HIGH SCHOOL LIBRARY

Nineteen hundred fifty-six is an Olympic year. Next November the Games will be held in Melbourne, Australia.

There are many legends about how the Games originated. According to the most popular of these traditions, they were founded by Hercules, in honor of his victories.

Today almost every known physical sport is played at the Games, and nearly every civilized nation is represented there.

The community of Kingsburg is taking a particular interest in the Games this year, for it seems almost certain that a K.H.S. graduate will win a place on the U.S. Olympic decathlon team.

In honor of his outstanding service to his school and community, the staff dedicates the 1956 Viking to Rafer Johnson, world's decathlon champion.

# FOREWORD . . .

*The important thing in the Olympic Games is not winning but taking part. The essential thing in life is not conquering but fighting well.*

BARON DE COUBERTIN

In the Olympic Games hard work reaps its own reward—social position or wealth makes no difference; only ability counts. Each participant has equal rights, and these are the very things that the men who founded our country endeavored to uphold. These are the principles that we, in our school life, strive to support. It has been the purpose of the 1956 Viking staff to portray the similarity of student life and Olympic participation.

# LEADERSHIP

*Lie down till the leaders have spoken — it may be fair words shall prevail.*

*KIPLING*

A quality found in few of us, yet admired by all of us, is that of being a leader. One of the finest examples of true leadership is found in participants in the famed Olympics. Despite the fact that they are from many countries of many different governments and customs, the Games are run smoothly.

We, as students, are also shown a fine ideal of leadership as set forth by our administration, our school board, and our faculty.

## BOARD OF TRUSTEES

MR. A. E. SWANSON

MR. PAUL LUNGREN

MR. JAMES O. CASSIDY  
Vice-President

MR. LUTHER LINDA  
Clerk

MR. GORDON SATTERBERG  
President

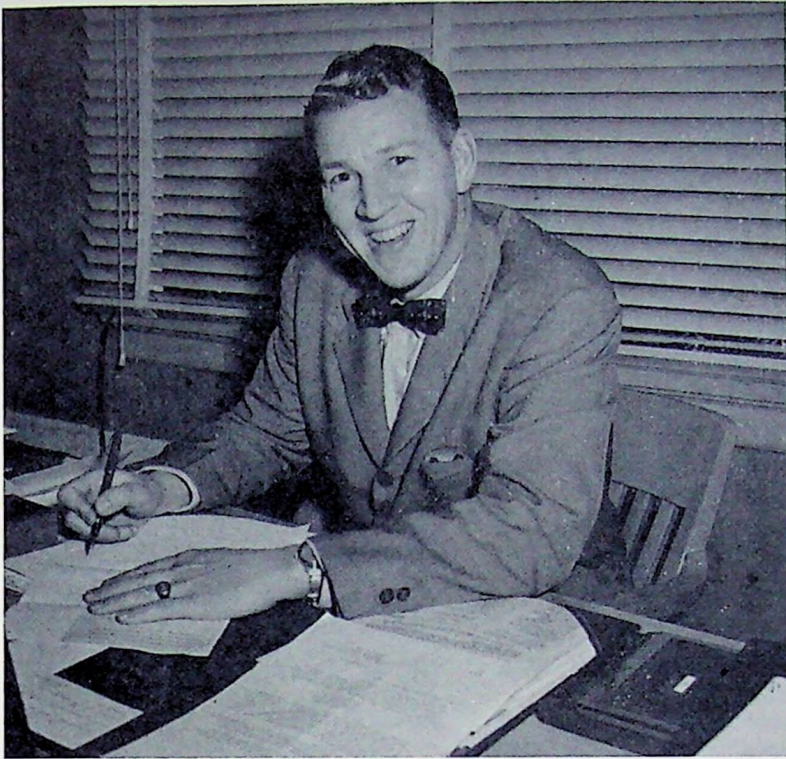

Kingsburg High School district is represented by five prominent men who are elected by the community to carry out the school program and institute new policies as the need arises.

One of the main purposes of the board is to hire competent teaching staffs and administrators. The school board is required by state law to determine the length of the school year and fix the dates for the vacations.

Authority to make reasonable rules for the school government is given to the school board by the state.

Regular meetings take place the first Monday of every month when the members discuss the problems which came up during the previous month.

PAUL NIELSEN  
Principal and District Superintendent

Dr. Paul Nielsen, principal and district superintendent, came to America from Denmark at the age of eight. He attended the Ann Arbor, Michigan, high school, and in 1940 received his A.B. degree from the University of Michigan.

After his graduation, Dr. Nielsen went into the United States Navy and served for five years. In 1948 he and his family came to California and Mr. Nielsen continued his education at the University of Southern California, where he completed his master's and doctor's degrees.

## ADMINISTRATION

Mr. Ejnar Peterson has the distinction of being one of the two members of the Kingsburg High School faculty who have served longest.

In 1905 Mr. Peterson came to Kingsburg from Chicago and graduated from Kingsburg High School in 1916. Upon receiving his A.B. degree from the University of California, he returned to K.H.S. and has taught here for thirty-one years.

His teaching career was interrupted only once when he served three years with the U.S. Army Air Force during World War II.

EJNAR PETERSON  
Vice-Principal

The highly respected faculty of K.H.S. is one of the driving forces that help the students go through high school with a mind on the future.

Several of these teachers are old friends of K.H. S., and some are newcomers. A few are relatively new to the field of teaching, but most are old hands in the art of bringing their knowledge to us.

These people are not only teachers, but they are our friends and advisers.

They teach subjects ranging from cooking to auto mechanics and agriculture shop. These include commercial subjects, homemaking subjects, subjects pertaining to the field of art, and required college preparatory subjects.

Our teachers help us learn how to think for ourselves. They help us understand the complex problems that arise in the world of today. Their guidance, advice, and teaching will help us throughout our future as respected United States citizens.

## CAMPUS HELPERS

Important to the maintenance and general welfare of the school are the campus employees—the custodians, the cooks, the school nurse, and the bus drivers.

Those men who have kept the school grounds and buildings in good condition are seldom given the credit that they really deserve.

