

Isaac L. Sowers Middle School

2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Contact Information

School Name	Isaac L. Sowers Middle School
Street	9300 Indianapolis Ave.
City, State, Zip	Huntington Beach, CA 92646
Phone Number	(714) 962-7738
Principal	Dr. Renee Polk Johnson
Email Address	rjohnson@hbcsd.us
School Website	https://isms.schoolloop.com/
County-District-School (CDS) Code	30-66530-6089072

2021-22 District Contact Information

District Name	Huntington Beach City School District
Phone Number	(714) 964-8888
Superintendent	Leisa Winston, Ed.D.
Email Address	LWinston@hbcsd.us
District Website Address	www.hbcsd.us

2021-22 School Overview

Sowers Middle School - Setting the Course for 21st Century Leaders

Isaac L. Sowers students will experience an academically challenging and supportive learning environment that promotes the realization of all students' full potential.

Beliefs

- **Developmental Awareness:** Our dedicated and knowledgeable staff recognizes the developmental uniqueness of the middle school child and demonstrates a commitment to foster the conditions necessary for student achievement. School personnel model the qualities and characteristics they expect to instill in students.
- **Nurturing Learning Environment:** We offer an inviting, safe, and purposeful environment that is conducive to learning. Parents and staff will work together to provide students with the time, support, and encouragement they need to achieve.
- **Supportive Structure and Schedule:** We are organized to promote meaningful professional collaboration with a focus on learning and providing access for all students. Teams are viewed as the building blocks for a strong Professional Learning Community. We place a high priority on protecting instructional and collaborative planning time, maintaining reasonable class size, and providing supportive student services during the regular school day.
- **Standards-based Curriculum:** We will provide a core curriculum that can be enriched, extended, or differentiated to meet the individual learning needs of students. Education in the fine and practical arts, physical education, and language are valued as integral parts of the instructional program. We will provide a standards-based learning environment that clearly establishes criteria for subject mastery and identifies what students will know and be able to accomplish as a result of completing the instructional program. The scope and sequence of the curriculum will reflect a continuum of offerings that challenge all students.
- **Focus on best, first Instruction:** We will develop and implement a wide array of strategies to optimize student learning. Technology will be integrated into the instructional process as a means to achieve specific curricular outcomes. We value an ongoing process of vertical articulation with elementary and high school colleagues to ensure a continuum of instruction.
- **Clarity of Assessment Goals and Practices (Progress Indicators):** We will employ a variety of methods to measure the learning progress of every student. Teachers, in collaboration with their departments, will develop consistent grading practices in support of the instructional program. Assessment information will be used to guide the learning process, refine instructional plans, and inform parents of their child's academic progress.

2021-22 School Overview

- **Emphasis on Active Participation:** We will promote active student participation in co-curricular programs. The middle school years offer students their first real opportunity to enjoy a range of extracurricular activities, engage in an exploratory study, and participate in the performing arts. We recognize the potential of these programs to enhance the health and fitness of young adolescents, improve academic performance, and build positive links between school, families, and the local community.

Sowers Middle School opened in 1971, as a 6th through 8th-grade middle school. Sowers is located in a city characterized by miles of beautiful Pacific shoreline, bicycle paths, parks, and an ecological preserve. The school is one of two middle schools and six elementary schools serving approximately 5,400 students in Huntington Beach. The school facility is attractive, well-maintained, and situated in a residential area adjacent to a park. There are 43 classrooms that are allocated for general, elective, and special education classes and support services. The school also offers a Multipurpose Room (room 402), and separate boys and girls Physical Education locker rooms. Assemblies, student programs, and large activities are conducted in a spacious interior school mall complete with a stage and sound system. Technologically, Sowers is fully networked in all classrooms with both hardwired and wireless networking capabilities.

Sowers Middle School faces many of the same challenges and opportunities confronting schools throughout Southern California. Sowers offers a rich elective program along with school clubs, committees, and activity groups for students to join. In addition, pyramids of intervention classes have been designed to help students experiencing difficulty achieving school success. Sowers Middle School also offers CORE areas of English Language Arts and Social Studies with Honors classes at all grade levels. Along with our regular math curriculum, an accelerated math program is offered in grades 7th and 8th for eligible students to participate based on district criteria. Services are provided in designated special education programs with a continuum of support which includes co-teaching with one special education and one general education teacher in CORE classes, two special day classes, and guided support in math. We also provide social thinking classes for students with needs in socialization. A school-wide positive behavior system is in place in which all students, staff, and community follow the ISMS Way demonstrating Integrity - Safety - Making Responsible Choices - Showing Respect.

