

SYLLABUS: 2020-2021

Haslip – 8th Grade Math

SCHEDULE:

HR – 7:40-7:50

1st per. – 7:50-8:55

2nd per. – 8:59-10:04

Break 10:04-10:18

3rd per. – 10:22-11:27

Lunch – 11:31-12:37

4th per. – 12:41-1:46

5th per. – 1:50-2:55

Welcome to my math class at RMS! I look forward to an exciting year as we extend your mathematical knowledge and explore new mathematical concepts together. I have been teaching for 14 years and I love it!! I obtained a secondary math education degree in 2007, a masters degree in Instructional Leadership Administration in 2015, and an Educational Specialist degree in Instructional Leadership Administration in 2017 all from Troy University. Go Trojans! I have been married to my husband, Tony, for 15 years and we have three boys that keep me on my toes; Charlie (6), Levi (4) and Andrew (2). I can't wait to get this year underway!

MATERIALS NEEDED FOR CLASS:

3 ring binder* pencils* ruler
Index cards Highlighters colored pencils
Loose-leaf paper* Colored pens

* items that are mandatory; all others are encouraged/personal preference

content overview:

All objectives to be taught are acquired from the 2013 Alabama Course of Study.

- ❖ The Number System
- ❖ Expressions and Equations
- ❖ Proportional Relationships, lines, linear equations
- ❖ Analyze and solve linear equations and pairs of simultaneous linear equations
- ❖ Define, evaluate, and compare functions
- ❖ Use functions to model relationships between quantities
- ❖ Understand congruence and similarity
- ❖ Understand and apply the Pythagorean Theorem
- ❖ Solve real-world and mathematical problems involving volume of cylinders, cones, and spheres
- ❖ Investigate patterns of association in bivariate data

GRADING

ASSESSMENTS:

The typical flow of my class will be to introduce 3 – 4 new topics, review, and then test on those topics. Notes will be given primarily in a guided note format with space to work examples and take notes. Organization will be critical to success in class as all assessments will correlate to notes and examples given. Any classwork that is not completed in class will become homework. Weekly practice checks will be conducted to ensure student completion and comprehension. Students may use notes for all practice. I give paper and pencil tests and notes or other resources will not be allowed on tests. Students will be given ample materials and opportunities to prepare themselves prior to the test.

Hard work pays off!!!

TECHNOLOGY REQUIREMENTS:

SCHOOLGY: We will utilize Schoology to disseminate information and upload notes for virtual students or in the event of remote learning. Google Chrome or Firefox browsers will need to be used when utilizing Schoology. The mobile device will also need the capability of reading PDF documents.

in this classroom, we
will be:
**RESPECTFUL,
COOPERATIVE,
& KIND**
we will work to better:
**OURSELVES,
OUR WORK,
& OUR WORLD**

policies + procedures:

RULES:

In this classroom, I will...

1. Respect myself, other people, and the classroom.
#BENICE
2. Be on time, on task, prepared to learn and listen everyday. #NOFREEDAYS
3. Be responsible for myself, my learning, and my actions. #NOHEATING
4. Help maintain a clean environment, even if it isn't my mess. #NOTYOURMOM
5. Keep all personal electronics out of sight and silent.
#ISEEITITSMINE

miscellaneous:

NEED TO KNOW:

- Do NOT put anything on my desk without my knowledge and do NOT take anything from my desk without permission.
- You are responsible for all assignments when you are absent. See me immediately upon your return.
- There will be no eating in my class.

TIPS FOR SUCCESS:

- Work hard and do your best.
- Kindness will get you further than anger.
- Yes, you have to do the test.
- No, the test won't be moved.

GOOD TO KNOW:

- Mrs. Haslip is an Auburn fan... WAR EAGLE!!!
- Mrs. Haslip has an obsession with office supplies .
- If Mrs. Haslip hasn't had her coffee, you may want to find some for her.... Quickly!
- Everything is better in color!

MATH WORK

- Use consistent numbering
- Show all steps leading to the answer.
NO WORK = maximum grade of 50%.
 - Circle, highlight, or box answers.
- Be neat. IF I CAN'T READ IT, I WON'T GRADE IT.

Mathematics may not teach us how to **ADD** love or **MINUS** hate, but it gives us *every reason* to hope that *every problem has a solution.*

Never play follow the leader with a leader that doesn't know the way.
MAKE YOUR OWN PATH.