Mrs. Glenn Kolander, the school nurse, has done an efficient job keeping the students in good health.

Miss Janet Dunn, counselor, was always helpful when guidance was needed.

## STUDENT COUNCIL

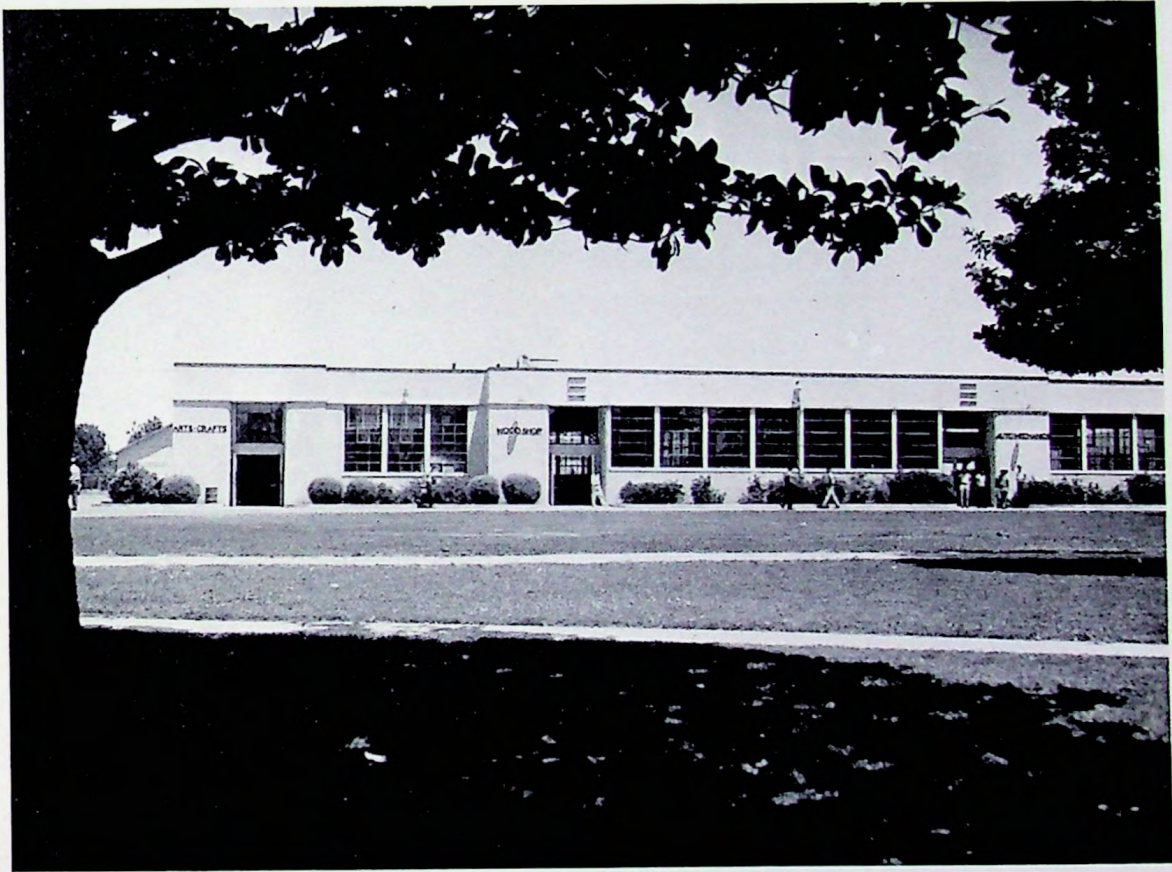

To appreciate clearly the wishes of the pupils, an elected group of leaders known as the student council, assembles from time to time to consider problems and find solutions satisfactory to both the students and the faculty.

The student council consists of five student body officers and a group of representatives from all the classes. Faculty adviser for the student council this year was Mr. Ejnar Peterson, Vice-Principal.

Participating in the activities of the California Association of Student Councils, representatives from K.H.S. are sent to all district C.A.S.C. meetings so that the views of this school may be made known.

# SCHOLARSHIP

*Each day is the scholar of yesterday.*

SYRUS

One of the basic principles of the Olympic Games is not to win but to learn by doing. This can apply to us in our everyday scholastic activities. Not all may be at the top of the class, but all can certainly learn by working toward this goal. In the meantime we must always remember that there are three foundations of learning: seeing much, suffering much, and studying much.

# SENIORS

To help the freshmen get acquainted, the seniors welcomed them with the traditional reception, held at Burriss Park, October 6.

On January 23 the seniors and juniors went to the Fresno Ice Arena for an evening of fun and falls.

The senior class went to Reedley on Career Day, March 22, to learn more about various occupations.

Senior Week, with days of vigorous activity at various places, was enjoyed during the first part of June by the class.

To close the school year, the seniors attended the Baccalaureate service and climaxed their wonderful times together with graduation on June 7.

# JUNIORS

During the past year the junior class was active in many school affairs.

Since selling concessions at home games is traditionally given to the junior class, these students were busy organizing the stands.

In the entertainment field, the class attended an ice skating party in Fresno.

The last and most important activity of the year was the Junior-Senior Prom, held on the evening of June 1. As always, the theme was a closely guarded secret until the moment the guests entered.

# SOPHOMORES

This year's sophomores, who will be next year's juniors, marked down another year with its gala round of fun-provoking activities in the pages of the past.

A roller-skating party, held at Skateland in Fresno, began the social year on December 12. This party, with its fun and falls, helped to encourage more students to join class activities.

The event that students felt to be most important was the arrival of the new class rings on February 2.

Another activity on the agenda was the class assembly, to be given in the spring.

A Valentine dance, held on Saturday, February 11, was one of the activities attempted to bring in extra money for the class fund. A bake sale, with donations from the class, was held on March 17, in the business district. This project was a success, and added some extra money to the treasury.

These sophomores admire their new class rings, which arrived in February.

These girls relax as they study Background of World Problems.

