEVICE DURING THE ADMINISTRATION OF A SECURE
TEST
(Alabama State Department of Education Policy)**

Strictly prohibited

The possession of a digital device (including but not limited to cell phones, MP3 players, cameras, or other telecommunication devices capable of capturing or relaying information) is strictly prohibited, during the administration of a secure test. If a student is observed in possession of a digital device during the administration of a secure test, the device will be confiscated until all tests are completed at the school. (ALSDE/Test Company rules)

If a student is observed using a digital device during the administration of a secure test:

- 1)** testing for the student will cease;
- 2)** the device will be confiscated and is subject to search;
- 3)** the student will be dismissed from testing;
- 4)** the student's test will be invalidated by the testing committee.

Violations (possession or use) will result in a minimum of **3 Days** assignment to the Houston County Alternative School

NOTE: * Digital Devices will be allowed on the school bus; however, privileges will be taken away and disciplinary action assigned for videoing, recording, or causing a disruption on the bus.

- * Cell phones are strictly prohibited in Alternative School
- * Students who loan his/her cell phone to another student may receive the same punishment as the student in possession of the cell phone

**** When enforcing the student code of conduct, the term "school" will be applicable; but not limited to, the following:**

1. School Grounds
2. School Sponsored Field Trips
3. Athletic Events
4. School Sponsored Social Events

ATTENDANCE

All students enrolled in the Houston County School System are to be in continuous attendance. The principals shall enforce the compulsory attendance laws of the State of Alabama.

1. Each teacher shall be responsible for checking the rolls daily in their assigned classes and properly recording the student's attendance.
2. A student approved by the principal to participate in or attend a school-sponsored or other approved activity during the school day shall be counted present. Students are responsible for all assignments missed while participating in or attending said activities. Failure on the part of the student to complete assignments shall result in the student receiving a zero for that class.
3. The principal shall notify the teacher, in advance, of students who will be attending approved activities and will be counted present.
4. In case of prolonged absence due to illness, injury, or other emergencies, the parent/ guardian shall seek assistance from the principal or counselor of the school for the best option for the student.

ABSENCES

NOTE: All documentation for absences must be received within **three (3) days or the absence will be unexcused.**

Excused: An absence may be excused for the following reasons:

1. Student is too ill to attend school.
2. Inclement weather which would be dangerous to the life and health of the student if he/she attended school.
3. Legal quarantine.
4. Death in the immediate family.
5. Emergency conditions as determined by the superintendent or principal.

Students may make up work if the absence is excused. This work must be made up within five (5) school days.

Unexcused: Any absence other than those listed above are unexcused.

DOCUMENTATION OF PROLONGED ABSENCES

All absences must be documented by a note from the student's parent or guardian. Absences beyond five (5) days per semester for grades K-12 must be accompanied by additional documentation as follows:

- Death in the immediate family – Approved by the principal
- Legal Quarantine – Quarantine notice
- Doctor's Excuse – Note from the doctor's office signed by the doctor or his designee

Blanket excuses for multiple nonconsecutive absences will not be accepted. Any absence must be documented per absence with appropriate date(s).

All other absences are to be submitted to the principal in written form for consideration. The principal may request additional documentation as necessary. **All documentation for absences must be received within three (3) days or the absence will be unexcused.**

TARDINESS

A student is considered tardy when he/she is not in class when the tardy bell rings. Unexcused tardiness to class will result in the loss of perfect attendance and will be subject to disciplinary actions. Excused tardiness to school shall not count against perfect attendance.

Excessive tardiness to school will be considered as truancy from class and may consequently result in the student being referred to Saturday School, After School Detention, Early Morning Detention, ISS and/or Alternative School at the principal's discretion.

Failure to attend Saturday School as assigned could result in Alternative School placement.

Any student being tardy six (6) times in one class during a semester will be subject to disciplinary action (reference page 32).

THE FOLLOWING SHALL APPLY TO CHECK-INS AND CHECK-OUTS

CHECK-INS

- A. The student reports to the main office for an admission slip to enter the classroom.
- B. The student must bring a written statement from his/her parent/guardian indicating the reason(s) for the tardiness.

