**Discussion:**

**Athletics Girls' Soccer:** Mike Markwica stated that the Board asked him to gather more information regarding joining with North Warren Central School for girl's soccer. The administrators met with the ADs, and the ADs showed how merging could work. Mike Markwica stated that he believes that transportation is going to be an issue, but it is not enough to not go through with the merge. He did say that the ADs stated that most students ride home with their parents after games, so that should be taken into account.

Tara Sears asked for clarification on returning from a game. Mike Markwica stated whichever school drives is the school that students will be dropped off at after the game.

Tom Ordway stated he sees this as losing students because parents will not want to drive at night to North Warren to pick up their child.

Rachel DeGroat stated with lower enrollment this may be the only way to have sports.

Sarah Williams asked if practices will now be split three ways, she said two schools is confusing.

Mike Markwica said that the administration and athletic directors will have the ability to make logical decisions which will elevate some of the confusion.

Sarah Williams asked if North Warren was asked to become us and not merge. Mike Markwica said they are not interested in doing that.

Melissa Freebern asked if we would play the same teams, and Mike Markwica said we will. He explained why we may have to play “up” in sectional play.

Erwin Morris asked if this was for modified and varsity, and Mike Markwica said it was.

Rachel DeGroat asked where the Board members were in their thoughts: Tom Ordway, no. Sarah Williams unsure at this time. Melissa Freebern, yes. Erwin Morris is not against it but still needs more information to decide. Tara Sears, yes. Chris Jay, yes.

Rachel DeGroat then went on to ask Mike to inform the Board what Minerva Central School’s thoughts were. Mike Markwica said he thought we might need a special board meeting due to the timeline.
