SCIENCE OF THE FUTURE

THE WORLD TODAY IS BECOMING AWARE OF THE GREAT IMPORTANCE OF SCIENCE IN WAR AND PEACE. WE NOTE IN THE DAILY PRESS AND MONTHLY PERIODICALS MORE AND MORE ARTICLES DEALING WITH DISCOVERIES IN THE SCIENCES. THROUGH SCIENCE, NEW AND BETTER WAYS HAVE BEEN DISCOVERED TO HELP US IN OUR DAILY LIFE. WE THE CLASS OF '44', REALIZING THE PLACE OF SCIENCE IN MODERN LIFE, HAVE CHOSEN IT AS OUR THEME.

Dedication

MISS JEANNETTE ARBIOS . . .

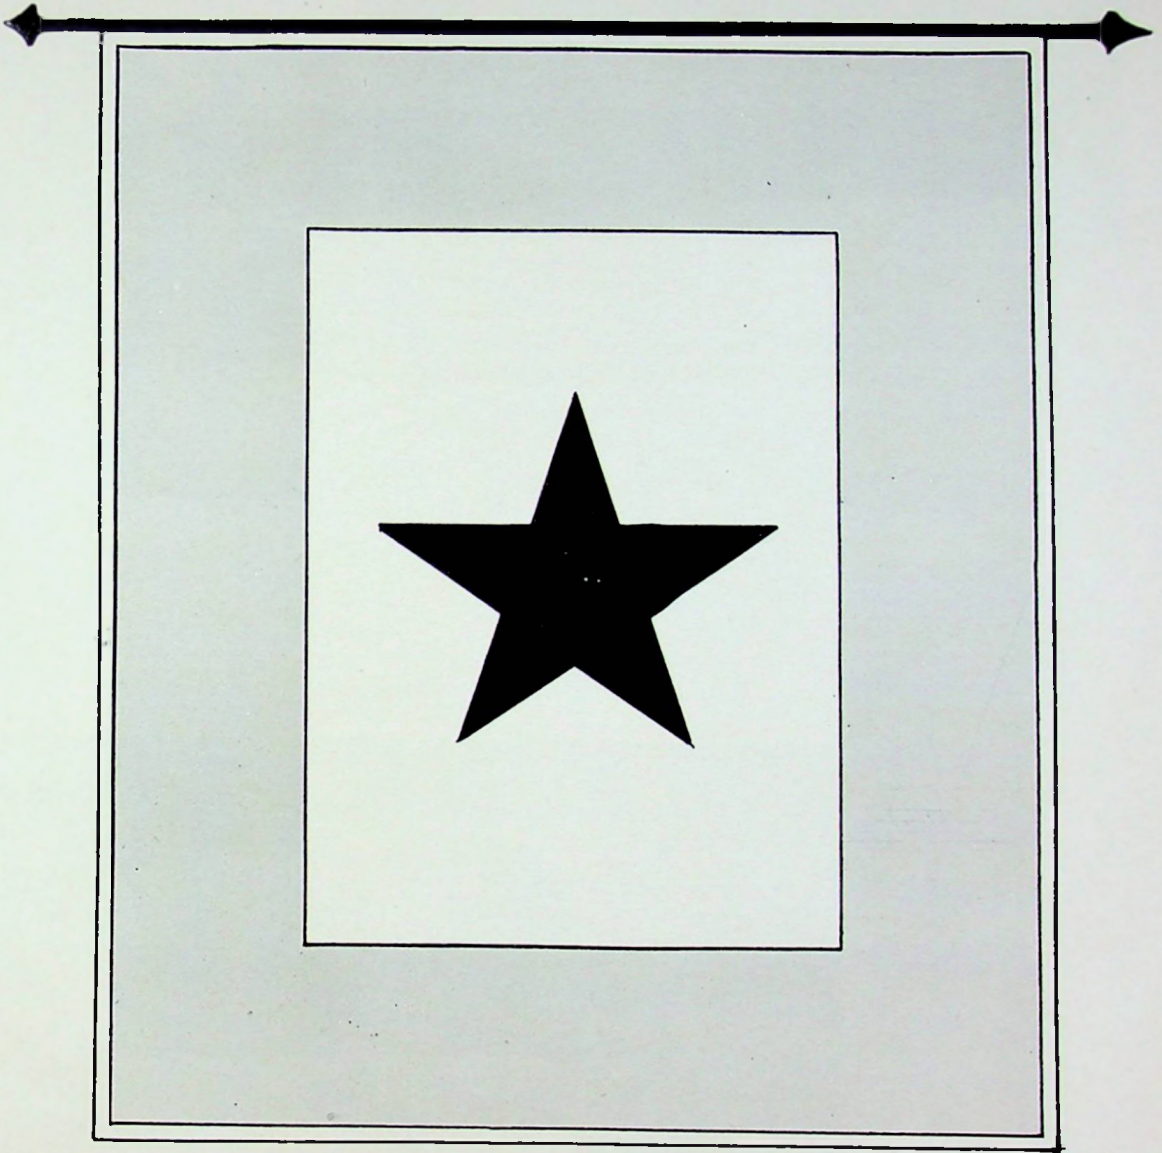

To you, Miss Jeannette Arbois—our teacher, staff adviser, and friend:

To you, who through your interest in school affairs and your unlimited efforts for all, has won the admiration and respect of every student in Kingsburg High School;

To YOU, this VIKING is fondly dedicated.

They Gave All

Fighting For Our Country

MR. EMIL JOHANSON, President

Under the wise leadership of these fine men, school affairs are coordinated and our school is made to function successfully. These men must give of their time freely and without remuneration and must be always open to new ideas for the improvement of the educational system and the welfare of the students. We students wish to thank the members of the Board for their good judgment and loyal support during the past year.

JOHN F. PIERCE, Principal

The American Secondary School is truly American. It has become an institution of the people and for the people. The youth of the nation are welcomed to its halls that they might gain an understanding of the rights and privileges of every American. To understand and appreciate these rights and privileges, youth must also understand that with every privilege there is a corresponding obligation.