CHECK-OUTS

- A. A student may be allowed to check-out with the written consent of parent/guardian and the advance approval of the principal.
- B. Any student not having advance written approval may not leave campus unless a parent/guardian or designated person comes to the school and checks the student out. (In case of extenuating circumstances, a principal may, with verbal approval from the parent or guardian, allow the student to check out.)
- C. Check-outs remain unexcused until documentation is presented. Documentation must be submitted within three (3) days of the check-out.
- D. **Unexcused check-outs will count as tardies.**

ELEMENTARY/ MIDDLE SCHOOL PROMOTION RESTRICTED ON THE BASIS OF EXCESSIVE ABSENCES

Upon the eleventh unexcused absence, promotion may be withheld. Unexcused absences could result in mandatory attendance to Saturday School to make up the number of days missed. One day of Saturday School is required to make up one day of regular school.

In individual cases where an extended illness or other extreme emergencies have existed and can be verified, the principal may extend the maximum number of days per semester that a student may be absent before credit is withheld.

The parent/guardian may appeal a decision to withhold credit for an individual student based upon excessive absences to the superintendent by setting forth the reasons for the absences and attaching any supporting documentation.

HIGH SCHOOL CREDIT RESTRICTED ON THE BASIS OF EXCESSIVE ABSENCES

A student (grades 9-12) with five (5) or more unexcused absences per semester from class may not receive credit for that course. These are unexcused absences and must not exceed 10 days per year. In individual cases where extreme emergencies have existed and can be verified, the principal may extend the maximum number of days per semester that a student may be absent before credit is withheld. Excessive absences may result in student being required to attend Saturday School or Summer School to make up absences. A minimum of one (1) semester of Summer School may be required to make up excessive absences.

The parent/guardian may appeal a decision to withhold credit for an individual student based upon excessive absences to the superintendent by setting forth the reasons for the absences and attaching any supporting documentation.

The principal shall develop and implement local school procedures necessary for the proper implementation of these procedures and may

require one (1) day of Saturday School to make up one (1) day of regular school.

TRUANCY
IT'S THE LAW
(Parental Responsibility (Act 94-782))

Your student, _____, is considered truant
(Child's Name)
due to his/her unexcused absence/absences on _____.
Read "Parental Responsibility" printed below and sign and return this form to your student's teacher.

(Teacher's name/date)

(Parent's signature/date)

The Alabama Legislature passed Act 94-782 stating that parents are responsible for enrolling their children in school, ensuring that they attend school regularly, and that they conduct themselves properly as students.

The Houston County School System recognizes the privilege and responsibility of parents and guardians in supporting and demanding responsible behavior from their children. In an effort to ensure parental awareness and acceptance of that responsibility, reasonable efforts will be made to contact parents regarding Class II and III misconduct. Reasonable efforts will be made on Class I offenses also if such misconduct is continuing and notification is needed.

Reasonable efforts may include one or more of the following: telephone calls, copies of referrals, parental conferences, letters to parents, registered mail, and, when possible, home visits. In the event of continued misbehavior, parents may be asked to sit in class with their child. Petitions may be filed with Juvenile Court if the child is in need of supervision beyond that given by the parent or guardian. Warrants may be filed requiring the arrest of parents and guardians who do not require their children to properly conduct themselves in school.

Alabama Act 94-782 requires each local school board of education to adopt and distribute to parents, guardians, and others a written policy of its school behavior standards; requiring parents, guardians, and others to document receipt of this plan. Each parent or guardian or other person having custody or control of any student required to attend school who fails to require the child to regularly attend the school or tutor or fail to compel the child to properly conduct him or herself as a pupil in any public school in accordance with the written policy on school behavior adopted by the local board of education pursuant to

this session and documented by the appropriate school official which conduct may result in suspension of the student, shall be guilty of a misdemeanor, and upon conviction, shall be fined not more than one hundred dollars (\$100.00) and may be sentenced to hard labor for the county for no more than 90 days. The absence of a child without the consent of the Principal, teacher of the public school he or she attends or should attend; or, of the tutor who instructs or should instruct the child, shall be prima facie evidence of the violation of this section.