# FRESHMEN

Following the same trend, the freshman class of one hundred twelve students began the school year by enjoying the hospitality of the seniors at a wiener roast in Burris Park. The class quickly became acquainted with the customs of high school and planned a roller skating party for the first semester. The party, however, was subjected to a change in plans and was held on March 8 at the Fresno skating arena. Another activity on the agenda of this energetic freshman class was a dance to be held in the spring.

# COMPANIONSHIP

*We have been born to associate with our fellow men, and to join in community with the human race.*

CICERO

The Olympic Games are but a giant melting pot where men of all countries, races, creeds, and social backgrounds participate in friendly competition. Here, the spirit of true companionship is clearly illustrated.

We may follow this fine example set forth by Olympic standards in our student life by thinking of others rather than of ourselves, offering help and encouragement when needed, and by surrounding ourselves with an atmosphere of friendliness.

## MUSIC DEPARTMENT

The K.H.S. music department ended a busy year which included many performances under the direction of Mr. Calvin Schwabe.

Geraldine Rocha, drum majorette, and Lynette Barnes and Shirley Spomer, majorettes, led the school band in the many outstanding formations they made in the stadium during the football season.

On November 12 the chorus went to Berkeley at the invitation of the University of California to participate in a program with sixty other choruses.

The band and the chorus traveled to Fresno High School on March 9 to take part in a music festival. In May the annual Band Show, including an operetta, was presented, all members of the band and the chorus participating with other special groups.

The Kingsburg High School orchestra of twenty-one members, under the direction of Mr. Calvin Schwabe, met on Tuesday nights in the music hall to polish up the compositions learned during the regular daily rehearsals.

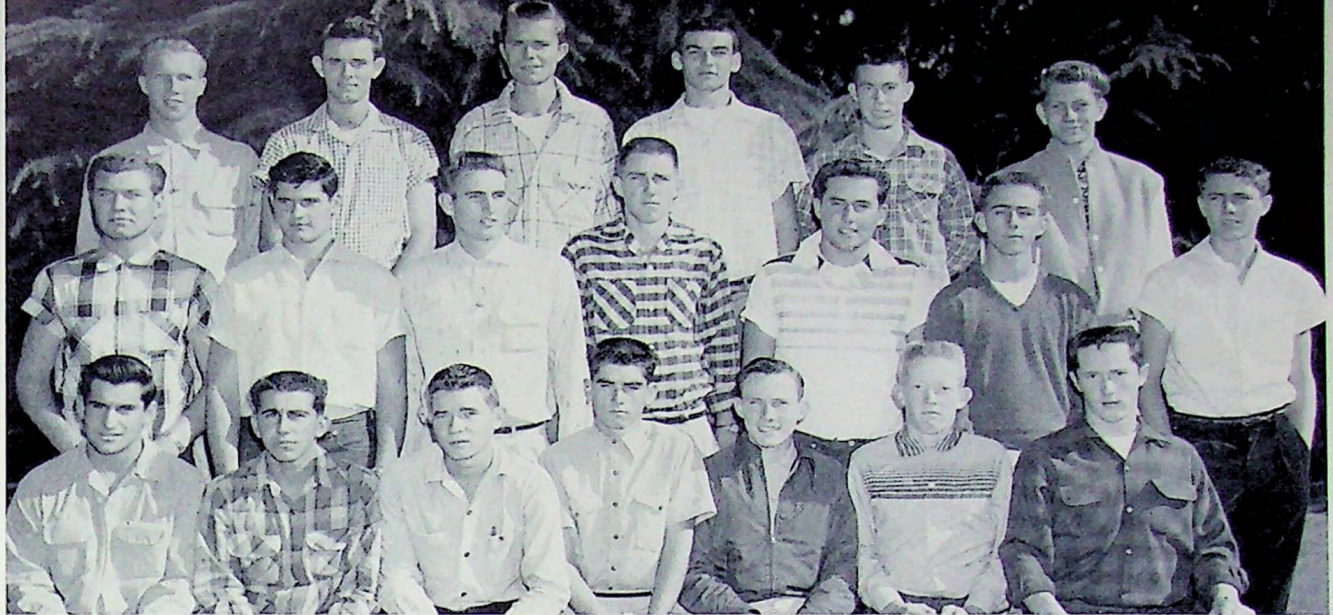

A small group of players called the Pep Band sparked the K.H.S. Vikings to their many victories during the basketball season and also played at all the pep rallies held in the gym.

"Prophecy, Nativity and Rejoicing" was the theme of the Christmas concert, which was presented by the orchestra and the chorus in December.

With other groups of the music department, the orchestra attended a festival at the Fresno High School on March 9. In May the orchestra and the chorus presented a spring concert in the K.H.S. auditorium.

## F.F.A.

Leading another Future Farmers of America group through a successful year of contests and field trips, Richard Stevens completed his second term as president of the Kingsburg chapter.

Mr. Truman Frane and Mr. Roy Boucher guided the "greenhorn" members through a spirited initiation and gave them "green thumbs" as "green badges of plantership."

