A few egg-cellent facts about Easter Eggs...

- **Painting eggs comes from Ukraine!**
They call their decorated eggs a 'pysanka' which means 'to write'.
- **The first ever Easter egg was invented in the UK!**
It was made in Bristol in 1873 by Fry's, the chocolate company.
- **The world's biggest Easter egg was more than 34 feet tall.**
According to Guinness World Records, the chocolate egg weighed 15,873 pounds. It was made in Cortenuova, Italy.
- **The most expensive chocolate egg sold for £7,000!**
The expensive egg sold in London on 20th March 2012.
It was so expensive, it became the world record for the most expensive edible egg!
The egg was decorated with gold leaf and white flowers.
It took three days to make!
- **Creme Eggs were invented in 1923**
Although Cadbury made their first chocolate eggs in 1875 it wasn't until 1923 that a creme filled egg was released. It didn't stick around for very long and disappeared from shelves. Nearly 50 years later it was reintroduced and named Cadbury Creme Egg in 1971.
