

- Students First
- Pure Intentions
- Best Effort

Teaching, and changing students' Life Trajectories,
remain among the world's most noble work!

Thank You...

- Buildings and Grounds
- Clerical
- Custodial
- Security
- IT
- Food Service
- Teachers
- TAs, Aides & monitors
- Administrators
- Board of Education
- Central Office

**Our collective
effort and
collective
efficacy make
all the
difference...**

Areas of Focus...

Pre-K through Grade 12

Growth
Mindset

- Monthly topic at faculty and/or department meetings
- Help students & parents understand the power of a growth mindset and the power of “Yet”
- Use growth mindset language in school and at home
- Model a growth mindset in our classrooms, offices, meeting spaces, and extracurricular activities
- Flood environment with growth mindset messages

Areas of Focus...

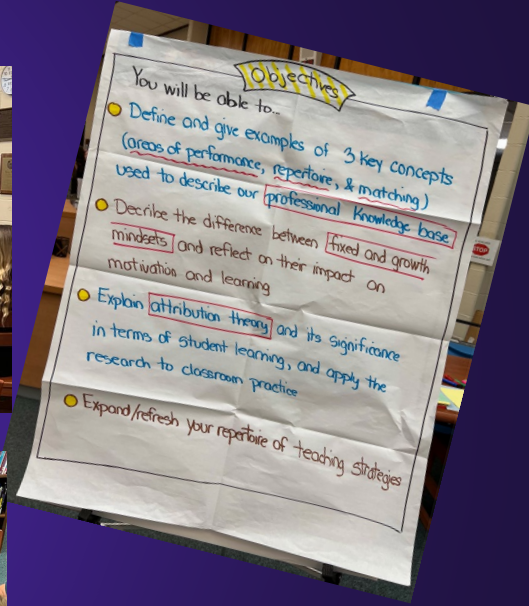

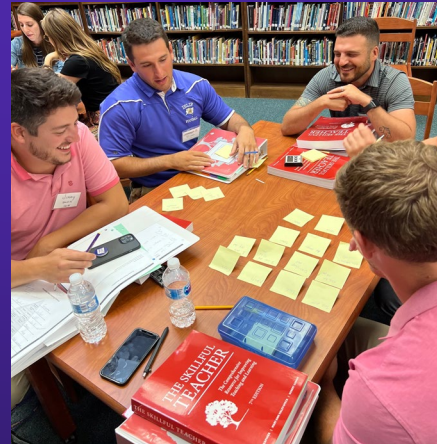

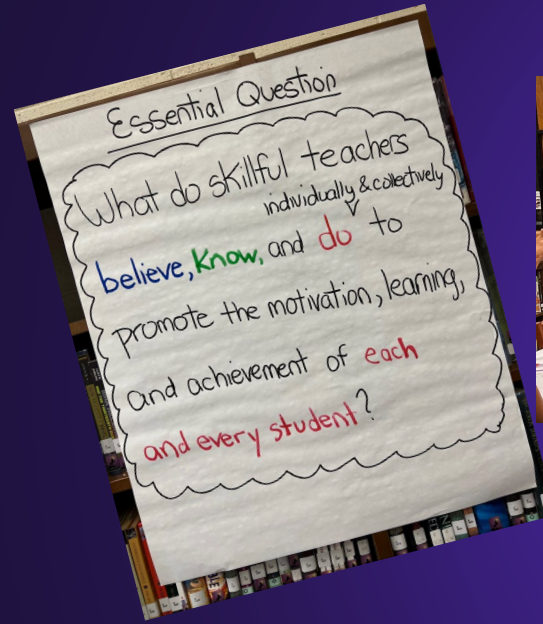

K - 6:

- Sticking with our literacy, math, and science programs
 - Working toward full mastery
- Coding
- STEAM
- Inventing Self (grade 5)

7 - 12

- Continuing the Study of Skillful Teaching
- Inventing Self
 - Middle School all grades
 - Lunch periods for students
 - Push-in classrooms by teacher invitation
 - High School grade 9 (pilot)

Studying Skillful Teaching...

We don't have to be bad to get better...

If better is possible, good is not enough...

Reasons for excitement and optimism...

Students First... Pure Intentions... Best Effort...
