Student Accident Insurance Plans

K-12 Student Accident Insurance Plans

Why you need Student Insurance . . .

- Your school does not provide medical insurance to cover injuries to students. Instead, your school suggests this Plan to provide affordable coverage options.
- If you don't have other insurance, this Student Accident Plan is essential.
- Even if you do have other insurance, you will probably have to pay deductibles or co-payments. This Student Accident Plan will help to fill those expensive "gaps."
- Don't wait until you're faced with costly medical bills to think about insurance.

Choose from these school approved plans . . .

- 24 HR Around-the-Clock Plan
- School-time-Only Plan
- Extended Dental Plan

 THIS POLICY DOES NOT PROVIDE BENEFITS FOR SICKNESS
 NO COVERAGE PROVIDED FOR INJURIES RESULTING FROM THE PRACTICE OR PLAY OF INTERSCHOLASTIC SPORTS

1 Choose from the following School-Approved Plans:

24 HR Around-the-Clock Plan

The student is insured for 24-hours a day protection, for school related accidents, at home or away —at play—at camp—on vacation—scouting—amateur sports—youth group activities—or just playing in the neighborhood.

Schooltime-Only Plan

The student is insured while attending school when school is in session; participating in or attending activities sponsored and supervised by a school official or employee, including school-supervised travel and after-school activities supervised on school grounds.

Extended Dental Plan

Increases the Dental Treatment Benefit under the Plans to a maximum of \$25,000 for accidental injury to sound, natural teeth. This optional benefit cannot be purchased separately, it must be purchased with either Schooltime or 24 Hour coverage. Optional Dental coverage is effective 24 hours a day even when selected with Schooltime Coverage and provides coverage until the first day of the next Fall term. Treatment must begin within 100 days from the date of the accident. Benefits are payable only for covered expenses which are incurred within 12 months immediately following the date of the accident. However, if the dentist certifies that treatment must be deferred beyond the 12 month period, the Company will only pay up to \$1000 of the expense incurred for such deferred treatment.

Optional Tackle Football Coverage

Covers Accidents occurring while participating in high school interscholastic tackle football practice or competition. Travel is covered when going directly and uninterruptedly to or from such practice or competition as part of a group in transportation furnished or arranged by the Policyholder. Refer to benefits and limitations described inside this brochure. Optional Football Coverage begins on the date of premium receipt and ends on the last day of practice or competition. Ninth Graders who play with 9th graders ONLY are not charged extra for football coverage.

Their Optional School-Time or Optional 24-Hour Accident Coverage will apply if purchased.

2 Additional facts about the Plans:

Effective and Expiration Dates: Applicants are covered the day they submit on-line payment or the date they submit an application and the required premium to a school official, but not prior to the first day of school. The expiration date of coverage (except for those applying for 24 HR Around-the-Clock coverage) shall be the close of the regular school term, except while the Insured is attending academic classroom sessions, exclusively sponsored and supervised by the school during the summer; in such case coverage will terminate at the end of the summer classroom sessions. 24 HR Around-the-Clock coverage ends on the opening day of the following school Fall term.

Student Accident Insurance covers accidental bodily injury sustained during the term of insurance and which causes loss directly and independently of all other causes. Insurance is good anywhere. For example, if the student buys the Plan at school and the family moves, the benefits would continue until the close of the school term at any new public or parochial day school. There is no limit to the number of accidents a student can have paid under the Policy.

GERBER'S COVID-19 GUIDELINES

Update

These guidelines are identical to the guidelines issued in August 2020.

STUDENT INSURANCE
WWW.STUDENTINSURANCEUSA.COM

SIRep@studentinsuranceusa.com

1. Student Accident Policies: Gerber will provide accident coverage, up to the policy limits, to students regardless of whether they wear a mask. Due to the pandemic, accident coverage will be provided to students if: (a) the school opens and students attend classes in person; (b) the school campus remains closed and students attend classes remotely; (c) the school opens and students are given an option to attend classes in person or attend classes remotely; and (d) the school opens under a hybrid model, with students attending classes in person part of the week and attending classes remotely other days of the week. Remote learning students are only covered while attending Online classes or working on assignments assigned by the school.