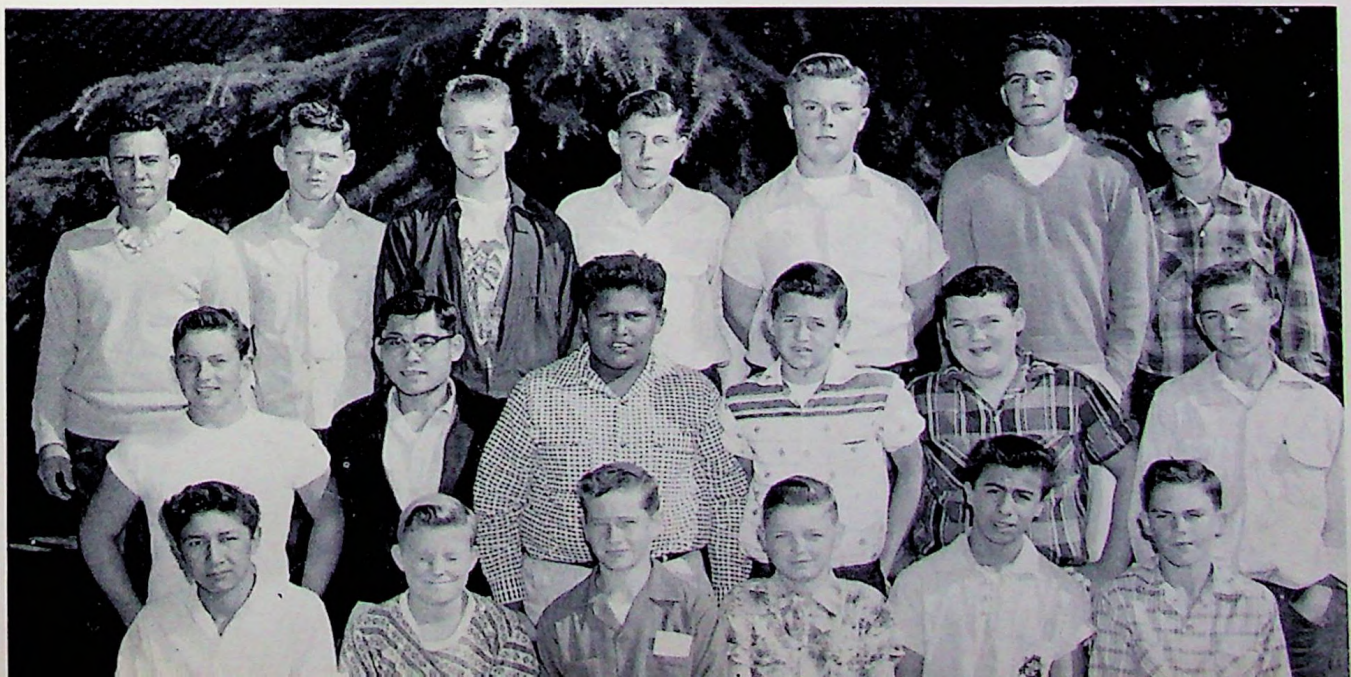

The members chose Mary Ann Elander of the senior class as sweetheart of the local F.F.A. chapter and awarded her a white jacket.

Other highlights of the year were a father and son banquet, several field trips, the Fresno-Madera sectional vine pruning contest, and the revision of the club initiation procedure.

Robert Mounts, director and M. Walker, student director.

"Every Family Has One" concerns the ambition of Laura Reardon to make a match between her daughter Marcia and wealthy Sherwin Parker.

Penelope, the youngest Reardon, is a troublesome tomboy. Reginald, the father, tinkers rather than works. Nana the grandmother, is concerned chiefly with getting rid of the Parkers. She succeeds when Cousin Lily, arriving unexpectedly from the old home town, agrees to impersonate another Lily in return for help in starting a stage career.

The succeeding happenings are hilarious and result in the Parkers' leaving in a huff. Marcia is reunited with Todd Galloway, the boy she loves, and Warry discovers that Lily has a perfectly respectable background.

C. Miller, as Marcia Reardon, is admired by the family in her wedding finery.

H. Jaus, as Penelope Reardon, is not appreciated by the Parkers.

The seniors presented their traditional class play in the high school auditorium on May 3 and 5.

"In the Spring the Sap," a three-act comedy, was directed by Mr. Robert Mounts, assisted by Elaine Johnson. Publicity was handled by Geraldine Rocha. Make-up and costumes by Yvonne Leist and Eleanor Meyers added zest to the production.

The story is about two teenagers who are planning to get married; but their plans are interrupted by a track star, a woman football player, and an 89-year-old "genius," who invents a "various" machine.

As in all good farces, the madly-tangled complications are happily adjusted at the end.

A few of the cast members study the script before a rehearsal.

Rehearsals were held in the auditorium almost every school night.

Mr. Mounts, director, discusses the play with several of the cast members.

## G.A.A.

A spirit of fun, sportsmanship, and cooperation was prevalent throughout this past year in the Girls' Athletic Association. Branches of these clubs, which can be found in many high schools throughout the United States, are all devoted to the promotion of better understanding among the girls who take part in the G.A.A. sports program.

Early in the year, the freshman girls showed that they could be good members of the local organization by going through an initiation especially prepared for them. They were given

a long list of orders to be followed, and were expected to carry them out to the utmost. At the end of the day, a spaghetti dinner was served—to be eaten with no hands.

The annual Christmas Formal, sponsored by the G.A.A., had the theme "Christmas Fantasy." The girls worked for weeks getting the decorations ready to be put up as soon as the gym was vacated. This formal was a success with its Christmas trees decorated with candy canes, and the girls in dreamy new party dresses.

The Spring Day dance, annually sponsored by the G.A.A., was held on March 23 after a day of viewing all the new spring dresses and shirts displayed by the students.

In the fall, a volleyball playday was held at Dinuba for juniors and seniors. One for freshmen and sophomores followed at Reedley. In the spring, a recreational playday was enjoyed by all G.A.A. members at Orosi. The girls could take their choice of playing softball, volleyball, or other spring sports provided by their host.

## C.S.F.

Since 1924 when the California Scholarship Federation was established at Kingsburg High School, the club has been in continuous existence.

Many C.S.F. clubs do not keep the records of those who had been members at the time of their graduation, but a file has been kept at Kingsburg High School, and the records of the graduates from 1924 to 1956 are available.

Among the activities of the C.S.F. are club parties and projects. The members are allowed one party each semester. This year a backwards progressive dinner served by the club's members was held the first semester. Their project for 1956 was to raise money for one or more one hundred dollar scholarships. In order to raise the money, the C.S.F. obtained permission to operate the popcorn machine at all home games.

