2022-2023 Accreditation Statuses

The Texas Education Agency awards an accreditation status to each public school district and charter school. The accreditation status is based on the academic accountability rating and financial ratings from the Financial Integrity Rating System of Texas. A district or charter must be accredited by the state to operate as a public school.

The district accreditation statuses for 2022-2023 are listed below:

ELEMENTARY CAMPUS PROGRESS TOWARD MEETING PERFOMANCE OBJECTIVES

Goal 1: Hughes Springs Elementary will provide a high-quality instructional program for all students including those in special education and other special needs programs.

Performance Objective 1: All students, including special needs populations, will demonstrate growth on assessments given.

Progress: According to benchmarks/six weeks' tests, all students are demonstrating some growth. Much intervention is still needed to close learning gaps.

Performance Objective 2: An educational program that meets the unique and diverse needs of all students will be provided.

Progress: To meet special populations needs, these programs are in place: ESL, Dyslexia, Gifted and Talented, Special Ed, CTE, and At-Risk. The benchmark data for these students have been disaggregated and instructional measures are in place according to their needs. The campus is on track to meet this objective.

Performance Objective 3: Hughes Springs Elementary will integrate technology into all areas of the organization.

Progress: Currently, there is a 1:1 student to device ratio for 2nd through 5th grade students as well as for all teachers on campus. Using interactive panels, PreK through 5th grade teachers integrate technology into their daily lessons and use online assessments to progress monitor student academic achievement.

Performance Objective 4: 100% of the instructional staff, including teachers and paraprofessionals, will be appropriately certified and trained, and sufficient campus personnel for all school functions will be in place.

Progress: All core academic teachers and instructional paraprofessionals are certified and trained.

Performance Objective 5: Hughes Springs Elementary School will maintain a 95% or better attendance rate.
