- Committee Reports/
Curriculum Committee:** **Building Committee:** met and discussed the Bids for the building project. Larry Ringer provided a sheet with all the Bids and what each had for alternates.
Building and Grounds Committee: William Conner stated that members of the B & G committee should audit the school Building and grounds to look for future liabilities.
- Update Report:** Mike Markwica spoke of the day's (1/8/18) events:
Busted water pipe in room 307 led to water damage in room 307, 209, Mike Ordway's office, the staff lounge, the distant Learning room, the business records, room, the hall between Mike Ordway's office and the cafeteria and the floor of the old cafeteria. This flood caused the fire alarm to short out requiring all students to go outside. Buses were brought so students were able to stay warm. The system could not locate the cause of the alarm so students were sent home. The system was eventually fixed and the impromptu drill ran very smoothly.
- Alliance for Positive Health, Narcan Training will take place in room 126 will take place on Tuesday, January 9, 2018.