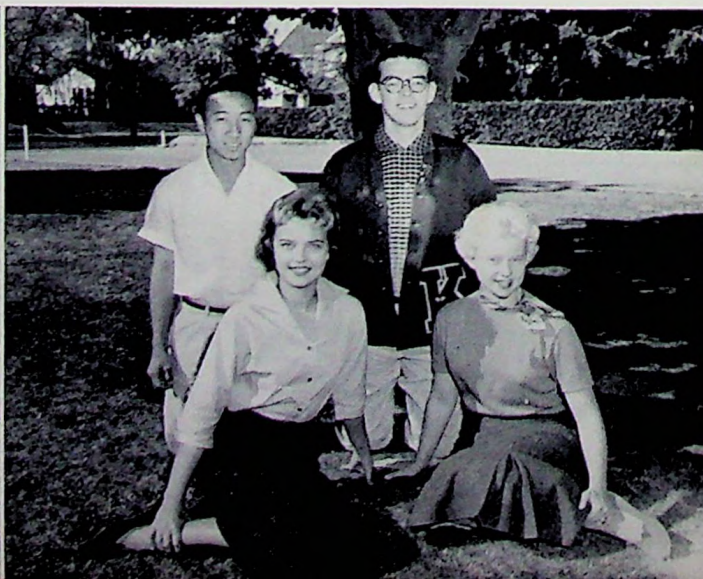

For membership in C.S.F., all students must have ten points. A's count three points for solid subjects and one and one half for a nonsolid subject. A grade of B in a solid counts one point and one half for a nonsolid. Only semester grades are counted

toward the points. At K.H.S. candidates for C.S.F. membership are not given credit for extracurricular activities.

Every year, two C.S.F. conferences are held at different schools. This year eighteen members of the Kingsburg C.S.F. attended the fall conference at Reedley. There were various section meetings for the people to attend. Among them were such discussion groups as the liquor problem, teenage drivers, teenagers and their parents. These conferences are planned entirely by the host school.

It is possible for many seniors to become life members of the C.S.F. if they have belonged four semesters with one semester in their senior year. If a graduate has belonged eight semesters, a gold seal will be placed on his diploma. A silver seal is given if his membership has continued for seven semesters.

Each year the counselor, Mr. Dodson, attends the state C.S.F. conference. This year the conference was held at the Statler Hotel in Los Angeles. At these conferences the advisers become acquainted with each other and study the problems which need attention.

D. Knight, D. Danell and F. Almgren meet to plan the C.S.F. first-semester party.

## TRI-HI-Y

When in the course of Tri-Hi-Y events, it becomes necessary for participants to vary their activities with a choice selection of interesting programs. . . . With this in mind, a variety of interesting speakers visiting from foreign countries showed pictures and enlightened the members as to living conditions in Germany and other lands. At one of the regular meetings of the chapter, Irene Rief, German exchange student from Sanger High School, spoke of her native country and compared our American way of life with that in her homeland.

Stressing the fact that it is a service organization, the chapter sponsored a Christmas party for underprivileged children. As a project for the year, the

Tri-Hi-Y members made slippers out of newspapers for hospitals in the Fresno area.

Conferences held during the year helped the girls to understand what is expected of them as Tri-Hi-Y members. A fall conference was convened at Sequoia Lake at the beginning of the school year, and another conference met in Kingsburg with several chapters from other schools attending.

In an effort to keep abreast of what other chapters are doing, two Tri-Hi-Y girls, Hazel Satterburg and Sylvia Rice, and two Hi-Y boys, were sent to Sacramento to represent Kingsburg at a three-day session of the eighth annual Model Y Legislature in California.

Included in the agenda for a well-rounded chain of activities was an Easter program to be given to the KHS student body. In addition to the regular bi-weekly meetings, several parties were enjoyed.

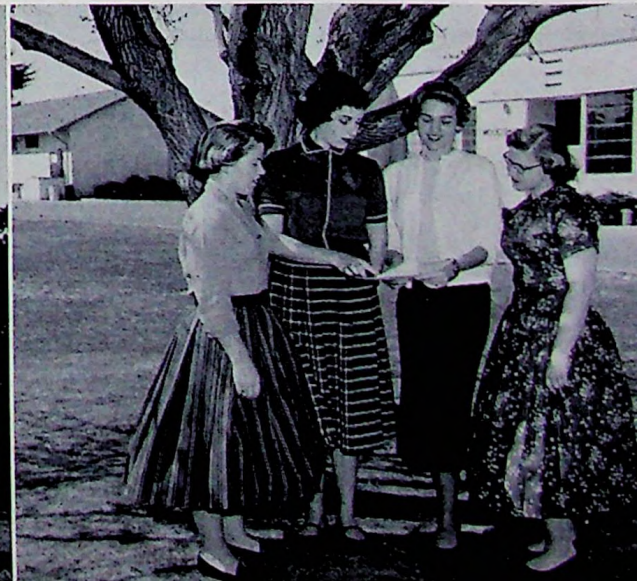

Throughout the year the members strived to achieve the goal of a well-balanced life spiritually and socially.