A talented and enthusiastic staff makes Sowers a school where students take pride in learning and growing socially. Parents feel supported and teachers have the tools to help students learn. Our instructional team, work collaboratively under the construct of Professional Learning Communities(PLC) developing and implementing programs that motivate and engage all students. Our teachers care deeply about all aspects of the school programs, participate in shared decision-making, and engage in professional development activities to build skills to meet students' needs, understand the uniqueness of the middle school child, and perform with distinction. Our support staff works together to nurture the intellectual, physical, and emotional capacities of each child. Sowers staff members are well trained, experienced, and are enthusiastic about meeting student needs. Our Student Body of approximately 800 regular and special education students represents a cross-section of cultural, racial, and ethnic backgrounds, as well as an array of ability levels from the learning handicapped to the intellectually gifted. The virtues of mutual respect and recognition of personal dignity are fostered and nurtured by students and staff. The contributions, achievements, and progress of ALL students are valued and respected. The parents and community are an integral part of the Sowers School community and are welcomed to participate as committee members, PTSA members, and School Site Council members. The local community and family involvement are vital to the success of our educational program at Sowers.

During the 2021-2022 school year and in response to the pandemic, we have offered a 100% distance learning option for families who requested it, space permitting.

About this School

2020-21 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 6	242
Grade 7	281
Grade 8	312
Total Enrollment	835

2020-21 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	47.8
Male	52.2
American Indian or Alaska Native	0.2
Asian	9.6
Black or African American	0.1
Filipino	1
Hispanic or Latino	13.8
Two or More Races	10.8
White	63.8
English Learners	2.6
Foster Youth	0.2
Homeless	1.1
Socioeconomically Disadvantaged	15.1
Students with Disabilities	12.9

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	
Intern Credential Holders Properly Assigned	
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	
Unknown	
Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2019-20 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2019-20
Permits and Waivers	
Misassignments	
Vacant Positions	
Total Teachers Without Credentials and Misassignments	

2019-20 Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2019-20
Credentialed Teachers Authorized on a Permit or Waiver	
Local Assignment Options	
Total Out-of-Field Teachers	

2019-20 Class Assignments

Indicator	2019-20
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Pursuant to the settlement of Williams vs. the State of California, Huntington Beach City School District thoroughly inspected each of its school sites at the start of the 2020-21 school year to determine whether or not each school had sufficient and good quality textbooks, instructional materials, and/or science laboratory equipment.

All students, including English Learners, are required to be given their own individual textbooks and/or instructional materials (in core subjects), for use in the classroom. Additionally, all textbooks and instructional materials used within the District must be aligned with the California State Content Standards and frameworks, with final approval by the Board of Education.

Textbooks and instructional materials used in the district in the core subject areas of English-Language Arts, Mathematics, Science, and History-Social Science.

Year and month in which the data were collected

October 2021

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Houghton Mifflin Harcourt – California Collections Adoption Year 2017	Yes	0.0%
Mathematics	Glencoe California Math, Courses 1-3 Glencoe Math Accelerated (Grade 7 Accelerated) Glencoe Algebra 1 (Grade 8 Accelerated) Adoption Year 2015	Yes	0.0%
Science	Discovery Education- CA NGSS Science Techbook Adoption Year 2019	Yes	0.0%
History-Social Science	Teachers' Curriculum Institute - History Alive! Adoption Year 2007	Yes	0.0%
Foreign Language			
Health			
Visual and Performing Arts			
Science Laboratory Equipment (grades 9-12)			

School Facility Conditions and Planned Improvements

Sowers Middle School, built in 1971, consists of a main building with five pods including administrative offices, library, stage, multipurpose room, a mall/cafeteria area, locker rooms and classrooms. The site also has portable classrooms added during the 1990's.

This site has a solar array along the athletic fields in the back of the school that provides a shaded area for students and the site has been retrofit with energy efficient interior and exterior lighting.

Limited improvements were made to the campus as it is being evaluated for reconstruction. Upgraded HVAC MERV 13 air filters per CDC Guidelines.

Facilities are inspected continuously by custodial and maintenance personnel and work orders are submitted as needed.