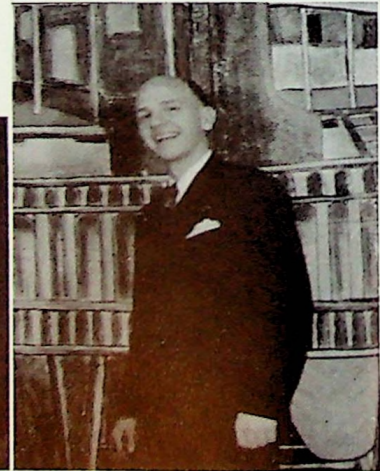

The primary function of the American Secondary School is, therefore, to provide for the youth of our nation an opportunity to improve and enjoy these rights and privileges guaranteed under the laws of our land. To fulfill our part of this function, we of the Kingsburg Joint Union High School faculty subscribe to the idea that our main objective is to aid each boy and girl who enters its doors to develop into a happy, self-respecting, cooperative, intelligent, and useful American citizen—a citizen who is willing to defend with his life, if necessary, those rights and privileges, that they may also be enjoyed by generations yet to come.

Working under the difficulties of war time conditions, the staff has struggled hard to prepare this 1944 Annual.

Beginning in the middle of October, the staff overcame many obstacles in the completion of their task. We hope our book will meet with your approval. Special thanks and appreciation are due Mr. Pierce and Miss Arbios who have been most helpful in all the various tasks required in the preparation of this book.

May we hope that in future years, this 1944 Annual may serve to bring back pleasant memories of the school year of 1943-1944.

The Girls' League enjoyed the usually successful year, in spite of war handicaps. The annual dues drive was one hundred per cent, a record to be proud of. Since no class was the loser in the drive, representatives from each class presented a program hilariously enjoyed by all. A welcome party honoring the freshmen and other new girls was held on the lawn one afternoon after school.

