- a station to make props and/or learn about stage makeup/hair and costumes
- a tour of both of our theatres and our dressing and set-building rooms,
- an improv and acting station where they can learn and hone their acting skills
- a chance to learn a musical number which they will perform for parents at end of camp.

All of these activities will be guided by our very own members of the theatre program. This camp will not only be a fun, cost-friendly way to make money for our next show, but a way to share the love of musical theatre with young stars-to-be. Gain confidence and learn basic theater skills!