- 2. Fall Sports Delays or Cancellations: At this time, there is still uncertainty at some schools about whether fall sports will take place, or if seasons will be delayed or shortened. If/when cancellations or shortened seasons occur, underwriters can look at the change in risk and provide a fair credit or refund as appropriate.
- 3. Student Athletes: Gerber will cover student athletes while they're conditioning, practicing, training and performing related activities that are approved and assigned by an authorized representative of the school (coach, trainer, or physical education instructor), whether the instruction takes place virtually, on school grounds, or at another location typically used for conditioning, practicing, training and performing that sport or activity. A student athlete will not have coverage if they are injured while conditioning, practicing, training and performing related activities that are not assigned or approved by an authorized representative of the school (coach, trainer, or physical education instructor). This includes activities provided by parents or by some other entity not authorized by the school.
- 4. Participant Accident: Our Special Risk Participant Accident coverage normally requires an insured to be participating in or attending a supervised Regularly Scheduled Activity of the Policyholder in person for coverage to apply. Many of the facilities where these activities usually occur remain closed or have limited in-person activities due to COVID-19 mandates or precautions. Due to this, Gerber will cover insureds at their residence when they are virtually participating in activities offered and supervised by the Policyholder. An insured will not have coverage if they are participating in an activity virtually when the activity is not instructed or supervised by the Policyholder.
- 5. Supporting Telemedicine: During the COVID-19 pandemic it may not be possible for claimants to meet face to face with their healthcare providers. Gerber will continue to provide coverage for telemedicine, so that our insureds can receive the care they need. Each claim will be reviewed according to the terms of the policy.
- 6. Extending Benefit Periods: Services like rescheduled surgeries, doctor's appointments, physician follow-ups, and physical therapy may be delayed as a result of the COVID-19 pandemic. Gerber will consider claims incurred outside of the benefit period on a case-by-case basis. Claimants will need to certify that their services were delayed due to the COVID-19 pandemic.
- 7. Premium Grace Periods: Due to the obstacles the COVID-19 pandemic may have caused and to assist our Policyholders, Gerber will provide a 60 day grace period to pay insurance premiums so that insurance policies are not canceled for nonpayment of premium due to circumstances beyond the control of the insured. This grace period is not intended to change the terms of the issued policy or be considered a forgiveness of the premium. Rather, it is intended to grant the policyholder an extended grace period for the payment of premium due without penalty or interest during this pandemic.
- 8. Invoicing Options: Please consult your Student Insurance Representative if you have questions about invoicing. As your trusted ally, we are happy to discuss options on a case-by-case basis.

PLEASE READ THIS INFORMATION CAREFULLY. It is important.

PLEASE FOLLOW THESE INSTRUCTIONS TO FILE A CLAIM

ALL INFORMATION MUST BE PROVIDED IN ORDER FOR CLAIM TO BE PROCESSED. PROCESSING OF YOUR CLAIM WILL BE DELAYED IF COMPLETE INFORMATION IS NOT RECEIVED

NOTE: The accident policy benefits are limited and may not provide 100% coverage. Accident medical expense coverage under this policy is provided on an Excess Basis, and in most instances, benefits will only be paid under this plan after your own personal or group insurance has paid out its benefits. Completion of a claim form does not guarantee benefit payment. Each claim is reviewed according to the policy provisions.

Claim Guidelines: The following guidelines must be followed.

• Answer all questions in detail (including all signatures on the front and back of the form). A claim form needs to be completed for each accident.

• If you have other insurance, submit your claim to your other insurer. When you receive the explanation of benefits (sample attached) notice from your primary carrier, send it to us along with the corresponding HCFA/UB04 medical bills and with the fully completed claim form. You must submit the provider's medical bills; balance due statements will not be processed. Medical bills must include the procedure & diagnosis code along with the Provider's federal identification number. These bills are:

- 1) HCFA-1500 (standard form used by Providers; sample attached)
- 2) UB-04 or UB-92 (standard form used by Hospitals sample attached)
- 3) ADA Dental Claim Form (All dental bills must be submitted through your primary insurance's medical and dental plans first before submitting the bills to WebTPA)

It would be helpful if the following was given to all providers the injured person is seeking treatment from:

- 1. WebTPA contact information
- 2. Organization/School name found on the claim form
- 3. Policy number found on the claim form

This way the providers of service can work directly with the claim office and provide them with the correct billing forms (itemized bill to include procedure & diagnosis code and tax id number) needed to process a claim.

