

ISLIP HIGH SCHOOL CLASS OF 2024
COMMENCEMENT WEATHER CONTINGENCY PLAN

Dear Members of the Class of 2024,

Commencement exercises for the Class of 2024 will take place on Wednesday, June 26, 2024, at 6:00 pm. We have created the below Weather Contingency Plan to maximize the opportunity to have an outdoor celebration while understanding that an indoor ceremony may be necessary.

If weather prohibits the regularly scheduled start time of our ceremony on Wednesday, June 26th, at 6:00 pm:

- The ceremony may be delayed up until 8:00 pm on Wednesday evening, June 26th.

If weather prohibits an outdoor ceremony on Wednesday, June 26th, at any time in the evening:

- The ceremony will be moved to the rain date of Thursday, June 27th, at 6:00 pm. If weather prohibits an outdoor ceremony, an indoor graduation in the gymnasium will occur at that time. There will be a limit of three (3) yellow tickets per graduate for the gymnasium, and any overflow of guests may sit in the auditorium where the ceremony will be livestreamed. These yellow indoor tickets are distributed in the students' graduation folders that they receive at the mandatory Graduation Rehearsal.

The school district will notify families via text messages, emails, and the district website as soon as any decision has been made to initiate any of the above scenarios.

Please know that we are working hard to make this milestone special for all our graduates and their families. We appreciate your understanding as we navigate the unpredictability of the weather.

Sincerely,
Lara Gonzalez, Ed.D.
Principal
