

Digital ID cards — *always current, always accurate*

Make sure we have your email so
you can get your digital ID card

Have you ever handed your member ID card to a doctor only to find it's expired, or it isn't even the right one? Your digital ID card always has the latest information, so you can be sure you're giving the right details to your doctor or health care professional.

Your digital ID card can make your life easier

- No need to wait for your ID card to come in the mail — new ID cards are available faster!
- It's easy to use.
 - Print a copy any time.
 - Email or fax it right from your computer or mobile device.
 - Show it to your doctor from your smartphone. Your digital ID card is always there and works just like a printed ID card.

Tip: Download the card to your smartphone, so you'll always have it even if your cell signal or internet connection goes bad.
