September 2017

Dear Parents:

Our students will continue using a software program called Renaissance Place (Accelerated Reader – AR) at school. One of those special features of AR is *Renaissance Home Connect*, which allows access outside of school from any computer with an Internet connection. Renaissance Home Connect is fun and easy to use. It allows the teacher, you and your student to share information about your child’s progress in Accelerated Reader. It does not allow for students to take tests at home – but having the ability to view progress and performance on assessments will help parents and students stay informed about achievement.

You can log in to Renaissance Home Connect from any computer with an Internet connection and compatible browser. For a list of compatible browsers, type the following URL in any browser:

<http://support.renlearn.com/techkb/techkb/10624292e.asp>

- User Name: first initial first 4 letters of last name (*i.e. George Washington would be GWASH*)
- Password: (6 digit lunch number)

To log in to Renaissance Home Connect, please type the following URL:

Website: <https://Hosted346.renlearn.com/273283/HomeConnect>

If you'd like to receive emails showing your student's quiz or test results, click the Email Setup link in Renaissance Home Connect and follow the directions. To be sure these emails reach your inbox, please add: homeconnectautodelivery@renlearnrp.com to your address book. If you have questions about Renaissance Home Connect, please contact your child’s teacher for assistance.

We are very excited to be able to continue this program and thank our PTA for supporting the continued implementation of AR!

Thank you,

Julie Jennings
Principal
