PURPOSE

A primary purpose of the public school curriculum is to prepare thoughtful, active citizens who understand the importance of patriotism and can function productively in a free enterprise society with appreciation for the basic democratic values of our state and national heritage. The District shall foster the continuation of the tradition of teaching United States and Texas history and the free enterprise system in regular subject matter, in reading courses, and in the adoption of textbooks. *Education Code 28.002(h)*

As a condition of accreditation, the District shall provide instruction in the essential knowledge and skills at appropriate grade levels in the foundation and enrichment curriculum. *Education Code 28.002(c); 19 TAC 74.1(b)*

The District shall ensure that all children in the District participate actively in a balanced curriculum designed to meet individual needs. *Education Code 28.002(g)*

Instruction may be provided in a variety of arrangements and settings, including mixed-age programs designed to permit flexible learning arrangements for developmentally appropriate instruction for all student populations to support student attainment of course and grade-level standards. *19 TAC 74.2*

REQUIRED
CURRICULUM

A district that offers kindergarten through grade 12 shall offer the following as a required curriculum:

FOUNDATION
CURRICULUM

1. A foundation curriculum that includes:
 - a. English Language Arts and reading;
 - b. Mathematics;
 - c. Science; and
 - d. Social studies, consisting of Texas, United States, and world history; government; and geography.

Education Code 28.002(a)(1); 19 TAC 74.1(a)(1)

ENRICHMENT
CURRICULUM

2. An enrichment curriculum that includes:
 - a. Languages other than English, to the extent possible. American Sign Language is a language for these purposes and the District may offer an elective course in the language;
 - b. Health, with emphasis on the importance of proper nutrition and exercise;
 - c. Physical education;

- d. Fine Arts;
- e. Career and technical education;
- f. Technology applications; and
- g. Religious literature, including the Hebrew Scriptures (Old Testament) and New Testament, and its impact on history and literature.

Education Code 28.002(a)(2); 19 TAC 74.1(a)(2)

LOCAL CREDIT The District may offer courses for local credit, at its discretion, in addition to those in the required curriculum, but it may not delete or omit instruction in the foundation and enrichment curricula specified above. *Education Code 28.002(f); 19 TAC 74.1(b)*

LOCAL INSTRUCTIONAL PLAN The District's local instructional plan may draw on state curriculum frameworks and program standards as appropriate. The District is encouraged to exceed minimum requirements of law and State Board rule. *Education Code 28.002(g)*

COORDINATED HEALTH PROGRAMS TEA shall make available to the District one or more coordinated health programs or allow the development of District programs designed to prevent obesity, cardiovascular disease, and type 2 diabetes in elementary, middle, and junior high school students. Each program must provide for coordinating:

- 1. Health education;
- 2. Physical education and physical activity;
- 3. Nutrition services; and
- 4. Parental involvement.

Education Code 38.013; 19 TAC 102.1031(a)

The District shall participate in appropriate training to implement TEA's coordinated health program and shall implement the program in each elementary, middle, and junior high school in the District. *Education Code 38.014*

Coordinated school health programs that are developed by the District and that meet TEA criteria may be approved and made available as approved programs. The District must use materials that are proven effective, such as TEA-approved textbooks or materials developed by nationally recognized and/or government-approved entities. *19 TAC 102.1031(c)*

PHYSICAL EDUCATION The District shall establish specific objectives and goals the District intends to accomplish through the physical education curriculum.

BASIC INSTRUCTIONAL PROGRAM
REQUIRED INSTRUCTION (ALL LEVELS)

EHAA
(LEGAL)

The physical education curriculum must be sequential, developmentally appropriate, and designed, implemented, and evaluated to enable students to develop the motor, self-management, and other skills, knowledge, attitudes, and confidence necessary to participate in physical activity throughout life.

A physical education course shall:

1. Offer students an opportunity to choose among many types of physical activity in which to participate;
2. Offer students both cooperative and competitive games; and
3. Be an enjoyable experience for students.

On a weekly basis, at least 50 percent of a physical education class shall be used for actual student physical activity and the activity shall be, to the extent practicable, at a moderate or vigorous level.

STUDENT/TEACHER
RATIO

The objectives and goals shall include, to the extent practicable, student/teacher ratios [see EEB] that are small enough to enable the District to:

1. Carry out the purposes of and requirements for the physical education curriculum; and
2. Ensure the safety of students participating in physical education.

If the District establishes a student to teacher ratio greater than 45 to 1 in a physical education class, the District shall specifically identify the manner in which the safety of the students will be maintained.