Houston County Board of Education Truancy Procedures

2. 4th Unexcused Absence – Meeting with guardian (telephone conference)
3. 5th Unexcused Absence – Local school refers the student directly to the “Houston County Truancy Prevention Project” provided by SpectraCare
4. 6th Unexcused Absence – Refer to Early Warning Court
5. 7th Unexcused Absence – File a complaint with Juvenile Court Services, or the DA’s office

INFORMATION FOR CLOSING SCHOOL IN THE EVENT OF BAD WEATHER

It sometimes becomes necessary, usually because of inclement weather, to close school early. This decision is made after consulting with agencies such as the Emergency Management Agency, the police department, state trooper office, and weather officials. While most authorities agree that children are usually safer in school buildings than elsewhere, we are sometimes requested to close early to prevent traffic problems caused by blocked streets, slick road surfaces, or congestion.

When the decision is made to close schools, we immediately utilize our **school messaging system** and contact the local radio and TV stations and ask them to begin making announcements. We also begin contacting bus drivers to get buses operating as soon as possible. A sufficient number of school employees remain on duty at the school to provide supervision of students until all have safely departed.

There are certain things that you, as a parent or guardian, are requested to do:

1. Please instruct your child as to what he/she should do if schools close early. For example: he/she should know if he/she is to wait to be picked up or if he/she should ride a school bus.
2. If no one is likely to be at home be sure your child knows where he/she should go, whether to a neighbor’s house, to stay with a

- relative, or to his/her own home.
3. If your child does not ride a bus, or drive, please make arrangements to have him/ her picked up immediately if schools close early.
 4. Do not depend on a telephone call to your child's school to give him/her instructions when school closes early. The school's telephone lines are flooded with calls and it is very difficult to get a call through. Also, telephones are sometimes out of order due to weather.

Normally, we do not close schools because of severe thunderstorms or tornado alerts. However, we follow procedures recommended by the Emergency Management Agency.

1. **It is recommended that parents not pick up children during these alerts.**
2. **It is strongly recommended that students be allowed to remain at school.** However, if a parent comes to the school and asks for his/her child, we will release him/her, if possible. We can assure you that we will do everything possible to provide for the safety of your child. Your cooperation in carrying out the suggestions listed above will help us greatly.

CHILD NUTRITION PROGRAM POLICY ON CHARGED LUNCHES

Federal regulations prohibit CNP from charging meals to anyone. All meals and extra items must be paid for at the point of service. We encourage parents to pay for their child's lunch in advance, daily, weekly, monthly, yearly, or on a nine-week basis to ensure that there will be adequate money in the child's account. The lunchroom manager/School Messaging System will notify the parent when his/her account becomes low.

All free or reduced applications must be renewed each school year. If your student received free or reduced meals last school year, he/she will continue to receive these benefits for the first 30 school days of this school year. Failure to submit a new application will result in loss of benefits.

If your student did not have a free or reduced application last school year or is a new student to this district, please submit an application as soon as possible. Until you have received approval, your child will need to pay full price for any meals.

Online applications can be completed and submitted at the following site location: **www.hcboe.us**
(click on parent resources)

STUDENTS SELLING PERSONAL ITEMS

Students are prohibited from selling goods/products, toys, etc., to other students at school unless approved by the school administration. (*Reference Class II Offenses page 32*)

MEDICATION

A student non-compliant with this policy is subject to disciplinary actions as determined by the school administration/superintendent.

Medication Guidelines

If possible, all medications should be administered at home. When it is necessary for medications to be given at school, the following guidelines apply:

- A medication can be administered at school only if the Physician/Parent Authorization (PPA) to administer is on file with the school nurse. This includes prescription medications, cough drops or other over-the-counter medicines/products. Separate medicines require separate permission forms. Permissions expire at the end of the school year.
- All medications, whether prescribed or over-the-counter, must be brought to the school by the parent or guardian.
- Over-the-counter medications must be in the **unopened original packaging** and be appropriate for the student's age, weight, and condition.
- A medication can be given only to the child for whom it is prescribed or purchased. Students, even from the same family, may not share medications.
- If prescription medications are brought to the school, both the parent and a staff member designated by the principal must count them together.
- Please make your pharmacist aware of your need to have a "School Bottle" as well as a home bottle for your child's medication. Most will provide separate packaging.
- Students may carry and use inhalers **ONLY** with a physician's order that is given to the school nurse.
- Medications not picked up by the last day of school or which go out of date during the school year will be destroyed. Prescription medications must be counted, measured and destroyed in the presence of at least two school staff members.

