Dear Parents,

Welcome to the 2023-2024 school year.

Well-nourished children learn better. It is the mission of the Department of Food and Nutrition to provide healthy nutritious meals with excellent customer service. Our staff of dedicated professionals are part of the Islip community.

Your student may be eligible for free meals. Included on this page are the 2023-2024 Federal eligibility guidelines and an application for free and reduced-price school meals. Eligible families are required to submit a new application for the 2023-2024 school year.

We encourage parents/guardians to register at MySchoolBucks.com. The portal offers the convenience of prepaying meals, checking balances, and monitoring lunch purchases.

Please check the Food and Nutrition page of the District's website for further information, including menus and additional applications. Should you have any questions or need further assistance, you may call me at (631) 650-8270.

Sincerely,

Andrew Bromm
Director