Year and month of the most recent FIT report

External: Playground/School Grounds, Windows/ Doors/Gates/Fences	X			

Overall Facility Rate

Exemplary	Good	Fair	Poor
	X		

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21
English Language Arts/Literacy (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A
Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	830	13	1.57	98.43	15.38
Female	398	3	0.75	99.25	--

Socioeconomically Disadvantaged	52	NT	NT	NT	NT
Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	32	NT	NT	NT	NT

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

School categorical funding, which includes Local Control Funding Formula (LCFF) and Special Education, are resources that are allocated to support underperforming students. Our Parent Teacher Student Association (PTSA) provides monetary support for the individual classroom and school-wide instructional materials and programs. For example, PTSA has generously supported our PBIS program, funding for entire grade level field trips (programs), and support of positive school climate building. Community organizations and resources provide additional support to our school and families. These resources include the Regional Center of Orange County, parent education offerings, Outreach counseling, and Robyne's Nest. Additionally, the HBCSD funds a full-time counselor at Sowers Middle School.

Opportunities for parent involvement are offered to parents in PTSA, School Site Council, District Advisory Committee (DAC), School Committees, Community Forums, and Coffee with the Principal, or by informal invitations through ParentSquare. Sowers Middle School also publishes a weekly parent electronic newsletter (via ParentSquare) which compiles information received from staff, administration, and the school community regarding recent or upcoming events, programs, and celebrations. Parents are proud of the growth Sowers has made in the past, and it is a priority that we focus on continued growth and improvement in the future in order to remain a high-performing school!

2020-21 Chronic Absenteeism by Student Group

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate
All Students	862	849	736	86.7
Female	416	408	358	87.7
Male	446	441	378	85.7
American Indian or Alaska Native	2	2	2	100.0

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
Suspensions	4.84	0.46	1.97	0.21	3.47	0.20
Expulsions	0.09	0.00	0.01	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	2.61	1.14	2.45
Expulsions	0.09	0.01	0.05

2020-21 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	0.46	0.00
Female	0.48	0.00
Male	0.45	0.00
American Indian or Alaska Native	0.00	0.00
Asian	0.00	0.00
Black or African American	0.00	0.00
Filipino	0.00	0.00
Hispanic or Latino	0.00	0.00
Native Hawaiian or Pacific Islander	0.00	0.00
Two or More Races	0.00	0.00
White	0.73	0.00

Foster Youth	0.00	0.00
Homeless	0.00	0.00
Socioeconomically Disadvantaged	1.38	0.00
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities	0.00	0.00

2021-22 School Safety Plan

The Comprehensive Safe School Plan was developed by the district to comply with Senate Bill 187 (SB 187) of 1997. The plan provides students and staff with a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: current status and assessment of school crime; identification of strategies and programs that provide and maintain a high level of school safety; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment and discrimination policy; policies and procedures for the prevention of bullying; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures.

The school evaluates the plan annually and makes any modifications as needed. Safety procedures, including elements of the Safe School Plan, were reviewed with school and district staff during the winter of the 2021-22 school year. The plan was reviewed and updated with staff and School Site Council in early 2022.

The district progressively addresses structural needs at each school to ensure facilities are safe and comply with education codes as well as building and safety regulations. An automated external defibrillator (AED) was installed in the administration building and Mall (cafeteria/ student eating area). A \$169 million bond (Measure Q) approved in November 2016 provides the necessary funding for District-wide modernization efforts. Proposed improvements to Sowers included modernization of all learning spaces, a new gymnasium, a new STEM lab, and perimeter campus fencing to increase student safety.

2018-19 Secondary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	24	11	9	13
Mathematics	26	6	18	5
Science	29	1	22	4
Social Science	29	4	9	13

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	26	9	11	12
Mathematics	24	11	10	9
Science	28	6	14	7
Social Science	27	4	18	5

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	18	21	13	
Mathematics	21	10	18	
Science	22	12	17	
Social Science	20	14	15	

2020-21 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	

2020-21 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	0
Library Media Teacher (Librarian)	0
Library Media Services Staff (Paraprofessional)	0
Psychologist	1
Social Worker	0
Speech/Language/Hearing Specialist	1
Resource Specialist (non-teaching)	0

2019-20 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2019-20 expenditures per pupil and average teach salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$ 7,010.87	\$ 1,370.35	\$ 5,640.52	\$ 95,167
District	N/A	N/A	\$ 2,329.96	\$95,013
Percent Difference - School Site and District	N/A	N/A	77.1	-200.0
State			\$8,444	\$85,863
Percent Difference - School Site and State	N/A	N/A	-200.0	-200.0

2020-21 Types of Services Funded

A significant portion of Sowers's categorical program budget is allocated for professional development activities to support improved instruction and technology to support student learning. The district continuously explores ways to increase extended learning opportunities and improve intervention for at-risk students.