Education Code 25.114, 28.002(d); 19 TAC 74.37

CLASSIFICATION FOR
PHYSICAL EDUCATION

The District shall classify students for physical education on the basis of health into one of the following categories:

1. Unrestricted—not limited in activities.
2. Restricted—excludes the more vigorous activities. Restricted classification is of two types:
 - a. Permanent—A member of the healing arts licensed to practice in Texas shall provide written documentation to the school as to the nature of the impairment and the expectations for physical activity for the student.
 - b. Temporary—Students may be restricted from physical activity of the physical education class. A member of the

SCHOOL HEALTH
ADVISORY COUNCIL

The Board shall establish a local school health advisory council to assist the District in ensuring that local community values are reflected in the District's health education instruction. *Education Code 28.004(a)* [See BDF regarding composition of council and FFA regarding federal wellness requirements]

DUTIES

The council's duties include recommending:

1. The number of hours of instruction to be provided in health education;
2. Curriculum appropriate for specific grade levels designed to prevent obesity, cardiovascular disease, and type 2 diabetes through coordination of health education, physical education and physical activity, nutrition services, parental involvement, and instruction to prevent the use of tobacco;
3. Appropriate grade levels and methods of instruction for human sexuality instruction; and
4. Strategies for integrating the curriculum components specified by item 2, above, with the following elements in a coordinated school health program:
 - a. School health services;
 - b. Counseling and guidance services;
 - c. A safe and healthy school environment; and
 - d. School employee wellness.

Education Code 28.004(c)

The council shall consider and make policy recommendations to the District concerning the importance of daily recess for elementary school students. The council must consider research regarding unstructured and undirected play, academic and social development, and the health benefits of daily recess in making the recom-

CONTENT OF HUMAN SEXUALITY INSTRUCTION	<p>The Board shall determine the specific content of the District's instruction in human sexuality. <i>Education Code 28.004(h)</i></p> <p>The Board shall select any instruction relating to human sexuality, sexually transmitted diseases, or human immunodeficiency virus (HIV) or acquired immune deficiency syndrome (AIDS) with the advice of the local school health advisory council. The instruction must:</p> <ol style="list-style-type: none">1. Present abstinence as the preferred choice of behavior for unmarried persons of school age;2. Devote more attention to abstinence than to any other behavior;3. Emphasize that abstinence is the only method that is 100 percent effective in preventing pregnancy, sexually transmitted diseases, infection with HIV or AIDS, and the emotional trauma associated with adolescent sexual activity;4. Direct adolescents to a standard of behavior in which abstinence before marriage is the most effective way to prevent pregnancy, sexually transmitted diseases, and infection with HIV or AIDS; and5. Teach contraception and condom use in terms of human use reality rates instead of theoretical laboratory rates, if instruction on contraception and condoms is included in the curriculum. <p><i>Education Code 28.004(e)</i></p>
CONDOMS	<p>The District may not distribute condoms in connection with instruction relating to human sexuality. <i>Education Code 28.004(f)</i></p>
SEPARATE CLASSES	<p>If the District provides human sexuality instruction, it may separate students according to sex for instructional purposes. <i>Education Code 28.004(g)</i> [See FBA regarding single-sex classes under Title IX]</p>
NOTICE TO PARENTS	<p>Before each school year, the District shall provide written notice to a parent of each student enrolled in the District of the Board's decision regarding whether the District will provide human sexuality instruction to District students. If instruction will be provided, the notice must include:</p>

1. A summary of the basic content of the District's human sexuality instruction to be provided to the student, including a statement informing the parent of the instructional requirements under state law;
2. A statement of the parent's right to:
 - a. Review curriculum materials as provided by Education Code 28.004(j); and
 - b. Remove the student from any part of that instruction without subjecting the student to any disciplinary action, academic penalty, or other sanction imposed by the District or the student's school; and
 - c. Information describing the opportunities for parental involvement in the development of the curriculum to be used in human sexuality instruction, including information regarding the local school health advisory council.

A parent may use the grievance procedure at FNG concerning a complaint of a violation of notice requirements.

Education Code 28.004(i)-(i-1)

AVAILABILITY OF
MATERIALS

The District shall make all curriculum materials used in human sexuality instruction available for reasonable public inspection. *Education Code 28.004(j)* [See EFAA regarding selection of curriculum materials for human sexuality instruction]

STEROID NOTICE AND
EDUCATION

The District shall, at appropriate grade levels as determined by the State Board of Education, provide to students involved in extracurricular athletic activities information developed by TEA regarding the use of anabolic steroids and the health risks involved with such use. *Education Code 38.0081(b)*

Each school in a district in which there is a grade level of seven or higher shall post in a conspicuous location in the school gymnasium and each other place in a building where physical education classes are conducted a notice regarding steroids, using the text set forth at Education Code 38.008 [see FNCF(EXHIBIT)]. *Education Code 38.008*