Fantastic costumes and a treasure hunt highlighted the Hi-Jinx party. Coach Bunger adequately subbed for Santa Claus at the annual Christmas program for the kiddies. In May a colorful Spring Day was held with the usual judging of new dresses and hair-dos. On the 29th of February the girls surprised the boys by a Leap Year Chase; an interesting program in which the boys participated, more or less willingly, followed.

The Mother-Daughter Reception and installation of new officers brought the year to a happy ending.

Twelve students had earned membership in the C.S.F. in the fall of 1943. Officers elected: President, Dan Nystrom; Vice President, Christine Klamroth; Secretary, Helen Peterson; Treasurer, Evelyn Naill.

Of the 14 members, during the second semester, four were freshmen. Officers elected: President, Fay Pearson; Vice President, Norman Nystrom; Secretary, Gratia Batten; Treasurer, Alton Peterson. Three seniors, Helen Peterson, LaVonne Lagerstrom, and Fay Pearson, qualified for life membership.

On December 10th the C.S.F. enjoyed a delightful Christmas party to which students who were not members but had received eight or more points were invited. Gifts were exchanged.

Our chapter contributed to the war effort by binding articles from past National Geographic Magazines for the use of convalescent service men.

Due to unforeseen April showers the spring picnic became an indoor party held in the sewing room. Refreshments were the main source of entertainment.

The Junior Red Cross Council is composed of two representatives each from the four classes and the Girls' League. This group plans and supervises Junior Red Cross activities in the school.

The members this year are Frances Leaf and Billy Swanson, Freshmen; Evelyn Naill and Carlyle Norment, Sophomores; Jean Bungler and Douglas Peterson, Juniors; Judy Andrews and Benton Bowen, Seniors; Barbara Peterson and Ruth Miller, Girls' League. The advisors are Mrs. Nordstrom, Miss Newbecker, and Miss Arbios.

In addition to enrolling every K.H.S. student as a member of the Red Cross, the Junior Red Cross has engaged in several activities this year, among them being the making of fracture pillows for use in hospitals, the making of scrapbooks, the donation of coat hangers, ash trays, and writing pads, and the completion by each class of an efgnan made of squares from old sweaters.

The Boys "K" is a club to which only boys earning a varsity K may belong. Its activities are devoted to social functions; among them the annual waffle feed and several banquets, the outstanding being the one given by the Kiwanis Club, May 23. Walt Hillblom has served as president the past year and Coach Bungler has been faculty advisor.

The Girls "K" limits its membership to girls earning 300 or more points. Besides their annual Christmas party, the girls enjoyed a party held in conjunction with the Boys "K." Mildred Hansen headed the Girls "K" with Mrs. Smith as advisor.

The year was started with a bean feed and initiation of green members. As their first undertaking to swell the treasury, the boys pruned vines.

A Rodent and Pest Control Contest was carried on as usual in spite of the shortage of ammunition. The freshmen alone, pitted against the three other class, won the contest and were given a picnic.

A project competition, sponsored by the Kingsburg Kiwanis Club, will result in the awarding of cash prizes.

Highlighted by "The Hi-Y Minstrels of '44," the club wound up a very successful season. Two parties have already been held, with a swim and berry feed in prospect.

The big event of the year, however, was the minstrel show. A cast composed of members, amply supported by the band and orchestra, and "all" most ably directed by Elwyn Schwartz, turned out a program that will be long remembered in the annals of Kingsburg High School.

Officers this year have been Benton Bowen, President; Eugene Bordson, Vice President; Walter Hillblom, Secretary-Treasurer; Leo Avedikian, Sergeant at Arms, and Murl Dodson, Advisor.

The music department of K.H.S., under the able leadership of Mr. Elwyn Schwartz, has presented four successful concerts, and also provided special numbers and incidental music for many church, school, and other organizational activities.