School personnel are permitted only to use soap and water to clean cuts and abrasions. They may not use peroxide, alcohol or other antiseptics.

STUDENT TRANSPORTATION POLICY

If a parent/guardian needs to change the usual method of afternoon transportation for a student, the parent/guardian is required to provide a written request to school personnel the morning of the desired change. School personnel will ensure that the request to change the means of student transportation is honored.

In the case of an emergency, the parent/guardian may contact the school office before 1:00 p.m. and verbally request the desired change. School personnel will verify the identity of the person requesting the change before any change is made in student transportation.

If an emergency arises after 1:00 p.m., the parent/guardian must speak directly with a school administrator before the child's usual afternoon means of transportation is changed. Only the school administrators can authorize a change in transportation after 1:00 pm.

Once a request is received and approved, school personnel will provide written or verbal notification to the classroom teacher(s), the bus driver(s), and if applicable, the car line supervisors. The student will be notified verbally of the change.

AUTOMOBILE USE

Students driving cars to school must park them in the area designated by the principal. Students are not to sit in parked cars after arriving in the morning. Cars are not to be moved during the day without administrative approval. The Houston County School System will not assume any liability for damage that might occur to student automobiles.

PARENT/TEACHER CONFERENCES

The Houston County Board of Education encourages and solicits parent involvement in our schools. Please feel free to contact the school administration and faculty at any time concerning your child's education. Parent-teacher/principal conferences may be made by calling your child's school office at the number listed in the front of the handbook.
(Requires 24 hour notice)

Classroom Observations and Visits Procedure for Parents and Visitors

The pass must be displayed at all times while on campus. The visitor must sign out and return the visitor's badge/pass prior to the visitor's departure from campus.
 - c. Children who are not enrolled in the school are not to be on the campus unless prior approval of the principal/designee has been obtained.

TEXTBOOKS

All textbooks are furnished to Houston County students free of charge. Any textbooks issued to students shall remain the property of Houston County Schools. The parents or legal guardians of a student to whom textbooks are issued will be held liable for any loss, abuse, or damage in excess of that which would result from normal use. The following guidelines will be used to make an assessment for lost or damaged textbooks:

1. Loss of a textbook will be assessed at replacement cost.
2. Damage of a textbook two-years old will be assessed at 75 percent of the original cost.
3. Damage of a textbook three-years old or older will be assessed at 50 percent of the original cost.

GIFTED EDUCATION

Intellectually gifted children and youth are those who perform or who have demonstrated the potential to perform at high levels in academic or creative fields when compared with others of their age, experience, or environment. These children and youth require services not ordinarily provided by the regular school program. Children and youth possessing these abilities can be found in all populations, across all economic strata, and in all areas of human endeavor.

Gifted students may be found within any race, ethnicity, gender, economic class, or nationality. In addition, some students with disabilities may be gifted. The Houston County School System shall prohibit discrimination against any student on the above basis with respect to his/her participation in the gifted program.

The program for gifted students provides learning activities including acceleration, enrichment topics, and critical thinking skills.

All students will be screened at the **SECOND GRADE AND FOURTH GRADE LEVEL** using multiple criteria for gifted potential. Those students displaying potential will be referred to the Gifted Referral Screening Team for further assessment.

In addition, parents or guardians, administrators, school counselors, and teachers in all grade levels may refer a child for screening or gifted assessment.

For each student referred, information is gathered in three (3) areas. These areas include aptitude, characteristics, and performance. The scores from the assessments/items used are entered on a matrix where points are assigned according to established criteria. The total number of points earned determines if the student qualifies for gifted services.

If you should need additional information or wish to make a referral, contact the Gifted Education teacher at your child's school or Gifted Education Supervisor at 334-792-8331 ext. 1134 (Dr. Misty Freeman).