## HI-Y

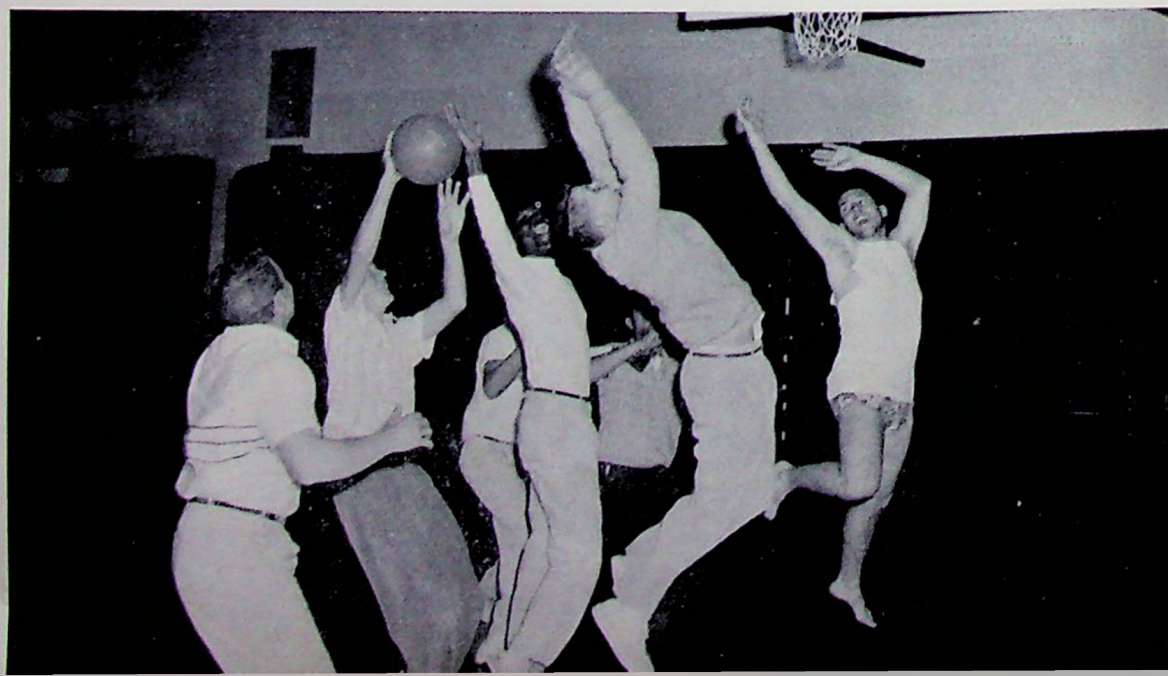

Under the capable leadership of Mr. Murl Dodson and the Hi-Y officers, the Hi-Y had a very successful year of exciting activities. Community service, wholesome recreation, conferences, regular meetings, and other special events kept the club members on their toes.

The chief purpose of the club is to stress clean speech, clean sportsmanship, clean scholarship, and clean living. The club responded very well to these four C's.

A Christmas program is presented by the Hi-Y each year in which all the members from the four high school classes take part. All the proceeds go to some needy family in this community.

Besides attending several conferences, this year the Hi-Y, together with the Tri-Hi-Y played host to other Y groups at a conference which was sponsored by the Y.M.C.A. of Fresno. The conference was held here at K.H.S. and Lincoln school.

Spiritual life of K.H.S. students was not forgotten during the past year. All who wished to come were heartily welcomed to the nondenominational Bible Club noon meetings on Tuesday and Friday in the Baptist church. These meetings were arranged for interest as well as for the guidance they gave.

Some of the most interesting speakers were Bart Bartell, director of Youth for Christ; Vernon Powell, director of Servicemen's Center in Hawaii; and Reverend Texzel, a Swedish missionary. For added interest, the Selma Bible Club gave an exchange program on November 3.

Other activities were the annual Quad Club kickoff banquet, a roller skating party, a recreational party at the Y.M.C.A. in Fresno, and the Quad Club banquet in the spring.

The local Bible Club quiz team contested against Dinuba and Tulare at the Y.F.C. meetings in Fresno, Tulare winning the event.

Martha Erwin, club pianist, held the honor of being part-time pianist of the Fresno Y.F.C.

Cooperation between the club officers, the local ministers, and Mr. Bartell helped make this Bible Club a success.

# VIKING

Planning the 1956 Viking began in April, 1955, when pictures of spring sports were taken.

Carolyn Barnes, yearbook editor, selected the theme, completed the layouts for the 1956 Viking in the summer, and was ready when school started to take pictures. After the pictures were taken and examined carefully by the editors, they were sent to the engraver. For many years the Viking staff has used the letterpress method in which the pages are printed from metal engravings mounted on wooden blocks.

This year, instead of student art work, pictures of the campus were used on the division pages. The only art work in the book was done by the engraver in Berkeley.

The dedication to Rafer Johnson, holder of the World Decathlon record, made the use of the Olympic theme very appropriate.

The twelve members of the journalism class work diligently trying to get all of their studying for the Viking Voice into one short period.

At the start of the school year, a great deal of effort was put forth by Mr. Scott, adviser, and his able staff in teaching the new reporters the fundamental steps necessary in journalistic writing.

The Viking Voice is a member of the San Joaquin Valley and the National Scholastic press associations. Three members of the staff, Jayne Warren, Carolyn Barnes, and Richard Ruether, are members of the Quill and Scroll.

# SPORTSMANSHIP

*Good sportsmanship—desired by all, admired by all.*

*ANONYMOUS*

The Olympic Games have long been graced with the spirit of good sportsmanship. It should be remembered that the Games are not for one nation alone, but all nations, and that they are working not only for higher mental and physical development, but for world peace and international good will. Good sportsmanship and respect for one's fellow man help to accomplish this, and both of these can be put to good use in the student athletic program.

## TRACK

MURL DODSON  
Track Coach

With the coming of the 1956 track season K.H.S. began a vigorous effort which eventually led to success.

The Viking cindermen participated in numerous meets, the most outstanding of which were the West Coast Relays, the Fresno High and Wasco High relay carnivals.

As usual, they gave an excellent account of themselves in both the league and division meets.

An added incentive to Kingsburg athletes was the growing interest in track because of the approaching Olympics. The marks set by Rafer Johnson of the class of '54 were high goals for the men to shoot at—those which called for that "extra" spark.