Each year a portion of funds is used to enable staff members to attend teaching seminars and other events designed to enhance their teaching techniques and expand their knowledge base. Teachers who are new to the profession are supported by peer coaching and are encouraged to attend in-services. Teachers who attend conferences, seminars, and other events are encouraged to share what they learn with other staff members. New teacher support is provided at the site level through coaching by administrators and colleagues and also with the Orange County Department of Education through frequent conferences and subject-related in-service opportunities. These programs assist teachers to expand and deepen their teaching skills, help the school district retain more new teachers, and improve student learning.

Gifted and Talented Education (GATE) Program cluster classes are provided for grades 6 through 8 for GATE identified students. Instruction within these classes focuses on teaching grade-level standards through the use of Sandra Kaplan's depth and complexity icons. SDC and SAI students are served based on their Individualized Education Program (IEP) goals and services.

2019-20 Teacher and Administrative Salaries

This table displays the 2019-20 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$49,654	\$52,060
Mid-Range Teacher Salary	\$93,514	\$84,043
Highest Teacher Salary	\$114,069	\$107,043
Average Principal Salary (Elementary)	\$137,484	\$133,582
Average Principal Salary (Middle)	\$131,153	\$138,803
Average Principal Salary (High)	\$0	\$133,845
Superintendent Salary	\$241,672	\$240,628
Percent of Budget for Teacher Salaries	39%	35%
Percent of Budget for Administrative Salaries	6%	5%

Professional Development

Sowers Middle School is committed to providing best first instruction for all students through the implementation of standards-based programs, lessons, and activities that engage students in their learning. Teachers align classroom curriculum to ensure that all students are afforded an opportunity to meet or exceed local and state proficiency levels. In alignment with the district's long-range curriculum plan, staff development opportunities are available for teachers, support personnel, administrators, and classified staff. Additionally, staff members are also encouraged to request release time to attend conferences, seminars, or training opportunities that will directly impact their instruction to create the most relevant and engaging learning experiences for our students. All training and curriculum development at Sowers Middle School revolves around the Common Core State Standards and best practices. Teachers align classroom curriculum to ensure that all students either meet or exceed local and state proficiency levels. Examples of professional development include Kelly Gallagher (ELA), ELA Textbook Adoption, NGSS training and collaboration, PLC collaboration, and relationship building learning experiences with staff. As a result of the COVID-19 school closures and need to provide distance learning, HBCSD increased its professional development offerings during the 2019-20 and 2020-21 school years to increase capacity of teachers to provide distance learning. These sessions included on-demand learning of pre-recorded, self-paced modules as well as live sessions with topics ranging from ZOOM, Screencastify, Clever, Canvas Learning Management System, SchoolsPLP digital curriculum, The Distance Learning Playbook to name a few.

Huntington Beach City School District regularly collaborates with all levels of district and school site staff when developing professional development activities. Instructional program improvement is driven by student needs and guided by state standards and frameworks. District and school administrators use site trend analyses, state testing, district-level assessments, teacher response, and administrator observations to identify more effective methods and strategies to achieve positive results for teachers and students. The Assistant Superintendent of Educational Services and principals meet monthly to analyze current instructional programs, instructional materials, implementation timelines, and student achievement. Feedback is gathered at the site level through direct input and staff observation. The Sowers Middle School staff is continually involved in a process of curriculum development and staff training. District goals and objectives, constructed in keeping with state frameworks, are used to set achievable benchmarks. Each content area, PLC, meets monthly to assess and refine its educational goals. Individual departments, the Viking Leadership Team (shared leadership group), the principal, and the School Site Council continually monitor the school plan. A major component of the school plan is staff development and collaboration. As needs are identified, training sessions are developed, in keeping with the district's direction, state frameworks, and recommended curricula.

Teachers new to the profession are supported by peer coaching and are encouraged to attend in-services offered by the Orange County Department of Education. Teachers are encouraged to attend subject-specific seminars and major conferences and share what they learn with other staff members. These programs offer additional support and opportunities to new teachers. The program is designed to expand and deepen their teaching skills, help the school district retain more new teachers, and improve learning opportunities for students. Classified staff and instructional assistants are provided training and development opportunities at the school, district, and county levels. In-services for classified staff are geared to their specialty areas.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.

2021-22 District Contact Information

District Name	Huntington Beach City School District
Phone Number	(714) 964-8888

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