• If you already paid the medical bill, include a paid receipt or a copy of your cancelled check at the same time you submit the medical bill. Otherwise payment will be made to the providers of service (Hospital, Physician or Others).

◆ Send all correspondence to WebTPA, Inc., **P.O. Box 2415 Grapevine, TX 76099-2415**. The claim form must be sent within 90 days of the date you first received medical care. Any bills not filed with the claim form should be sent, within 90 days of the date you received medical care, to the Company identified with claimant's name, Organization or School name and date of Accident.

• If you change your address, please notify WebTPA, Inc. by sending notification to WebTPA so that there is no delay in processing any claims.

• Please contact WebTPA, Inc. by calling **866-975-9468** if you would like to check the status of your claim or if you have any questions on how your claim was processed or the benefit paid.

Common Causes For Delays In Processing Claims

- 1. Claim Forms Not Completed In Full or Not Submitted.
- 2. Balance Due, Balance Forward, or Past Due Statements Submitted for Bills.
- 3. Explanation of Benefits from Primary Carrier Not Provided with the Bills.

KEEP COPIES OF ALL CLAIM FORMS, MEDICAL BILLS, AND CORRESPONDENCE FOR YOUR OWN RECORDS UNTIL YOUR CLAIM HAS BEEN PROCESSED.

CLAIM FORM SIGNED CLAIM FORM IS REQUIRED

1. PLEASE FULLY COMPLETE THIS FORM PAGE 1 & PAGE 2

IMPORTANT NOTICE: Your insurance plan is designed to provide maximum benefits for minimum premium. This plan of insurance is secondary, in most instances, to any health insurance you have. If you have other insurance, submit your claim (health and/or dental) to your other insurer. When you receive their Benefit

Statement, send it to us along with your HCFA/UB04 (medical bills) and this completed form. Note: The accident policy benefits are limited and may not provide 100% coverage.

SAMPLE EOB (EXPLANATION OF BENEFITS)

EXCESS COVERAGE PROVISION The Company will pay Reasonable Expenses that are not recoverable from any Other Plan. The Company will determine the amount of benefits provided by Other Plans without reference to any coordination of benefits, non-duplication of benefits, or similar provisions. The amount from Other Plans includes any amount, to which the Insured is entitled, whether or not a claim is made for the benefits. This Blanket Student Accident Insurance is secondary to all other policies. This provision will not apply if the total Reasonable Expenses incurred for Hospital and Professional Services Benefits are less than the amount stated in the Schedule of Benefits under Excess Coverage Applicability.

MEDICAL BENEFITS When a covered Injury to a student results in 1) treatment by a legally qualified Physician or surgeon (other than a member of the immediate family or person retained by the school) or 2) Hospital confinement, and treatment begins within 60 days from the date of Injury, the Company will pay the benefit as shown in the Schedule of Benefits, subject to the Excess Coverage Provision above. Only eligible medical expenses incurred by the Insured within 52 weeks from the date of the Accident are covered. Benefits for any one Accident shall not exceed in the aggregate the maximum stated in the Medical Benefit plan purchased. Expenses incurred after one year from the date of Injury are not covered, even though the service is a continuing one, or one that is necessarily delayed beyond one year from the date of Injury.

ACCIDENTAL DEATH, DISMEMBERMENT AND LOSS OF SIGHT When a covered Injury results in any of the Losses to the Insured which are stated in the Schedule of Benefits for Accidental Death, Dismemberment, or Loss of Sight then the Company will pay the benefit stated in the schedule for that Loss. The Loss must be sustained within 365 days after the date of the Accident.