HOMEWORK

Elementary - The purpose of homework is to practice newly taught skills, review previously mastered skills, develop independent study habits, or to extend and enrich the curriculum. Suggested appropriate time limits to devote to homework are (applicable for Monday-Thursday):

Kindergarten – limit to reading and mathematics, approximately 15 minutes.

Grades 1-2 20 minutes

Grade 3 30 minutes

Grade 4 40 minutes

Grade 5 50 minutes

Grade 6 60 minutes

Middle/High School – The purpose is:

1. To encourage development of independent study habits, skills, and responsibilities.
2. To enrich, reinforce, and extend learning by providing additional educational opportunities outside the classroom.
3. To provide for advanced preparation for an upcoming classroom activity, discussion, unit of study or test.
4. To provide an opportunity for parents to be familiar with and involved in the school's educational program and their own child's progress.

Guidelines:

The amount and kind of homework will vary with each grade and subject being studied. For grades 7-12, students need to be responsible for their own learning and should put forth considerable effort in and out of class. Study times as well as time needed to complete assignments should be taken into consideration when assignments are made. Advanced classes require more rigorous homework assignments.

HOUSTON COUNTY SCHOOLS' COMPUTER, NETWORK, AND INTERNET ACCEPTABLE USE POLICY (AUP) FOR STUDENTS AND EMPLOYEES

Introduction

Houston County Schools will be offering access to the computers, computer networks, and the Internet. To gain access, each user must obtain parental permission as verified by the signatures on the form on the last page. The district implements an electronic communications system comprised of computers, networks, and the Internet that allows opportunities for students, staff, and patrons to communicate, learn, access and publish information. The School System believes that the resources available through this network and the skills that users will develop in using it are of significant value in the learning process and their success in the future. These opportunities also pose many challenges including, but not limited to, access for all users, age level appropriateness of material, security, and cost of maintaining ever more elaborate systems. The school system will endeavor to ensure that these concerns are appropriately addressed, but cannot ensure that problems will not arise. By providing these opportunities, the school system intends only to provide a means for educational activities and does not intend to create a first amendment forum for free expression purposes. The school system dedicates the property comprising these resources, and grants access to them by users, only for the educational activities authorized under this policy and procedures and under the specific limitations contained therein. ***The Houston County Board of Education does not archive emails.***

What is possible?

Through these resources, users can explore thousands of libraries, databases, museums, and other materials of educational value. This global network is made up of many smaller contributing networks, such as ours, connecting thousands of computers throughout the world and millions of individual subscribers. Internet access is coordinated through a complex association of government agencies and regional and state networks. Users can exchange personal communication with other users around the world. While the use of computers and the Internet is primarily instructional in nature to reach an educational goal, some users may find ways to access other materials. While there is an abundance of valuable information, the availability of material that may not be considered to be of education

value in the context of the school setting also becomes available. Unfortunately, some of these resources contain items that are illegal, defamatory, inaccurate, or potentially offensive. Most educators believe the benefits to users from access to computers and the Internet exceed their disadvantages. Parents and guardians of minors are responsible for setting and conveying the standards their children should follow when using these resources. Therefore, we respect each family's right to decide whether or not to apply for access.

How should it be used?

Computers, devices, computer networks, and the Internet should be used for education and re- search through the provision of unique resources and opportunities for collaboration among students, teachers, and administrators. Use of these resources must be in support of this and consistent with the educational objectives of the school.

What is expected?

Users are responsible for appropriate behavior while using these resources. Additionally, users are responsible for their actions while using the equipment and the resources. Use is a privilege, not a right, and may be revoked if abused. Vandalism of equipment or programs will result in punishment as defined herein.

What are the privileges and rights of a user?

All users have certain privileges and rights. Infringement of or disrespect to the rights of others may result in the loss of Internet privileges. These rights include:

Privacy – All users have the right to privacy. However, if a user is believed to be in violation of the guidelines, a system administrator may review communications to maintain system integrity and to ensure that students are using the system responsibly.

Safety – Any users who receive threatening or unwelcome communications should bring them to the attention of a system administrator or teacher.