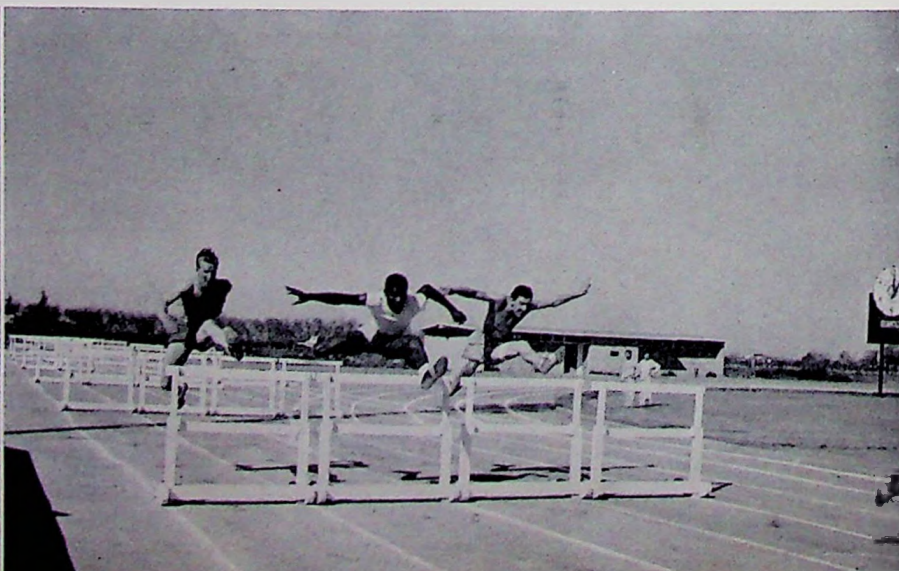

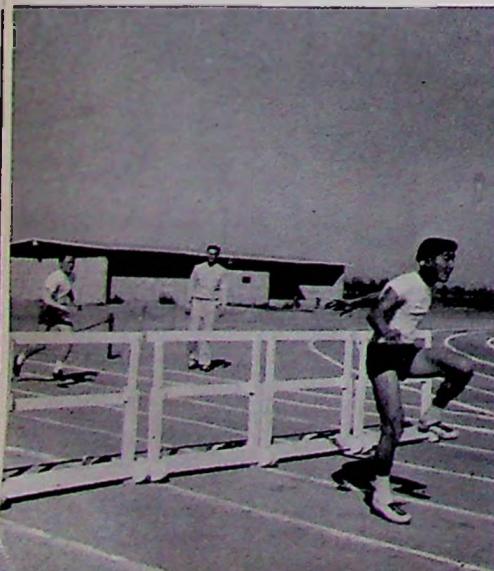

Coach Dodson was fortunate in having a strong turnout from the underclassmen, especially freshmen. The B- and C-class teams had very fine balance.

The Varsity, which has always been strong, was again a closely knit aggregation of sprinters, jumpers, and weightmen.

During the season several school and meet records were smashed by the strong Viking track men.

These boys competed in the high hurdles at the interclass track meet.

## VARSITY FOOTBALL

The '55 football season proved successful once again for the Vikings of Kingsburg High School.

Tucking away their fourth consecutive Shasta division league championship, the Vikings were defeated only by Chowchilla High School in the game for the supremacy of the Shasta League, both northern and southern divisions.

Coach Charles O. Moore fielded what some people termed "the finest prep school team in the San Joaquin Valley." It was undoubtedly one of the outstanding squads in K.H.S. history from the standpoint of all-around ability.

The season was terminated with a banquet sponsored by the service clubs of Kingsburg at which the announcement was made that Gerald Erickson and James Johnson had been chosen most valuable player and captain-elect respectively.

# B-CLASS FOOTBALL

The B-Class football team, coached by Ralph Crews, ended another successful season in brilliant fashion by tying Fowler for the co-championship on the Southern Shasta League.

Their only defeats of the season were two practice games with Dinuba and Reedley.

Harold Godfrey, Robert Guerra, Fred Gutierrez, and Richard Inouye, the only seniors, were of much help to the B squad in the backfield.

Tok Fukuda and Fred Gutierrez captained the team.

At the annual football banquet on December

8, Coach Crews introduced the B squad, saying that the team "set a precedent" which future teams would intend to follow, bringing other championships to Kingsburg.

## VARSITY BASKETBALL

Under the capable direction of Coach Ralph Crews, the Viking Varsity basketball team, losing only one practice game and one league game, came out with flying colors to take the Shasta League championship.

The Vikings had no trouble in collecting their championship game, which was played with the Central Grizzlies who were defending the North Shasta league.

Outstanding among the members of the Varsity basketball team were Ben and Clarence Treat, James Johnson, Gerald Erickson, Don Norrby, and Arnie Henson. These members were usually on Coach Crews' starting lineup.

The other members of the Varsity contributed to the points that were piled up by the team and were used often by Coach Crews.

They ended in a tie with the Kerman Lions, who defeated them on a neutral court at Caruthers to decide who would play Washington Union, the B-Class champions of the Northern Shasta League.

The B's played a good, hard season of basketball, having powerful adversaries who had to take every advantage in order to defeat them.

## J.V. BASEBALL

On the strength of a 7 to 3 victory over the Lemoore J.V.s, K.H.S. started successfully on the march through the '56 season.

Coach Ralph Crews, hampered by green material, rounded out a fine, hustling team. The hitting and fielding were rough at the beginning of the season but smoothed out as the boys gained experience.

## VARSIITY BASEBALL

Beginning with Reedley and ending with Fowler, the 1956 Viking baseball squad enjoyed their most successful season in many years. This year under Coach Charles Moore, the Vikings had games with such teams as Edison, Porterville, Redwood of Visalia, and other schools from the Yosemite league, the fastest league in the San Joaquin Valley.

Hustle and just good baseball characterized the '56 season for the Vikings. The team was backed by the efforts of seven returning lettermen plus outstanding work by several "first-year" Varsity men.

The season started auspiciously as K.H.S. dumped Lemoore and then the following day traveled to Porterville where they walloped the powerful Panthers 6 to 4. Following this booming start, the Vikings kept on in fine spirit and finished their season in grand style.

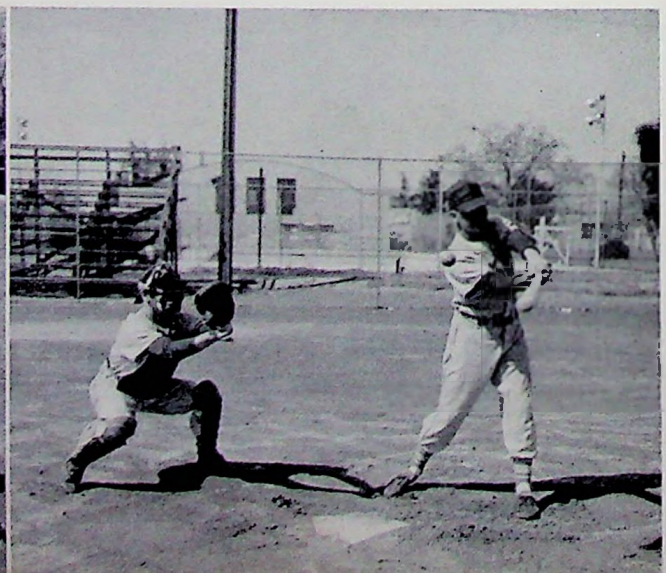

Good fielding and good pitching but not extra heavy hitting marked the Viking campaign.