The Christmas concert, having as its theme "Christmas, Promise of Permanent Peace," was the first formal presentation.

"Dear Mom," a musical play given for the benefit of the Junior class, featured precision dances and other specialty numbers.

A unique concert of Chamber music was presented in March by the ensembles and included a French horn solo, a marimba solo, and a piano duo.

The concert season closed with the annual Spring Concert in May.

Sparked by a versatile senior backfield, the Vikings wound up a fairly successful season by winning three games and losing two. Injuries during the season destroyed to a great extent, their chances of winning more games.

Fielding one of the lightest, greenest teams seen here for a long time, Coaches Bunger and Lumpe are to be credited, nevertheless, with creating a formidable aggregation.

Operating off a short punt, spread punt, and "T" formation, the spread punt proved most effective for our light, fast team. With plenty of experienced material returning, next year's team should have a more successful season.

Both Varsity and B class teams had a successful season, finishing in a tie for first place. Hillblom paced the Varsity victories, but the honors are fairly divided among the B class members. Mr. Dodson's C team was a green, inexperienced team without much luck, but an excellent spirit of sportsmanship. He should have plenty of material for next year.

The highlight of the Viking spikemen was the West Coast Relays held at Fresno. A first place was taken by the 880 yard relay team of Bowen, Hillblom, Olson, and Johanson. A team was entered in the Fresno High Invitational Meet and scored two firsts and several other places. The Viking tracksters ended their season in the League Meet in Sanger on the evening of May 26.

DIXIE BATTEN

Tennis

Interest in tennis was exceptionally high this year with many freshmen turning out; Evelyn Richardson and Alice Meyers gave some of the older girls keen competition.