Intellectual Freedom – Any statement of personal belief is implicitly understood to be representative of the author's individual point of view and not that of the school.

Inappropriate materials or language – No profane, pornographic, abusive, or impolite language should be used to communicate nor should materials be accessed which are not in accordance with the rules of school behavior.

Equal Access – All users will be granted free and equal access in these resources. Exploration using these resources is encouraged relative to

the purposes of education and research. No single user should monopolize these resources.

What are the guidelines?

- Be prepared to be held accountable for your actions. Exemplary behavior is expected from all users at all times.
- Notify an adult immediately if you encounter materials that violate the School Code of Conduct.
- Do not use a computer or the Internet to hurt, harass, attack or harm other people or their work.

- Do not damage the computer or network. Vandalism or theft of resources (including data and files) will not be tolerated.
- Do not degrade the performance of the network through the posting of electronic chain letters or other useless information.
- Do not use the computers, computer networks, or the Internet for illegal activities, i.e. threats, instructions on how to perform an illegal act, child pornography, drug dealing, purchase of alcohol, gang activities, etc.
- Do not violate copyright laws. Copyrighted software and other instructional materials must not be copied or transferred to another except as provided under the license or copyright notice.
- Do not view, send, or display obscene, profane, lewd, vulgar, rude, disrespectful, threatening, or inflammatory language, messages or pictures.
- Do not share your password with another person. Each individual is responsible for the security of his/her password.
- Do not reveal the personal address or phone number of yourself or anyone else.
- Do not access other student's work, folders, or files.
- Do not re-post non-academic personal communications without the original author's prior consent.
- Do not install software or download unauthorized files, games, programs, or other electronic media.

ALABAMA ASBESTOS MANAGEMENT PROGRAM NOTIFICATION OF PARENTS, TEACHERS, AND EMPLOYEES

On October 22, 1988, President Reagan signed into law the Asbestos Hazard Emergency Response Act (AHERA). This law requires all local education agencies to identify asbestos -containing materials (ACM) in their school buildings and take appropriate actions to control the release of asbestos fibers into the environment. In order to comply with this law all of our schools have been inspected and management plans have been developed by an accredited engineering firm qualified to identify findings and various approved methods of dealing with ACM.

The management plan and the result of each inspection is on file at the central office and at each principal's office. You may view these reports during office hours. If there are any questions concerning our management plan, you may contact Houston County Schools Maintenance Supervisor at 334-899-8795.

PARENTS RIGHT TO KNOW (H.R. 1-37)

FORMAL DISCIPLINARY ACTIONS AND PROCEDURES

IN-SCHOOL SUSPENSION PROGRAM (If Available)

In-school suspension is a structured disciplinary action in which a student is removed from the regular classroom activities but is not dismissed from the school setting. The principal or his/her designee has the authority to assign students to in-school suspension for a reasonable and specified period of time.

MORNING DETENTION / AFTER SCHOOL DETENTION / SATURDAY SCHOOL

The principal or his/her designee has the authority to assign students to a designated area either before school or the end of a school day. Saturday School is an option, as well. The parent is responsible for providing transportation. A parent/guardian will be notified before a student is assigned to detention. Detention time shall be for a minimum of thirty (30) minutes per day.

Should a student fail to report to Saturday School after the 1st re-assignment, the student will be referred to Alternative School for one (1) day.

CORPORAL PUNISHMENT

The Houston County Board of Education has no rule against reasonable and proper spanking/paddling of students for disciplinary reasons. Before corporal punishment is administered as a disciplinary method, the student will be given the reason for the punishment and an opportunity to explain his/her action. Corporal punishment must be administered by the administrator or by the teacher in the presence of a certified professional employee. The administrator and/or teacher will prepare a written report for each incident to be sent home on the day the corporal punishment is administered. Parent/guardian must notify the school in writing annually if he/she prohibits the school from paddling his/her student(s). ***The handwritten note must be delivered, in person, by the parent-by first day of each school year.***

SUSPENSION

Suspension is defined as the temporary removal of a student from a school for violation of school rules or regulations. The authority to

suspend a student from school rests entirely with the principal of each school. Only in the absence of the principal may the assistant principal assume this responsibility. All suspensions should be for a specified number of days (not to exceed 10 days). The suspension will be in accordance with prescribed board policy. Any deviation from said pattern shall require the authorization from the superintendent of schools or his/her designee.