## TENNIS

Beginning with an inexperienced group of players that was bolstered by only three returning lettermen, Miss Janet Dunn built a team which was one of the strongest in the Shasta League.

For the first time two tennis divisions were set up in the league, one for boys and one for girls. This was done so that more students could participate in the sport.

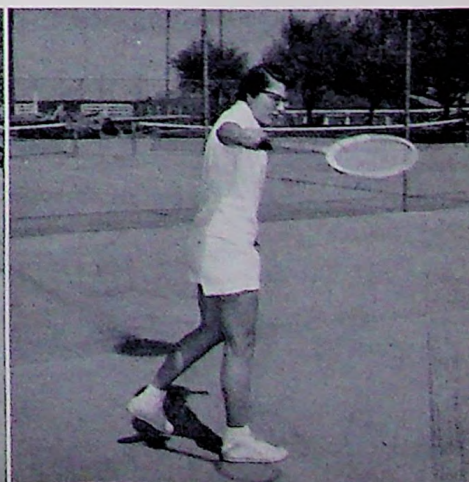

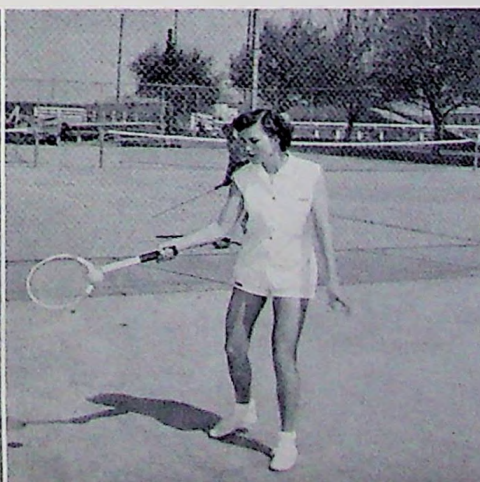

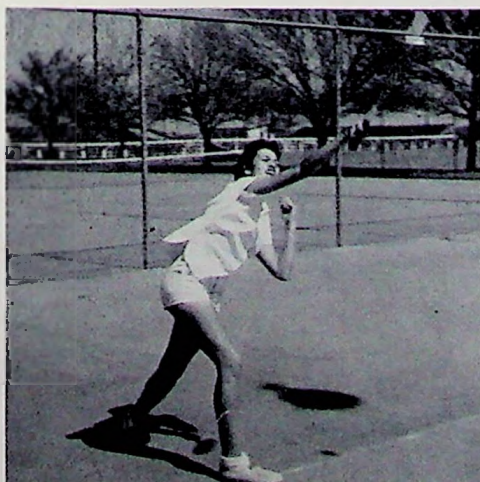

Miss Dunn was confronted by the largest turnout of boys in many years. Although it was hard for these new players to compete against the older, more experienced players, they played exceptionally well. K.H.S. should have a boy's tennis team that will compare favorably with the better teams in the Valley.

The girls' team had experience plus several good newcomers, that made them formidable contenders in the Shasta League.

On April 6 the Vikings traveled to Coalinga for the first league match, and on April 21 the team went to Hanford for the league tournament. The winners went to the Valley tourney in Visalia.

## SWIMMING

This year's swimming team features many new faces as well as several returning lettermen. After-school practice enabled the team to provide keen competition during the swimming season.

Coaching this year will be in the hands of Miss Nancy Ahrens and Mr. Albert Zamsky. Although Coach Zamsky is a teacher at Roosevelt Grammar School, he consented to coach the boys' team.

Because of the enlargement of the diving team, Kingsburg was able to capture many top honors in this field.

Scorekeepers and managers were kept busy, working almost as hard as the swimmers to earn their letters. These letters were given out shortly before the end of school.

The team participated in many of the other individual events, such as backstroke, free style, butterfly, and relay.

### PEP LEADERS

Fans attending the opening sports event of the past year were dazzled by a new array of energetic pep leaders, directing the cheering section for the first time.

Picked by an election held at the first student council meeting, the pep leaders were in top form as they urged the Vikings on to victory.

Both the pompon girls and the cheerleaders had new uniforms. The pompon girls displayed white blouses and green jumpers, while the cheerleaders wore a white attire.

### STUDENT SECRETARIES

Student secretaries have been available at K.H.S. for about five or six years.

A student secretary does such work as typing, duplicating, and filing. In this school some ten or eleven members of the faculty have student secretaries. Altogether twenty-two secretaries take care of the needs of the different teachers.

The idea of this program is to give these girls who have chosen secretarial work as their life's occupation practical experience in that field.

## CAMPUS

Members of the K.H.S. student body participated in a great many activities throughout the school year.

To start the year off right, the seniors were hosts to the freshmen at the annual Freshman-Senior reception.

One of the highlights of the football season was the bonfire rally held before the Selma game where a dummy dressed in Selma's colors was burned at the stake. A football banquet honoring both varsity and B class teams culminated the hours spent on the gridiron.

The climax of the holiday festivities was the G.A.A. Christmas Formal, the highpoint of which was the crowning of a queen.

## ACTIVITIES

A week's Easter vacation was appreciated by the students from March 23 to April 2. Shortly after vacation, the senior girls attended a tea sponsored by the Associated Women Students of Reedley College.

Baseball games, track and swimming meets, and a variety of other springtime activities helped speed the passage of May.

The last two weeks of school were characterized by the usual hectic preparation for the Jr.-Sr. Prom, Senior Week, Baccalaureate, and Graduation Exercises. After these vigorous activities, everyone was ready to enjoy three months of vacation.

## A CODE TO FOLLOW

A man is as great as the dreams he dreams,  
As great as the love he bears,  
As great as the value he redeems,  
And the happiness he shares.  
A man is as great as the thoughts he thinks,  
As the worth he has attained,  
As the fountain at which his spirit drinks,  
And the insight he has gained.  
A man is as great as the truth he speaks,  
As great as the help he gives,  
As great as the destiny he seeks,  
As great as the life he lives.