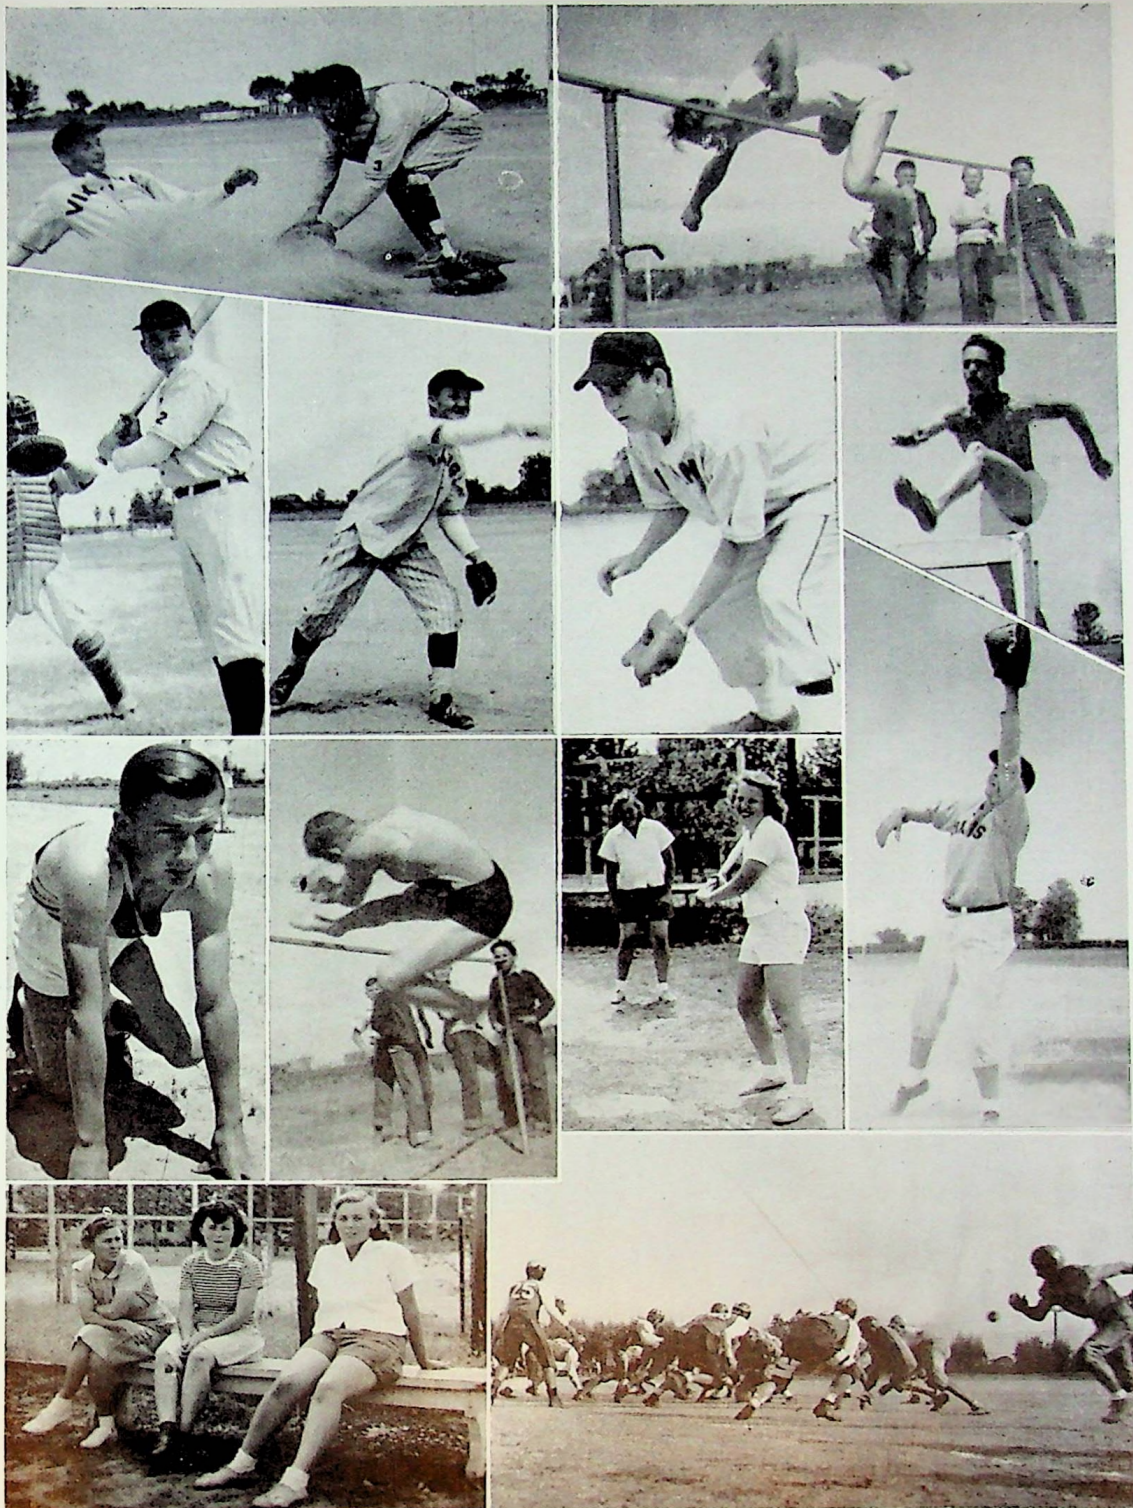

The local teams will go to Reedley on May 27 to meet the other Sequoia League schools, at the time of going to press, the members of these teams had not yet been determined.

HOME

Home reflects character. More, it molds character. Home is the image of thought exposed inviting the gaze of the world. As your home is, so are you. Then make your home as you want to be—in good taste, dignified, ennobling, to be admired—but see to it that it is also beautiful, comfortable, and enduring. You build with assurance if you let us plan your home. We furnish all materials necessary out of our ample stock. We are building experts. Make use of our service. It is free.