PRINCIPAL'S PROBATION

Students that are persistent in not following rules of proper conduct may be assigned a period of time to improve their conduct/behavior or be subject to additional sanctions. These sanctions will include a ban from all activities on the campuses of Houston County Schools for a period of time to be determined by the school principal and approved by the superintendent.

PHYSICAL RESTRAINT

Any employee of the Board of Education (including bus drivers) has the authority to use reasonable force to restrain a student from abusing or attempting to abuse self, other students, teachers, administrators, parents, or other staff members. Schools and programs that use physical restraint as allowed by law must develop and implement written policies to govern the use of physical restraint. The Houston County Board of Education has adopted a Time Out and Restraint Policy (5.30.2) to meet requirements of federal and state laws and regulations. A copy of Policy 5.30.2 is maintained in the board office and is available for review upon request.

SCHOOL BUS SUSPENSION

The principal/designee has the authority to deny a student the privilege of riding a school bus. This denial, based on the misconduct of the student, will be for a reasonable and specified period of time. The parent/guardian will be notified prior to the suspension from the bus.

EXPULSION

Expulsion is defined as the removal of a student from a school for violation of school rules or regulations. A student may be expelled from school if an offense is serious enough to warrant such action. The authority to expel a student rests with the Houston County Board of Education. The local school principal may suspend the student pending the decision of the board to expel said student. The expulsion hearing must be held within ten (10) days from the date of suspension.

DISCIPLINARY ACTIONS FOR EXCEPTIONAL STUDENTS

Exceptional students are those students as defined in IDEA 04 and Alabama Act 106 (excluding gifted and speech only). All rules and regulations governing student conduct as related to exceptional

Lockers, desks, parking lots, and any other fixtures or facilities provided for the students are the property of the school district. Also, students and any personal items brought on school campus/events/field trips are subject to searches by school officials with reasonable suspicion. ALTERNATIVE SCHOOL PROGRAM

OBJECTIVES:

- Reduce the number of out-of-school suspensions
- Reduce disruptive and delinquent behavior in the classroom and on school campus
- Keep students in school

PLACEMENT / DISMISSAL

Each student is placed in the program upon referral by school

administrators as outlined herein.

A student may be referred to the Alternative School for a period of (3) three to (10) ten days or more, if needed. **A disciplinary referral form must accompany the student to the center.**

ALTERNATIVE SCHOOL GUIDELINES

Note: K-2 students must be recommended to the superintendent or his/her designee-for placement-at the Houston County Alternative School or OSS (Out of School Suspension). If a K-2 student is assigned OSS, he/she will complete all assignments via an online platform.

1. Attendance in the program is mandatory for students who are referred from their regular school.

The Alternative School teacher will check for these upon the student's enrollment. Work assigned must be completed before the student is dismissed. If the work is not completed to the assigned teacher's satisfaction the student may be sent back to the Alternative School teacher by the principal until the work is finished. In such case the student must stay for a minimum of one day.
3. All students referred to the Alternative School for the second time will not be dismissed from the program, even though time assigned is completed, until a conversation with the legal guardian is held with the Alternative School Principal. The student will then be released to the guardian to take him/her to the assigned school for re-admission and a conference with the principal/designee. These conferences may be held on or after the last day of assignment to the Alternative School. Any exception to this procedure must have the approval of the superintendent or his designee. All parents/guardians will be notified of this requirement upon admittance of the student to the Alternative School for the second time. This is the responsibility of the Alternative School principal.
4. Once enrolled in Alternative School, students will remain until their assigned time is completed plus any days added by the Alternative School personnel. There will be no early dismissals.
5. Extracurricular Activities - A student sent to Alternative School is not allowed to attend or participate in any extracurricular activities or practice for such on any day that he/she is in the

program.

6. Transportation – The student or his/her parents/guardian must provide his/her own transportation.

GUIDELINES FOR LONG-TERM ALTERNATIVE SCHOOL
