But first, check out TeacherLists

TeacherLists allows you to automatically add the items from your child's school supply list to your online shopping cart at major retailers like Amazon, Target, and Staples.

A few things to note:

- Be sure to check your cart – there may be items missing as items in stock at these retailers change frequently.
- You may find better deals shopping for items individually rather than using this tool.

The screenshot shows the TeacherLists interface for a 'Kindergarten Supply List'. The page is updated as of 06/07/2022 for the 2022-2023 school year, intended for all Kindergarten teachers. It features a 'VIEW DISTRICT' button and an 'En Español' option. Below the header is a table of items:

QTY	ITEM
1	Backpack - No Whe
1	School Supply Box (Plastic) (8 1/2" X 5")

A yellow callout box with red text points to the social media and email sharing icons, stating: 'Click one of these buttons to add items to your cart! CHECK THE LIST to make sure everything was added correctly!'. Below the table, a red arrow points to a 'Take Me to My Cart' section. This section includes a 'Shopping in Store?' link and logos for 'Coming Soon', Amazon, 'Coming Soon', EPI, and Staples. A disclaimer at the bottom reads: 'We earn from qualifying purchases through Amazon, Staples, Target, Walmart affiliate, or other retailer programs'.