The maximum benefit payable under this provision is stated in the Schedule of Benefits under Maximums and Benefit Period: 1) Life 2) Both Hands or Both Feet or Sight of Both Eyes; 3) Loss of One Hand and One Foot; 4) Loss of One Hand and Entire Sight of One Eye; 5) Loss of One Foot and Entire Sight of One Eye; 6) Loss of One Hand or Foot; 7) Loss of Sight in One Eye; 8) Loss of Thumb and Index Finger of the Same Hand. Half of the maximum benefit will be paid for the Loss of one Hand, one Foot or the Sight of one eye. Loss of Hand or Foot means the complete Severance through or above the wrist or ankle joint. Loss of Sight means the total, permanent Loss of Sight in One Eye. The Loss of Sight must be irrecoverable by natural, surgical or artificial means. Loss of Thumb and Index Finger of the Same Hand means complete Severance through or above the metacarpophalangeal joints of the same hand (the joints between the fingers and the hand). Severance means the complete separation and dismemberment of the part from the body. If the Insured suffers more than one of the above covered losses as a result of the same Accident the total amount the Company will pay is the maximum benefit. Benefits paid under this provision will be paid in addition to any other benefits provided by the Policy. Benefits under this provision are subject to all other provisions of the Policy, including all Coverage and Limitations, Maximums and Exclusions.

DEFINITIONS Injury means bodily injury caused by an Accident. The Injury must occur while the Policy is in force and while the Insured is covered under the Policy. The Injury must be sustained as stated on the face page of the Policy, except where specifically stated otherwise in the Policy. Accident means a sudden, unexpected and unforeseen, identifiable event producing at the time objective symptoms of an Injury. The Accident must occur while the Insured is covered under the Policy. Other Plan means any other valid and collectible insurance or self-funded plan such as: individual and family type insurance coverage; group, blanket or franchise insurance, group hospital, medical service, pre-payment, trustee, Union Welfare; Blue-Cross, Blue Shield, group practice or other pre-payment coverage; labor-management plans, or employee benefit organization plans; self-funded ERISA plan, Workers' Compensation Law, Occupational Disease Law or any similar legislation; Medicare; or "No-Fault" auto legislation, where applicable. **Reasonable Expense** means the average amount charged by most providers for treatment, service or supplies in the geographic area where the treatment, service or supply is provided. Such services and supplies must be recommended and approved by a Physician.

EXCLUSIONS No Benefits are payable for Hospital and Professional Services for the following: 1) Injuries which are not caused by an Accident; 2) Treatment for hernia, regardless of cause, Osgood Schlatter's disease, or osteochondritis; 3) Injury sustained as a result of operating, riding in or upon, or alighting from a two-, three-, or four-wheeled recreational motor vehicle or snowmobile; 4) Aggravation, during a Regularly Scheduled Activity, of an Injury the Insured suffered before participating in that Regularly Scheduled Activity, unless the Company receives a written medical release from the Insured's Physician; 5) Injury sustained as a result of practice or play in interscholastic tackle football and/or sports, unless the premium required under the Football and/or Sports Coverage provision has been paid; 6) Any expense for which benefits are payable under a Catastrophic Accident Insurance Program of the State Interscholastic Activities Association; 7) Treatment performed by a member of the Insured's Immediate Family or by a person retained by the School; 8) Injury caused by war or acts of war; suicide or intentionally self-inflicted Injury, while sane or insane; violating or attempting to violate the law; the taking part in any illegal occupation; fighting or brawling except in self defense; being legally intoxicated or under the influence of alcohol as defined by the laws of the state in which the Injury occurs; or being under the influence of any drugs or narcotic unless administered by or on the advice of a Physician; 9) Medical expenses for which the Insured is entitled to benefits under any (a) Workers' Compensation act; or (b) mandatory no-fault automobile insurance contract; or similar legislation; 10) Expense incurred for treatment of temporomandibular joint dysfunction and associated myofacial pain; and 11) Expenses incurred for experimental or investigational treatment or procedures.

All information in this brochure is subject to the provisions of Policy Form COL-11(CA), underwritten by Gerber Life Insurance Company (the Company).
